method of discourse which Howe terms Choctalking Drawing on interdisciplinary methodologies and theories Squint complicates prevailing models of the Native South by proposing the concept of the Interstate South a space in which Native Americans travel physically and metaphorically between tribal national and U S boundaries Squint considers Howe s engagement with these interconnected spaces and cultures as well as how indigeneity can circulate throughout them This important critical work which includes an appendix with a previously unpublished interview with Howe contributes to ongoing conversations about the Native South positioning Howe as a pivotal creative force operating at under examined points of contact between Native American and southern literature *Tales of the Old Indian Territory and Essays on the Indian Condition* John Milton Oskison,2012-06-01 At the beginning of the twentieth century Indian Territory which would eventually become the state of Oklahoma was a multicultural space in which various Native tribes European Americans and African Americans were equally engaged in struggles to carve out meaningful lives in a harsh landscape John Milton Oskison born in the territory to a Cherokee mother and an immigrant English father was brought up engaging in his Cherokee heritage including its oral traditions and appreciating the utilitarian value of an American education Oskison left Indian Territory to attend college and went on to have a long career in New York City journalism working for the New York Evening Post and Collier s Magazine He also wrote short stories and essays for newspapers and magazines most of which were about contemporary life in Indian Territory and depicted a complex multicultural landscape of cowboys farmers outlaws and families dealing with the consequences of multiple interacting cultures Though Oskison was a well known and prolific Cherokee writer journalist and activist few of his works are known today This first comprehensive collection of Oskison s unpublished autobiography short stories autobiographical essays and essays about life in Indian Territory at the turn of the twentieth century fills a significant void in the literature and thought of a critical time and place in the history of the United States *Keywords for Southern Studies* Jennifer Rae Greeson,2016-08-15 In *Keywords for Southern Studies* editors Scott Romine and Jennifer Rae Greeson have compiled an eclectic collection of new essays that address the fluidity of southern studies by adopting a transnational interdisciplinary focus The essays are structured around critical terms pertinent both to the field and to modern life in general The nonbinary nontraditional approach of *Keywords* unmask and refutes standard binary thinking First World Third World self other for instance that postcolonial studies revealed as a flawed rhetorical structure for analyzing empire Instead *Keywords* promotes a holistic way of thinking that begins with southern studies but extends beyond **Remembering Histories of Trauma** Gideon Mailer,2022-03-24 *Remembering Histories of Trauma* compares and links Native American First Nation and Jewish histories of traumatic memory Using source material from both sides of the Atlantic it examines the differences between ancestral experiences of genocide and the representation of those histories in public sites in the United States Canada and Europe Challenging the ways public bodies have used those histories to frame the cultural and political identity of regions states and nations it considers the effects of those representations on

internal group memory external public memory and cultural assimilation Offering new ways to understand the Native Jewish encounter by highlighting shared critiques of public historical representation Mailer seeks to transcend historical tensions between Native American studies and Holocaust studies In linking and comparing European and American contexts of historical trauma and their representation in public memory this book brings Native American studies Jewish studies early American history Holocaust studies and museum studies into conversation with each other In revealing similarities in the public representation of Indigenous genocide and the Holocaust it offers common ground for Jewish and Indigenous histories and provides a new framework to better understand the divergence between traumatic histories and the ways they are memorialized
