[Lightnings to Spitfires](#) Clive Rowley, 2022-01-15 A former fighter pilot chronicles his career flying for the Royal Air Force for over four decades in this action packed memoir For forty four years Clive Rowley flew with the Royal Air Force and for thirty one of those years he specialized as an air defense fighter pilot Such was his love of fast fighter aircraft that in order to stay flying he transferred to Specialist Aircrew terms of service relinquishing any chance of further promotion above his rank of squadron leader During those years Clive flew Lightnings Hawks and Tornado F 3s but perhaps more intriguingly for eleven years he flew Hurricanes and Spitfires with the Battle of Britain Memorial Flight BBMF the RAF s if not the world s most famous warbird display team which he ultimately led and commanded Many readers will have watched him perhaps unknowingly as he flew these iconic aircraft often alongside the Lancaster at air shows and large scale commemorations around the UK and Europe During the Cold War Clive flew the BAC Lightning from G tersloh in Germany and in the UK becoming an expert in the art of air combat in the process Then for sixteen years he flew the Tornado F 3 as the RAF moved into expeditionary operations Packed with humorous and often hair raising anecdotes but also revealing the shock and sorrow he felt at the deaths of friends and colleagues this book is a highly detailed account of life as a fighter pilot in the RAF in the last three decades of the twentieth century and into the twenty first Clive is open about the fears he sometimes felt in this dangerous world and how he allayed them to continue flying for more than four decades This book is illustrated with wonderful photographs from his time on the front line as well as with the BBMF many of which have never been published before If you have ever

provided aid to the civil power during the 1997 Quebec and Eastern Ontario ice storm disaster and the COVID 19 pandemic. The Montreal based battalion continues to serve Canada in its traditional role as a reserve infantry unit and to this day Black Watch soldiers frequently deploy on dangerous missions abroad. In volume 1 readers will learn of the Black Watch's origins, its first foreign enterprise the South African War and a detailed account of the Great War where the regiment evolved from the 5th Royal Highlanders to become the Canadian Black Watch as they were known throughout the empire. The Montreal regiment trained four battalions for overseas duty three of which participated in the greatest battles of the First World War an unprecedented accomplishment. This volume not only offers a critical analysis of campaigns, key actions and tactical evolution but also includes an intimate and compelling account of the sacrifices that forged this extraordinary regiment. In volume 2 we are offered the story of the bloody battlefields of the Second World War when the Black Watch joined Commonwealth regiments to defeat the Axis Powers. After a quick mobilization in 1939 and a long wait in England the Black Watch experienced a baptism by fire at Dieppe Landing in Normandy. After D Day the regiment fought in France, Belgium, the Netherlands and Germany, its distinguished service earning numerous honours. As well as discussing these military engagements, Jarymowycz reveals the many difficulties with recruiting, training, recovering from devastating battles, communicating with higher command and the quality and scarcity of reinforcements. Volume 3 relates the regiment's post Second World War story. Canada's commitments to NATO and the United Nations led to the creation of two regular battalions of the Black Watch while retaining the reserve battalion in Montreal. From 1953 to 1970 in Korea, Germany, Cyprus and Canada the regular battalions served with devotion and courage. The thousands of men who were based at Camp Aldershot, Nova Scotia and the Regimental Depot in Sussex, New Brunswick then moved to establish a Regular Force Home Station in the newly constructed Camp Gagetown, NB. These units earned a reputation second to none in efficiency, training, fighting ability, readiness and strength. This monumental history of Canada's oldest Highland regiment is at once a record of Scottish heritage, a portrait of Montreal rising as an industrial giant and an examination of the emergence of a military culture from the Western Front. *Choice*, 1986
