**Grasslands**, 2006      **The New North American Studies** Winfried Siemerling, 2005 Winner of the English Book Award Grand Prix du Livre 2006 de la Ville de Sherbrooke In this original and groundbreaking study Winfried Siemerling examines the complexities of recognition and identity rejecting previous nationalized thinking to approach North American cultural transformations from transnational and interdisciplinary perspectives Using material from the United States and Canada as case studies and drawing on a wide range of texts and theorists he examines postcoloniality and cultural emergence from the sixties to the present against earlier backgrounds Siemerling's argument for a retheorization of the field takes on the full history of multiculturalism debates including radical readings of W E B Du Bois and Charles Taylor and their relation to G W F Hegel and challenging many of the models of multiculturalism in use today Tackling controversial subjects such as identity politics The New North American Studies proposes a fresh outlook on the most central issues of North American cultural politics from debates on canon formation to the role of racial and linguistic difference Concluding with a look at the future of cultural difference Winfried Siemerling's study is an innovative rethinking of the whole field of North American Studies

**Forthcoming Books** Rose Arny, 1992      *Dance in US Popular Culture* Jennifer Atkins, 2023-07-21 This innovative textbook applies basic dance history and theory to contemporary popular culture examples in order to examine our own ways of moving in and through culture By drawing on material relevant to students Dance in US Popular Culture successfully introduces students to critical thinking around the most personal of terrain our bodies and our identities The book asks readers to think about what embodied knowledge we carry with us and how we can understand history and society through that lens what stereotypes and accompanying expectations are embedded in performance related to gender and or race for

instance how such expectations are reinforced negotiated challenged embraced or rescripted by performers and audiences how readers articulate their own sense of complex identity within the constantly shifting landscape of popular culture how this shapes an active sense of their everyday lives and how this can act as a springboard towards dismantling systems of oppression Through readings questions movement analyses and assignment prompts that take students from computer to nightclub and beyond Dance in US Popular Culture readers develop their own cultural sense of dance and the moving body s sociopolitical importance while also determining how dance is fundamentally applicable to their own identity This is the ideal textbook for high school and undergraduate students of dance and dance studies in BA and BfA courses as well as those studying popular culture from interdisciplinary perspectives including cultural studies media studies communication studies theater and performance studies Chapter 11 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution CC BY 4.0 license

*Footprints Across America* Michael McMonagle, 2013-11-13 Inspired by the adventures of a hardy nineteenth century Irish emigrant to America Mic Mac Gabhann who detailed his exploits in the Irish language book *Rotha Mór an tSaoil* Michael McMonagle undertakes an epic journey to retrace his steps Following his journey from New York to the Klondike Gold Rush he traverses the Great Plains the Rocky Mountains of Montana and the vast Alaskan wilderness As he compares the America that Mic encountered in the late nineteenth century with that of the twenty first century the author provides a unique perspective on a very different America *Footprints Across America* weaves the two journeys together and highlights the strong links between both eras We are brought to historic places like Butte and Dawson City mining ghost towns Native American reservations ranch houses and isolated Alaskan villages We are dragged up mountains and down rivers In these out of the way places the voices of cowboys shamans exotic dancers soldiers chancers miners and Native Americans emerge to paint an insightful picture of life in America today while the author also paints a compelling picture of the life of an immigrant caught up in the excitement of the Gold Rush

*Managing Religious Diversity in the Workplace* Stefan Gröschl, Regine Bendl, 2016-03-09 Many observers propose the exclusion of all religious related aspects from organizational life others promote a more tolerant approach of certain practices symbols and ceremonies and few commentators highlight the values diverse religious beliefs and experiences that employees could bring to the organization Arguments conclusions and recommendations are often contradictory and inconclusive due to the complexity and dividing nature of religion diversity In *Managing Religious Diversity in the Workplace* the editors present a selection of essays conceptual papers empirical studies and case studies about how religious diversity and spirituality are managed The book explores how firms address organizational and managerial challenges deriving from the religion diverse backgrounds of their employees The different contributions discuss policies and practices how implicit and unmarked religious norms influence the managing of religious issues in organizations and what the benefits of a religion diverse workforce are It also includes contributions which address aspects of spirituality in the

workplace and the role of legal frameworks and their influence on organizations and their policies and practices regarding religion diversity The perspectives and contributions include a wide range of disciplines by authors from leading academic institutions around the world     **Epistemic Justice and Creative Agency** Sarah Colvin,Stephanie Galasso,2022-09-12 Foundational theories of epistemic justice such as Miranda Fricker s have cited literary narratives to support their case But why have those narratives in particular provided the resource that was needed And is cultural production always supportive of epistemic justice This essay collection written by experts in literary philosophical and cultural studies working in conversation with each other across a range of global contexts expands the emerging field of epistemic injustice studies The essays analyze the complex relationship between narrative aesthetics and epistemic in justice referencing texts film and other forms of cultural production The authors present without seeking to synthesize perspectives on how justice and injustice are narratively and aesthetically produced This volume by no means wants to say the last word on epistemic justice and creative agency The intention is to open out a productive new field of study at a time when understanding the workings of injustice and possibilities for justice seems an ever more urgent project     *The Horn Book Guide to Children's and Young Adult Books* ,1991     **The Great Astrolabe Reef** Alexandra Siy,1992 Color photos help to tell the story of this delicate coral ecosystem     **Ancient Forests** Alexandra Siy,1991 Describes the life cycles of Douglas Firs in the Pacific Northwest as they relate to ecological issues such as species diversity and air and water filtration
