Howard M. Hensel

Nato Looks South New Challenges And New Strategies In The Mediterranean:

NATO Looks South Ian O. Lesser, 2000 The security environment facing the United States and NATO in Europe is changing in fundamental ways including a steady growth of security challenges emanating from Europe's southern periphery around the Mediterranean and beyond This study explores this phenomenon with special attention to transregional risks Turkey's Alliance role and need for redefinition the risk of a Greek Turkish conflict the Mediterranean dimension of NATO adaptation and what these issues might mean for U S and NATO strategy The author finds that Spain Italy and Turkey will be key to supporting expeditionary operations in the south military to military ties will require new efforts a portfolio approach to access arrangements can provide a hedge against uncertainties about coalition behavior in crises bilateral air power activities in the south should have increased NATO content and Greek Turkish risk reduction is an imperative Areas for future research include lessons of Kosovo for basing and access the role of air power based in Turkey and potential USAF contributions to Greek Turkish risk reduction

Strengthening Maritime Security Through Cooperation I. Chapsos, C. Kitchen, 2015-07-30 Seventy percent of our planet is covered by water and even in today's world of instant communication the global community is still heavily reliant on sea based transport The maritime domain has always been one of NATO's key strengths but concerns about maritime security have taken on renewed importance in recent years and NATO has been forced to re-examine some of its fundamental assumptions about the post Cold War security environment This book shares some of the research debates and findings from a NATO Advanced Research Workshop ARW Building Trust to Enhance Maritime Security held in Geneva Switzerland in November 2014 The chapters in the book deal extensively with lessons learned by NATO from a wide range of policies operations and situations This maritime experience has been amassed from the Atlantic and Mediterranean to the Baltic and the Black Sea and even into the Indian Ocean as well as from the four decades spent defending NATO allies on the high seas during the Cold War The single most profound lesson learned over the years has concerned the importance of efficient coordination Structures and mechanisms have been created not least in recent counter piracy operations which enable a vast array of actors to work together in an efficient way and which could prove invaluable in future efforts to counter terrorism and aggression worldwide The safety of the maritime domain is essential to the freedom and security of all nations and this book will be of interest to all those whose work involves maintaining that freedom and security

Security and Environment in the Mediterranean Hans Günter Brauch, Peter H. Liotta, Antonio Marquina, Paul F. Rogers, Mohammad El-Sayed Selim, 2012-12-06 In this volume security specialists peace researchers environmental scholars demographers as well as climate desertification water food and urbanisation specialists from the Middle East and North Africa Europe and North America review security and conflict prevention in the Mediterranean They also analyse NATO's Mediterranean security dialogue and offer conceptualisations on security and perceptions of security challenges as seen in North and South The latter half of the book analyses environmental security and

conflicts in the Mediterranean and environmental consequences of World War II the Gulf War the Balkan wars and the Middle East conflict It also examines factors of global environmental change population growth climate change desertification water scarcity food and urbanisation issues as well as natural disasters Furthermore it draws conceptual conclusions for a fourth phase of research on human and environmental security and peace as well as policy conclusions for cooperation and partnership in the Mediterranean in the 21st century *Globalization and Environmental Challenges* Hans Günter Brauch,Úrsula Oswald Spring,Czesław Mesjasz,John Grin,Pál Dunay,Navnita Chadha Behera,Béchir Chourou,Patricia Kameri-Mbote,P. H. Liotta,2008-01-23 Put quite simply the twin impacts of globalization and environmental degradation pose new security dangers and concerns In this new work on global security thinking 91 authors from five continents and many disciplines from science and practice assess the worldwide reassessment of the meaning of security triggered by the end of the Cold War and globalization as well as the multifarious impacts of global environmental change in the early 21st century

All for One: Terrorism, NATO and the United States Tom Lansford,2018-02-06 This title was first published in 2002 This detailed examination of the role of the Transatlantic Alliance in support of the America led military and intelligence operations against the Taliban and the Al Qaida network since the terrorist attacks on the United States provides the first in depth analysis of NATO s historic first invocation of Article V of the Washington Treaty Including a substantial overview of NATO s place in the broad security framework of the Western Atlantic powers and both the shared history and ideals that form its common basis the book specifically analyzes the political machinations behind the decision to invoke Article V and the impact of political differences among the Alliance partners The book also looks at efforts to prevent future incidents by expanding the security framework of the Alliance An essential reference source for military and foreign policy academics courses and practitioners this text offers the reader an unprecedented insight into NATO s response to this most significant event *Evaluating NATO Enlargement* James Goldgeier,Joshua R. Itzkowitz Shiffrinson,2023-02-24 Mobilizing an interdisciplinary group of scholars and practitioners this book reviews the history and consequences of NATO s post Cold War enlargement into Central and Eastern Europe It offers a nuanced discussion of the merits and drawbacks of NATO enlargement across the different actors involved and compares the results of the policy against potential alternatives that were not chosen Particular attention is given to NATO enlargement s influence on the course of U S foreign policy democracy and security in Central and Eastern Europe NATO s own development as a political and military institution and relations with China and Russia including the 2022 Russia Ukraine War Written for an engaged audience the book is designed to appeal to students researchers and policymakers alike while offering both policy insights and avenues for future scholarship

Euro-Mediterranean Security: A Search for Partnership Sven Biscop,2017-11-22 This title was first published in 2003 This work provides a clearer understanding of the EU s approach towards security in the Mediterranean After examining the EU s interests and the potential threats to security in the region it analyzes EU security policy towards the region as a whole

through the Euro Mediterranean Partnership and towards all disputes and conflicts in the area It recommends opening up the European Security and Defence Policy to Mediterranean participation in order to establish a deep and equitable security partnership between both shores The book argues that this way the EU could implement its innovative comprehensive and co operative approach to security Rather than focusing on the military aspect alone this approach takes into account all dimensions of security political socio economic cultural and ecological and is based on partnership rather than confrontation It therefore contrasts quite sharply with the policies advocated in the US National Security Strategy

U.S. Policy in the Eastern Mediterranean United States. Congress. House. Committee on International Relations. Subcommittee on Europe, 2001

Zones of Conflict Vassilis K. Fouskas, 2003-02-20 The US has major interests in the Balkans the Greater Middle East and the Eurasian zone which determine its political and military strategies in the region What are these interests and what strategies are used to ensure that they are maintained Examining the balance of power between the US the EU and key EU states Vassilis Fouskas offers a critique of US foreign policy and its underlying motivations Fouskas argues that the major US objectives include control over gas and oil producing zones safe transportation of energy to Western markets at stable prices and the elimination but not destruction of America s Eurasian competitors He asserts that US foreign policy is therefore driven by the desire to maintain a strategic partnership with key EU states while preventing the emergence of an alternative coalition in Eurasia capable of challenging US supremacy How does the US manage its interests in Eurasia and what are the particular strategies the EU has elaborated so far to deal with America s supremacy Has US foreign policy undergone a dramatic U turn after the end of the Cold War or for that matter after September 11th What are the roles of Germany France Britain and Turkey and how do EU Cyprus relations affect the balance of power This book tackles these questions and argues that the emergence of a social democratic administration in Eurasia is a feasible alternative to American unilateralism

NATO Review ,1996

NATO Jennifer Medcalf, 2012-12-01 A thorough and straightforward overview of the full spectrum of NATO s military and non military activities since the Cold War this accessible study also provides valuable insight into the issues and problems facing NATO in the post 9 11 and post Iraq War world Author Jennifer Medcalf clearly and concisely discusses each of the main areas on NATO s agenda and also looks at the future of the organization

The Stryker Brigade Combat Team Alan J. Vick, David T. Orletsky, Bruce R. Pirnie, Seth G. Jones, 2002-12-24 Examines alternative means to decrease the deployment time for the new Army medium weight brigade comparing air and sealift from the United States with air and fast but short range sealift from forward bases or preposition sites Historical experience and an assessment of U S regional interests are used to determine how much warning time the United States typically has before major force deployments and where it is most likely to deploy such forces

The United States and Europe: Policy Imperatives in a Globalizing World Howard M. Hensel, 2017-11-22 This title was first published in 2002 This provocative volume explores key aspects of the contemporary relationship between the United States and the

European powers as they attempt to address common issues as the international community enters a new millennium Representing diverse perspectives opinions analyses and recommendations regarding the regional and global problems and opportunities confronted by both the United States and the Europeans the book is particularly suitable for scholars and policy makers alike who contribute to ongoing discussions concerning this critical relationship

The Future of Turkish Foreign Policy Lenore G. Martin, 2004 Turkish foreign policy and its implications for Eurasian security *The East and the Idea of Europe* Pekka Korhonen, Katalin Miklóssy, 2010-09-13 In this volume the authors examine the mutual relationship of the East and Europe within the Eurasian geopolitical space They investigate how people to the East of Europe understand themselves vis vis Europe how they have processed European influences and how states in the East compete with the West The East is a strong rhetorical metaphor efficiently colouring something as non European or not essentially European Studies in this volume examine the linguistic techniques that are used in erecting social and political boundaries and how they are eventually demolished The main focus is on turning points of time and transitional periods where the stability of status quo and maintenance of traditional values have been questioned both in history and at present All analysis is strictly based on original language sources which are interpreted with thorough social cultural and historical expertise The main conceptual tool used for analysis is the binarity of boundaries Binarity or the use of boundary creating dichotomies is constantly used in public discussion and political strategies to structure geopolitical space create imperial power plays and competing centre periphery formations The empirically strong social and cultural expertise of the authors and their multidisciplinary use of geopolitical theory in conjunction with new linguistically inspired analytical tools create a highly original perspective on the Eurasian political space The book is a significant contribution to studies on Europe and its neighbourhood

Defense and Security Karl DeRouen Jr., Uk Heo, 2005-09-27 An authoritative up to date examination of the national security and defense policies of 50 influential nations and regions across the globe Defense and Security A Compendium of National Armed Forces and Security Policies presents highly readable authoritative essays profiling the defense and security policies of over 50 individual countries and regions with a focus on present day developments Written by leading national and international scholars and edited by eminent political science experts Karl DeRouen and Uk Heo the essays take an in depth look at each nation s current security situation defense spending present and potential military confrontations civil military relations alliances relations to terrorism and other topics of importance Historical events and conflicts are highlighted as well with emphasis on the post Cold War era The essays are parallel in structure allowing readers to pinpoint similarities and draw comparisons among nations The two volume set also includes a detailed introduction featuring a cross national comparison

Historical Dictionary of U.S. Diplomacy since the Cold War Tom Lansford, 2007-09-10 The post Cold War diplomacy of the United States evolved in stages that reflected changes in the international system Through the 1990s the nation s foreign affairs were marked by an evolution away from the post World War II focus on security and superpower competition

to a more multifaceted and nuanced series of policies that included economic concerns social and cultural issues and environmental matters However an escalating series of terrorist attacks that culminated in the 11 September 2001 strikes on New York and Washington D C led to the reemergence of security as the main foreign policy issue for the United States The subsequent American led war on terror mirrored the Cold War in its goals and the administration of President George W Bush endeavored to build a multinational counterterrorism coalition that paralleled the Western alliance of the bipolar era

The Historical Dictionary of U S Diplomacy Since the Cold War is a concise overview of the main figures conflicts events and policies of the United States in the post Cold War era The study explores the main elements of U S foreign policy and the regional and international reaction to American policies from the presidency of George H W Bush to that of George W Bush Through its entries the book analyzes the underlying themes of U S diplomacy and the new policies formulated and implemented in response to broad changes in global politics The book includes a chronology of events from 1991 to 2007 an introduction that highlights important themes of the era cross referenced entries on significant topics a detailed bibliography and appendixes of major documents The work is ideal for both public and academic libraries the general public or the specialist looking for a reference tool in this area

Almost NATO Charles Krupnick, 2003 This work examines Eastern Europe's security situation and specifically explores NATO's relationship with Slovakia Bulgaria Ukraine and the Baltic states all non members but each with its own expectations for membership and relationship to the organization

Greek-Turkish Relations in an Era of Détente Barry Rubin, Ali Çarkoglu, 2020-05-04 Greek Turkish conflict ridden relations have long occupied a problematic position in the Western alliance first in NATO then more dramatically within the context of the newly developing European Union and its defence initiatives Following three major earthquakes on both sides of the Aegean the two countries have now experienced firstly a public empathy towards each other and secondly a significant diplomatic rapprochement This rapprochement though has failed to resolve the Cyprus conflict and is now at risk of reverting back to a series of conflicts This book addresses the crucial issues between Greece and Turkey from a critical perspective and provides an up to date assessment of the current state of the Greek Turkish rapprochement and its future development This book was previously published as a special issue of the journal *Turkish Studies*

Turkey and the EU Harun Arikan, 2017-03-02 The relationship between Turkey and the European Union is an important issue in European integration With the EU beginning accession talks with Turkey this is a vital moment for the future as the EU deals with a central question that has been on the agenda for over forty years Turkey's membership Since the first edition EU Turkey relations have clearly taken different directions There have been considerable developments in Greek Turkish relations the Cyprus issue the domestic politics of Turkey including human rights and the protection of minorities and the changing security environment post 9 11 Furthermore recent enlargement has been an important turning point for the EU This extended and revised edition addresses these major developments and assesses the implications of Turkish membership for the current EU structures The

book is a timely addition to the existing literature for students and academics of European and Middle Eastern Studies

Nato Looks South New Challenges And New Strategies In The Mediterranean Introduction

In the digital age, access to information has become easier than ever before. The ability to download Nato Looks South New Challenges And New Strategies In The Mediterranean has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Nato Looks South New Challenges And New Strategies In The Mediterranean has opened up a world of possibilities. Downloading Nato Looks South New Challenges And New Strategies In The Mediterranean provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Nato Looks South New Challenges And New Strategies In The Mediterranean has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Nato Looks South New Challenges And New Strategies In The Mediterranean. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Nato Looks South New Challenges And New Strategies In The Mediterranean. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Nato Looks South New Challenges And New Strategies In

The Mediterranean, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Nato Looks South New Challenges And New Strategies In The Mediterranean has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
