## **Nations Children 1 The Family Social C:**

Child Social Work Policy & Practice Derek Kirton, 2008-11-19 A key text in the exploration of social political and historical changes around child social care It offers a broad overview of key themes in all areas and aspects of child care within the UK It is an essential resource for students studying the degree in social work and will support and encourage their knowledge of fundamental issues Sarah Thomas Programme Director BA Hons Social Work University of Wales Institute Cardiff This book offers an authoritative overview of child care policy and practice in the UK It covers assessment and family support services understanding child maltreatment and protection the care of looked after children including the contribution of adoption foster and residential care services for those leaving care and barriers facing disabled children and their families Child Care Policy and Practice reflects the complexity and contested nature of children s needs rights and interests and relationships between family and state It analyses relevant debates and research and highlights practice issues and dilemmas Readers are also directed to sources of further information on topics they may wish to explore in more depth At the end of each chapter there is guidance for further reading resources for practice and questions for discussion The book is aimed at social work practitioners and students both qualifying and post qualifying at allied professionals working with children and families and at undergraduate students in Childhood Studies or Social Policy

**Child Welfare** Kathleen Kufeldt, Brad McKenzie, 2011-07-22 Children who receive child welfare services are a vulnerable group and their numbers are growing All who care about them need to be fully informed about current outcomes indicators of success and failure and best practices This second edition of Child Welfare Connecting Research Policy and Practice has a special focus on Canadian child welfare and contains entirely new material on these important themes The book highlights major developments in child welfare and shows how these inform directions taken in research policy and practice The book includes new sections on Indigenous issues and best practices and several of its chapters review efforts to increase supports for families in need Contributions from new and international authors illustrate the endemic nature of child welfare challenges and how we can learn from these experiences Contributors provide recommendations for promoting best practice and enhancing resilience among children and families Closing chapters within each section and at the end of the book summarize key theoretical and practice issues along with recommendations to improve the research policy and practice continuum in child welfare The challenge is to translate good research into policy and practice in ways that enhance the life chances of children who need our care and protection

Walking This Path Together Jeannine Carrière, 2020-07-10T00:00:00Z Walking This Path Together is an edited collection devoted to improving the lives of children and families that come to the attention of child welfare authorities by demonstrating and advocating for socially just child welfare practices In this new updated edition authors provide special consideration to the historical and political context of child welfare in Canada and theoretical ideas and concrete practices that support practitioners educators and students who are looking for anti racist anti oppressive and anti colonial

perspectives on child welfare practice      **Mothering on the Edge** Brooke Richardson, 2022-08-13 This book brings critical scholarly attention to the systematic positioning and subjective experiences of mothers involved in child protection processes in risk based child protection systems Parton Thorpe and Wattam Connolley Swift and Callahan While mothers are typically the primary focus of child protection prevention and investigations Azzopardi et al Fallon et al Swift and Callahan their gendered experiences challenges and triumphs are seldom given space in the academic literature practice and or public spaces to be seen or heard Chapters in this volume build on existing literature to illustrate the structural positioning and or lived experiences of mothers who come into contact with child protection for a variety of reasons substance abuse positive HIV status child injury fetal alcohol syndrome colonial assessment methodologies young age incarceration childbirth and intimate partner violence This book offers three unique contributions to existing literature on mothering in child protection First it creates space for mothers involved in child protection to have their voices heard Second it acknowledges the centrality of mothers subjective experience in keeping children safe Finally it challenges dominant often dehumanizing narratives of mothers involved in child protection through providing a more nuanced understanding of their lives Ultimately this anthology calls for a fundamental rethinking of how mothers involved in child protection proceedings are conceptualized in child protection research policy and practice It is recommended that mothers voices must be central to humanely reforming child protection systems      **Journal of the House of Representatives of the United States** United States. Congress. House, 1998 Some vols include supplemental journals of such proceedings of the sessions as during the time they were depending were ordered to be kept secret and respecting which the injunction of secrecy was afterwards taken off by the order of the House      *Social Policy for Children and Families* William J. Hall, Paul Lanier, Jeffrey M. Jenson, Mark W. Fraser, 2021-08-04 Written in a conversational and applied style *Social Policy for Children and Families* is an award winning book that incorporates cutting edge research across policy sectors in the human services New editors William James Hall III and Paul J Lanier in collaboration with Jeffrey M Jenson and Mark W Fraser have carefully crafted this 4th edition to include balanced coverage across areas of poverty child welfare education public health developmental challenges substance use immigration juvenile justice and gun violence This book is an ideal core text for graduate and upper level undergraduate courses and a vital resource for elected officials policy makers and others interested in the evolution of policies aimed at preventing problem behaviors and supporting children and families      *National Library of Medicine Catalog* National Library of Medicine (U.S.), 1960      *The Disabled Child's Participation Rights* Anne-Marie Callus, Ruth Farrugia, 2016-03-02 The United Nations Convention on the Rights of Persons with Disabilities is the only UN treaty to date in which the people who are its target that is disabled people were actively involved in its drafting and the only one which requires the active participation of disabled people in its implementation This does not of course automatically guarantee the direct participation of all disabled people This is especially so for children with disabilities whose status as legal minors may

inhibit them from participating in decisions affecting their lives This book focuses on the participation rights of the disabled child with regard to health education homelife and relationships highlighting ways in which these rights are safeguarded and promoted throughout the EU as well as exploring the factors that put these rights at risk Finally this groundbreaking text analyses whether disabled children s needs for assistance in order to realise their participation rights results in fewer opportunities to participate or in an increase in support in order for them to be able to do so

**Child and Adolescent Behavioral Health** Edilma L. Yearwood, Geraldine S. Pearson, Jamesetta A. Newland, 2021-02-23 Research has shown that a range of adult psychiatric disorders and mental health problems originate at an early age yet the psychiatric symptoms of an increasing number of children and adolescents are going unrecognized and untreated there are simply not enough child psychiatric providers to meet this steadily rising demand It is vital that advanced practice registered nurses APRNs and primary care practitioners take active roles in assessing behavioral health presentations and work collaboratively with families and other healthcare professionals to ensure that all children and adolescents receive appropriate treatment Child and Adolescent Behavioral Health helps APRNs address the mental health needs of this vulnerable population providing practical guidance on assessment guidelines intervention and treatment strategies indications for consultation collaboration referral and more Now in its second edition this comprehensive and timely resource has been fully updated to include DSM 5 criteria and the latest guidance on assessing diagnosing and treating the most common behavioral health issues facing young people New and expanded chapters cover topics including eating disorders bullying and victimization LGBTQ identity issues and conducting research with high risk children and adolescents Edited and written by a team of accomplished child psychiatric and primary care practitioners this authoritative volume Provides state of the art knowledge about specific psychiatric and behavioral health issues in multiple care settings Reviews the clinical manifestation and etiology of behavioral disorders risk and management issues and implications for practice research and education Offers approaches for interviewing children and adolescents and strategies for integrating physical and psychiatric screening Discusses special topics such as legal and ethical issues cultural influences the needs of immigrant children and child and adolescent mental health policy Features a new companion website containing clinical case studies to apply concepts from the chapters Designed to specifically address the issues faced by APRNs Child and Adolescent Behavioral Health is essential reading for nurse practitioners and clinical nurse specialists particularly those working in family pediatric community health psychiatric and mental health settings Second Place in the Child Health Category 2021 American Journal of Nursing Book of the Year Awards

**Fostering Nation?** Veronica Strong-Boag, 2011-08-15 Fostering Nation Canada Confronts Its History of Childhood Disadvantage explores the missteps and the promise of a century and more of child protection efforts by Canadians and their governments It is the first volume to offer a comprehensive history of what life has meant for North America s most disadvantaged Aboriginal and newcomer girls and boys Gender class race and dis ability are always

important factors that bear on youngsters access to resources State fostering initiatives occur as part of a broad continuum of arrangements from social assistance for original families to kin care and institutions Birth and foster parents of disadvantaged youngsters are rarely in full control Children most distant from the mainstream ideals of their day suffer and that suffering is likely to continue into their own experience of parenthood That trajectory is never inevitable however Both resilience and resistance have shaped Canadians engagement with foster children in a society dominated by capitalist colonial and patriarchal power Fostering Nation breaks much new ground for those interested in social welfare history and the family It offers the first comprehensive perspective on Canada s provision for marginalized youngsters from the nineteenth to the twenty first century Its examination of kin care institutions state policies birth parents foster parents and foster youngsters provides ample reminder that children s welfare cannot be divorced from that of their parents and communities and reinforces what it means when women bear disproportionate responsibility for caregiving

**Encyclopedia of Mental Health** ,2015-08-26 Encyclopedia of Mental Health Second Edition Four Volume Set tackles the subject of mental health arguably one of the biggest issues facing modern society The book presents a comprehensive overview of the many genetic neurological social and psychological factors that affect mental health also describing the impact of mental health on the individual and society and illustrating the factors that aid positive mental health The book contains 245 peer reviewed articles written by more than 250 expert authors and provides essential material on assessment theories of personality specific disorders therapies forensic issues ethics and cross cultural and sociological aspects Both professionals and libraries will find this timely work indispensable Provides fully up to date descriptions of the neurological social genetic and psychological factors that affect the individual and society Contains more than 240 articles written by domain experts in the field Written in an accessible style using terms that an educated layperson can understand Of interest to public as well as research libraries with coverage of many important topics including marital health divorce couples therapy fathers child custody day care and day care providers extended families and family therapy Cruel But Not Unusual Ramona Alaggia,Cathy Vine,2022-10-25 Picture family life in Canada Does it include women or girls being murdered on average every two and a half days Or the fact that intimate partner violence counts as nearly one third of all reports to police Or that child or elder abuse is more common than you might imagine Written for students instructors practitioners and advocates in all related fields this expanded and updated third edition of Cruel But Not Unusual Violence in Families in Canada offers the latest research thinking and strategies to address this hard reality in Canada today Violence takes many forms inside relationships and families and the systems charged with responding and helping can actually add to the harm further isolating and endangering victims Nowhere is this more evident than in intentionally marginalized communities such as Indigenous Black people of colour LGBTQI2S people with disabilities and immigrant refugee and non status women From recommendations on resisting anti Black state sanctioned violence to a call to action on partner abuse within LGBTQI2S

communities the book offers bold ideas for moving forward highlighting the work of researchers and activists from these communities Using a range of perspectives feminist trauma informed intersectional anti oppression and including diverse couple and family relationships and settings foster care group homes institutions the contributors track violence across the life course addressing the impact on the brain trauma coercive control resilience disclosing abuse the MeToo movement self care and providing practical case examples and guidelines for working with children youth adults couples families and groups The result is an authoritative source that offers new insights and approaches to inform understanding policy practice and prevention

Child Protection and the Care Continuum Elizabeth Fernandez,Paul Delfabbro,2020-11-25 This important new book critically examines the complex policy and practice issues surrounding child protection including the impact of theoretical orientations contemporary debates policy initiatives and research findings and maintains an emphasis on the ethics and values underpinning child welfare interventions The book introduces policies that are central to understanding the position and needs of children and young people and how policy and practice have been influenced by developments including the children s rights agenda It also explores the most significant issues in child welfare These include the experience of maltreatment by children the systems of child protection to safeguard them the methods and challenges of risk assessment and the wide range of policy and therapeutic interventions to respond to children s needs The book also examines family support to promote children s wellbeing before considering provision for children and young people who are looked after in out of home care There is also a final section that focuses on best practice in communicating and working with children and young people drawing on participatory rights oriented and resilience based approaches and supporting foster and adoptive carers and biological parents Contributing in a substantive and clear manner to a growing international conversation about the present function and future directions for child welfare in contemporary societies this textbook will be of interest to undergraduate and postgraduate social work students and those from allied disciplines and professionals who are engaged in child welfare services

**Walking This Path Together, 3rd Edition** Gwendolyn Gosek,2025-04-29T00:00:00Z Canadian child welfare policies and practices have been central to maintaining a settler colonial nation by controlling and managing the childhoods and future lives of children While ostensibly grounded in the best interests of the child child welfare policies and practices far too often make the lives of young people more precarious because they are stratified along race and class lines rather than caring for their wellbeing There have been dire consequences for Indigenous communities but also for Black newcomer non citizen and poor people who are also disproportionately the primary focus of child welfare The contributors to this book reveal these unjust conditions so that workers can contribute to the ongoing transformation of child welfare to facilitate child wellbeing The third edition of Walking This Path Together continues the transformative vision of the first two editions and charts a new way forward There are several new chapters and authors who focus on M tis kinship protocols family group conferencing decolonizing child

welfare and the criminalization of newcomers refugee children and Indigenous youth in care They demonstrate how to bring forward transformative practices to moving child welfare into a truly new decolonial era This transformative vision is the path that we are walking      **Encyclopedia of World Religions** Encyclopaedia Britannica, Inc.,2008-05-01 A guide to the religions of the world and to the concepts movements people and events that have shaped them It includes features such as entries on religious movements and concepts historical and legendary figures divinities religious sites and ceremonies images that show sacred places vestments rituals objects and texts and more      [A Question of Commitment](#) Thomas Waldock,2020-04-09 With the adoption of the United Nations Convention on the Rights of the Child 1989 commentators began to situate the evolution of the status of children within the context of the property to persons trajectory that other human rights stories had followed In the first edition of A Question of Commitment editors R Brian Howe and Katherine Covell provided a template of analysis for understanding this evolution They identified three overlapping stages of development as children transitioned from being regarded as objects to subjects in their own right social laissez faire paternalistic protection and children s rights In the social laissez faire stage children are regarded as objects and largely as the property of parents In the paternalistic protection stage children are seen as vulnerable and in need of protection The children s rights stage lays emphasis on children as rights bearers as individuals in their own right with entitlements In this second edition new essays assess the extent to which children s rights have been incorporated into their respective areas of policy and law The authors draw conclusions about what the situation reveals about the status of children in Canada Overall many challenges remain on the pathway to full recognition and citizenship      **Trauma, Spirituality, and Posttraumatic Growth in Clinical Social Work Practice** Heather M. Boynton,Jo-Ann Vis,2022-04-27 Trauma and the exposure to traumatic events is part of life making the need for current and informed social work research and training in this area essential Trauma Spirituality and Posttraumatic Growth in Clinical Social Work Practice highlights unique and diverse circumstances throughout a client s lifecycle where trauma is experienced how one s spirituality is awakened or activated and how this experience can intersect with interventions toward posttraumatic growth PTG More than just a primer on trauma effects the book offers social workers insights into how to properly assess current resources and individual levels of distress It also provides practical strategies on how spirituality and spiritual practices can be integrated into psychotherapeutic interventions at various levels of social work practice Addressing the impact of trauma related events and emphasizing the importance of spirituality the book will inspire and provide transferable knowledge that social workers can use to meet the unique needs of the clients families and communities they serve      **Children's Rights** Ursula Kilkelly,2017-07-05 The articles in this volume shed light on some of the major tensions in the field of children s rights such as the ways in which children s best interests and respect for their autonomy can be reconciled challenges such as how the CRC can be made a reality in the lives of children in the face of ignorance apathy or outright opposition and critiques

whether children's rights are a Western imposition or a successful global consensus Along the way the writing covers a myriad of issues encompassing the opposition to the CRC in the US gay parenting Dr Seuss's take on children's autonomy the voice of neonates on their health care the role of NGO in supporting child labourers in India and young people in detention and more

**Oxford Textbook of Global Public Health** Roger Detels, Quarraisha Abdool Karim, Fran Baum, Liming Li, Alastair H. Leyland, 2022 Invaluable for all practitioners trainees and students of public health and epidemiology the Oxford Textbook of Global Public Health covers the scope methods and practice of public health and has been comprehensively updated for its seventh edition

International Handbook of Psychological Well-Being in Children and Adolescents Bonnie Kaul Nastasi, Amanda P. Borja, 2015-09-19 This handbook addresses universal developmental and cultural factors contributing to child and adolescent mental health and well being across the globe It examines sociocultural contexts of development and identifies children's and adolescents perspectives as critical to understanding and promoting their psychological well being It details the Promoting Psychological Well Being Globally project's methodology for data collection and analysis provides cross cultural analyses of its findings and offers a practical model for clinicians and other professionals seeking to apply this knowledge to real life settings Featured topics include Sexual health gender roles and psychological well being in India Psychological well being as a new educational boundary in Italy Mapping psychological well being in Romania Youth perspectives on contributing factors to psychological well being in Sri Lanka Culturally specific resilience and vulnerability in Tanzania Longing for a balanced life the voices of Chinese American immigrant youth in the United States The International Handbook of Psychological Well Being in Children and Adolescents Bridging the Gaps Between Theory Research and Practice is an invaluable resources for researchers clinicians scientist practitioners and graduate students in child and school psychology social work public health positive psychology educational policy and politics and maternal and child health
