

NATIVE AMERICAN SPIRITUALITY

A Critical Reader
EDITED BY LEE IRWIN

Native American Spirituality A Critical Reader

Dennis Kelley

Native American Spirituality A Critical Reader:

Native American Spirituality Lee Irwin, 2000-01-01 This volume offers a stimulating multidisciplinary set of essays by noted Native and non Native scholars that explore the problems and prospects of understanding and writing about Native American spirituality in the twenty first century Considerable attention is given to the appropriateness and value of different interpretive paradigms for Native religion including both traditional religion and Native Christianity The book also investigates the ethics of religious representation issues of authenticity the commodification of spirituality and pedagogical practices Of special interest is the role of dialogue in expressing and understanding Native American religious beliefs and practices A final set of essays explores the power of and reactions to Native spirituality from a long term historical perspective

The Appropriation of Native American Spirituality Suzanne Owen, 2011-10-20 Native Americans and Canadians are largely romanticised or sidelined figures in modern society Their spirituality has been appropriated on a relatively large scale by Europeans and non Native Americans with little concern for the diversity of Native American opinions Suzanne Owen offers an insight into appropriation that will bring a new understanding and perspective to these debates This important volume collects together these key debates from the last 25 years and sets them in context analyses Native American objections to appropriations of their spirituality and examines New Age practices based on Native American spirituality The Appropriation of Native American Spirituality includes the findings of fieldwork among the Mi Kmaq of Newfoundland on the sharing of ceremonies between Native Americans and First Nations which highlights an aspect of the debate that has been under researched in both anthropology and religious studies that Native American discourses about the breaking of protocols rules on the participation and performance of ceremonies is at the heart of objections to the appropriation of Native American spirituality

Native American Spirituality ,1998 **Native American Performance and Representation** S. E. Wilmer, 2011-11-01 Native performance is a multifaceted and changing art form as well as a swiftly growing field of research Native American Performance and Representation provides a wider and more comprehensive study of Native performance not only its past but also its present and future Contributors use multiple perspectives to look at the varying nature of Native performance strategies They consider the combination and balance of the traditional and modern techniques of performers in a multicultural world This collection presents diverse viewpoints from both scholars and performers in this field both Natives and non Natives Important and well respected researchers and performers such as Bruce McConachie Jorge Huerta and Daystar Rosalie Jones offer much needed insight into this quickly expanding field of study This volume examines Native performance using a variety of lenses such as feminism literary and film theory and postcolonial discourse Through the many unique voices of the contributors major themes are explored such as indigenous self representations in performance representations by nonindigenous people cultural authenticity in performance and representation and cross fertilization between cultures Authors introduce important though sometimes

controversial issues as they consider the effects of miscegenation on traditional customs racial discrimination Native women s position in a multicultural society and the relationship between authenticity and hybridity in Native performance An important addition to the new and growing field of Native performance Wilmer s book cuts across disciplines and areas of study in a way no other book in the field does It will appeal not only to those interested in Native American studies but also to those concerned with women s and gender studies literary and film studies and cultural studies Native American and Chicano/a Literature of the American Southwest Christina M. Hebebrand,2004-08-02 This book studies Native American and Chicano a writers of the American Southwest as a coherent cultural group with common features and distinct efforts to deal with and to resist the dominant Euro American culture A Companion to the Anthropology of American Indians Thomas Biolsi,2008-04-15 This Companion is comprised of 27 original contributions by leading scholars in the field and summarizes the state of anthropological knowledge of Indian peoples as well as the history that got us to this point Surveys the full range of American Indian anthropology from ecological and political economic questions to topics concerning religion language and expressive culture Each chapter provides definitive coverage of its topic as well as situating ethnographic and ethnohistorical data into larger frameworks Explores anthropology s contribution to knowledge its historic and ongoing complicities with colonialism and its political and ethical obligations toward the people studied Tradition, Performance, and Religion in Native America Dennis Kelley,2015-05-08 In contemporary Indian Country many of the people who identify as American Indian fall into the urban Indian category away from traditional lands and communities in cities and towns wherein the opportunities to live one s identity as Native can be restricted and even more so for American Indian religious practice and activity Tradition Performance and Religion in Native America Ancestral Ways Modern Selves explores a possible theoretical model for discussing the religious nature of urbanized Indians It uses aspects of contemporary pantribal practices such as the inter tribal pow wow substance abuse recovery programs such as the Wellbriety Movement and political involvement to provide insights into contemporary Native religious identity Simply put this book addresses the question what does it mean to be an Indigenous American in the 21st century and how does one express that indigeneity religiously It proposes that practices and ideologies appropriate to the pan Indian context provide much of the foundation for maintaining a sense of aboriginal spiritual identity within modernity Individuals and families who identify themselves as Native American can participate in activities associated with a broad network of other Native people in effect performing their Indian identity and enacting the values that are connected to that identity *Fleshing the Spirit* Elisa Facio,Irene Lara,2014-04-10 *Fleshing the Spirit* brings together established and new writers to explore the relationships between the physical body the spirit and spirituality and social justice activism The anthology incorporates different genres of writing such as poetry testimonials critical essays and historical analysis and stimulates the reader to engage spirituality in a critical personal and creative way *The Peyote Road* Thomas C. Maroukis,2012-11-08 Despite challenges by the federal government to restrict the use of

peyote the Native American Church which uses the hallucinogenic cactus as a religious sacrament has become the largest indigenous denomination among American Indians today The Peyote Road examines the history of the NAC including its legal struggles to defend the controversial use of peyote Thomas C Maroukis has conducted extensive interviews with NAC members and leaders to craft an authoritative account of the church's history diverse religious practices and significant people His book integrates a narrative history of the Peyote faith with analysis of its religious beliefs and practices as well as its art and music and an emphasis on the views of NAC members Deftly blending oral histories and legal research Maroukis traces the religion's history from its Mesoamerican roots to the legal incorporation of the NAC its expansion to the northern plains Great Basin and Southwest and challenges to Peyotism by state and federal governments including the Supreme Court decision in *Oregon v Smith* He also introduces readers to the inner workings of the NAC with descriptions of its organizational structure and the Cross Fire and Half Moon services The Peyote Road updates Omer Stewart's classic 1987 study of the Peyote religion by taking into consideration recent events and scholarship In particular Maroukis discusses not only the church's current legal issues but also the diminishing Peyote supply and controversies surrounding the definition of membership Today approximately 300 000 American Indians are members of the Native American Church The Peyote Road marks a significant case study of First Amendment rights and deepens our understanding of the struggles of NAC members to practice their faith

Teaching Mysticism William B. Parsons, 2011-12-16 The term mysticism has never been consistently defined or employed either in religious traditions or in academic discourse The essays in this volume offer ways of defining what mysticism is as well as methods for grappling with its complexity in a classroom This volume addresses the diverse literature surrounding mysticism in four interrelated parts The first part includes essays on the tradition and context of mysticism devoted to drawing out and examining the mystical element in many religious traditions The second part engages traditions and religious cultural strands in which mysticism is linked to other terms such as shamanism esotericism and Gnosticism The volume's third part focuses on methodological strategies for defining mysticism with respect to varying social spaces The final essays show how contemporary social issues and movements have impacted the meaning study and pedagogy of mysticism *Teaching Mysticism* presents pedagogical reflections on how best to communicate mysticism from a variety of institutional spaces It surveys the broad range of meanings of mysticism its utilization in the traditions the theories and methods that have been used to understand it and provides critical insight into the resulting controversies

Appropriating the Past Geoffrey Scarre, Robin Coningham, 2013 An international and multidisciplinary team addresses significant ethical questions about the rights to access manage and interpret the material remains of the past

Rhetoric and Religion in the Twenty-First Century Michael-John DePalma, Paul Lynch, Jeff Ringer, 2023-11-10 Expanding the scope of religious rhetoric Over the past twenty five years the intersection of rhetoric and religion has become one of the most dynamic areas of inquiry in rhetoric and writing studies One of few volumes to include multiple traditions in one conversation

Rhetoric and Religion in the Twenty First Century engages with religious discourses and issues that continue to shape public life in the United States This collection of essays centralizes the study of religious persuasion and pluralism considers religion s place in U S society and expands the study of rhetoric and religion in generative ways The volume showcases a wide range of religious traditions and challenges the very concepts of rhetoric and religion The book s eight essays explore African American Buddhist Christian Indigenous Islamic and Jewish rhetoric and discuss the intersection of religion with feminism race and queer rhetoric along with offering reflections on how to approach religious traditions through research and teaching In addition the volume includes seven short interludes in which some of the field s most accomplished scholars recount their experiences exploring religious rhetorics and invite readers to engage these exigent lines of inquiry By featuring these diverse religious perspectives Rhetoric and Religion in the Twenty First Century complicates the field s emphasis on Western Hellenistic and Christian ideologies The collection also offers teachers of writing and rhetoric a range of valuable approaches for preparing today s students for public citizenship in our religiously diverse global context

Native American Freemasonry Joy Porter,2019-11-01 Freemasonry has played a significant role in the history of Native Americans since the colonial era a role whose extent and meaning are fully explored for the first time in this book The overarching concern of Native American Freemasonry is with how Masonry met specific social and personal needs of Native Americans a theme developed across three periods the revolutionary era the last third of the nineteenth century and the years following the First World War Joy Porter positions Freemasonry within its historical context examining its social and political impact as a transatlantic phenomenon at the heart of the colonizing process She then explores its meaning for many key Native leaders for ethnic groups that sought to make connections through it and for the bulk of its American membership the white Anglo Saxon Protestant middle class Through research gleaned from archives in New York Philadelphia Oklahoma California and London Porter shows how Freemasonry s performance of ritual provided an accessible point of entry to Native Americans and how over time Freemasonry became a significant avenue for the exchange and co creation of cultural forms by Indians and non Indians

Women's Studies in Religion Kathleen McIntosh,Kate Bagley,2017-09-19 Women s Studies in Religion A Multicultural Reader uses essays written by today s most respected feminist voices to examine the impact of contemporary feminism on the practice and study of religion Many in the field have expressed the need for a reader that is both accessible to undergraduates who have little background in the study of religion and that shows the transforming impact of feminism on the religious lives of American women This book meets that need Sovereignty, Separatism, and Survivance Benjamin D. Carson,2009-01-14 This collection broad in its scope explores rich and multi faceted literary works by and about Native Americans from the long early American period to the present What links these essays is a concern for the ways in which Native Americans have navigated negotiated and resisted dominant white ideology since the founding of the Republic Importantly these essays are historically situated and consider not only the ways in which indigenous peoples

are represented in American literature and history but pay much needed attention to the actual lived experiences of Native Americans inside and outside of native communities By addressing cross cultural protest resistance to dominant white ideology the importance to Natives of land and land redress sovereignty separatism and cultural healing Sovereignty Separatism and Survivance contributes to our understanding of the discrepancy between ideological representations of native peoples and the real life consequences those representations have for the ways in which indigenous peoples live out their daily lives

The Anthropology of Religion, Magic, and Witchcraft Rebecca L. Stein, Philip L. Stein, Benjamin R. Kracht, Marjorie M. Snipes, 2024-07-16 This concise and accessible textbook introduces students to the anthropological study of religion It examines religious expression from a cross cultural perspective and exposes students to the complexities of religion in small scale and complex societies The chapters incorporate key theoretical concepts and a wide range of ethnographic material The fifth edition of *The Anthropology of Religion Magic and Witchcraft* offers a revised introduction covering the foundations of the anthropology of religion anthropological methods and a push toward decolonizing the anthropology of religion expanded coverage of symbols healing wizardry and the intersections of religion with other social institutions new case study material with examples drawn from around the globe especially from Indigenous communities marginalia in each chapter introducing provocative small case examples related to the chapter many of these can be used as prompts for further research small in class case studies or examples for hands on learning a new chapter on religion and healing especially useful for Anthropology programs without representation of four fields as it provides a wider and more interdisciplinary application of the discipline a consistent review of foundations from chapter to chapter linking material and enabling students to connect what they are learning throughout the course and further resources via a comprehensive companion website including interactive activities critical case studies updated study questions bibliographical suggestions including video and color images This is an essential guide for students encountering the anthropology of religion for the first time and also for those with an ongoing interest in this fascinating field

Blackfoot Religion and the Consequences of Cultural Commoditization Dr Kenneth Hayes Lokensgard, 2013-06-28 This book explores the exchange of Blackfoot medicine bundles within contemporary Blackfoot culture and between the Blackfoot Peoples and Euro Americans These ceremonial bundles which are circulated as gifts in their native context are robbed of their statuses as living beings or persons when they are treated as symbolic objects or commodities by cultural outsiders Much of the original ethnographic data presented in this book deals with the attempts of some Blackfeet to repatriate ceremonial materials from Euro American hands This book represents a valuable study of contemporary Blackfoot religion as well as the repatriation movement Kenneth Lokensgard also contributes to the studies of material culture and exchange central to his investigation is the critical examination and reapplication of the interpretative terms gift and commodity Careful use of these terms Lokensgard argues can better help scholars appreciate how different peoples perceive the worlds they inhabit

Challenges for Christian

Faith Clifford Chalmers Cain, 2021-05-07 The famed thinker and writer C S Lewis addressed issues that were paramount and pressing for religious persons in his time In this volume and in honor of Lewis experts in their fields examine topics and challenges that face Christians living their faith today Originally delivered as invited public lectures in a decade long series The Annual C S Lewis Legacy Lectures at Westminster College in Missouri they include faith and reason theological imagination religion and ecology the life and thought of Dietrich Bonhoeffer antisemitism Native American spirituality science and religion racism and poverty in the ministry and social action of Martin Luther King Jr misconceptions of Islam religious pluralism and religion and violence The authors argue that these issues must be acknowledged and confronted in order for Christianity to remain or to become relevant in the current century **We Have a Religion** Tisa Joy Wenger, 2009 For Native Americans religious freedom has been an elusive goal From nineteenth century bans on indigenous ceremonial practices to twenty first century legal battles over sacred lands peyote use and hunting practices the U S government has often act **Religion and Healing in America** Linda L. Barnes, Susan S. Sered, 2005 Americans have long been aware of the phenomenon loosely known as faith healing During the 1990s the American cultural landscape changed and religious healing became a commonplace feature in our society This is a look at this new reality
