Nationalism in Indo-Anglian Fiction Sarma Gobinda Prasad,1990 Counterrealism and Indo-Anglian Fiction Chelva Kanaganayakam,2006-01-01 What do R K Narayan G V Desani Anita Desai Zulfikar Ghose Suniti Namjoshi and Salman Rushdie have in common They represent Indian writing in English over five decades Vilified by many cultural nationalists for not writing in native languages they nonetheless present a critique of the historical and cultural conditions that promoted and sustained writing in English They also have in common a counterrealist aesthetic that asks its own social political and textual questions This book is about the need to look at the tradition of Indian writing in English from the perspective of counterrealism The departure from the conventions of mimetic writing not only challenges the limits of realism but also enables Indo Anglian authors to access formative areas of colonial experience Kanaganayakam analyzes the fiction of writers who work in this vibrant Indo Anglian tradition and demonstrates patterns of continuity and change during the last five decades Each chapter draws attention to what is distinctive about the artifice in each author while pointing to the features that connect them The book concludes with a study of contemporary writing and its commitment to non mimetic forms

Conolly,2004-11-30 Post Colonial Literatures in English together with English Literature and American Literature form one of the three major groupings of literature in English and as such are widely studied around the world Their significance derives from the richness and variety of experience which they reflect In three volumes this Encyclopedia documents the history and development of this body of work and includes original research relating to the literatures of some 50 countries and territories In more than 1 600 entries written by more than 600 internationally recognized scholars it explores the effect of the colonial and post colonial experience on literatures in English worldwide

The Rose and the Lotus Stefano Mercanti,2009-01-01 Raja Rao one of the founding figures of Indian English literature is re examined in this comprehensive study of his fiction which offers a fresh critical investigation into both his short stories and his novels Powerfully contradicting the long held perception of Raja Rao as a mere metaphysical writer and the true bard of quintessential Indianness projected by many critics of the first Commonwealth generation over three

decades Stefano Mercanti posits Rao's fiction in terms of its dialogic interaction the partnership between Western and Eastern cultural traditions and demonstrates how it evolves during the course of his oeuvre on both the philosophical and the political level The title *The Rose and the Lotus* signals the discursive terrain for a multicultural and interwoven evolution among different cultures and points to the need for valuing relations of reciprocity rather than those of domination Far from conveying univocal configurations and nationalistic stereotypes Rao's idea of India is seen as the epicentre of many echoes and dynamic resonances both Western and Eastern through which a distinct blend of Indian and European influences is more clearly unravelled In this new critical re appraisal Mercanti draws on non binary and inter multi disciplinary paradigms thus signalling the complex transformations and multiple negotiations of a polyglot India caught between the cultural twilight of the modern and the traditional The study also offers an invaluable linguistic analysis of Rao's experiment with the English language supplemented by a detailed glossary

THE ART OF CHARACTERISATION Anju Pathak ,2024-11-28 R K

Narayan was a renowned Indian writer who lived from 1906-2001 and was known for his humorous and insightful portrayals of everyday life in the fictional town of Malgudi in South India While his work is not overtly feminist his stories often offer nuanced perspectives on gender roles and relationships Narayan's female characters are complex and multifaceted defying stereotypes of submissive and passive women For instance in his novel *The Dark Room* Savitri the protagonist refuses to be constrained by societal expectations of a traditional wife and mother She resents her husband's controlling behaviour and strives for self expression and independence even if it means defying her husband's wishes However it is important to note that Narayan's portrayal of gender roles and power dynamics in Indian society reflects the cultural norms and values of the time in which he was writing In *The Guide* Narayan explores the theme of female desire and agency through Rosie a dancer who pursues her passion despite societal stigma and disapproval Despite the obstacles she faces as a divorced woman Rosie asserts her independence and follows her dreams challenging the patriarchal norms of her society

Black and White Bryan Peppin,2012-09-10

Bryan was born into an Anglo Indian family in 1952 His schooling was completed in 1968 exclusively in Anglo Indian schools which up to that point in time at least were identifiably Anglo Indian Growing up with an us them attitude the issue was not a real problem until early research work in the field of British Fiction on India brought to Bryan's notice the unchanging negative profiling of the Anglo Indian in books on the theme Full fledged research on the Anglo Indian identity which culminated in a PhD from the University of Madras in 2010 threw up the picture of a minimal human species that combined the worst traits of East and West Since Kipling's refrain was so blindly accepted in the nineteenth century and most of the twentieth century writers both Indian and Western blatantly vilified the Anglo Indian in life as in fiction This book is an attempt to set down an accurate record by examining some of the latest and not so new books on the exclusive subject It also calls to account the horrendous and often unforgivable errors made by some writers and many critics Today more than ever before Anglo Indians are completely at home in India as well as in other parts of the English speaking world It is hoped

that in time a clearer more humane picture of the real Anglo Indian will emerge as it must when understanding erases the dark images of the past Critical Essays on Commonwealth Literature K.
