Natos Nuclear Dilemmas

RJ Alexander

Natos Nuclear Dilemmas:

NATO's Nuclear Dilemmas David N. Schwartz, 1983 Forfatteren var forsker ved the Brookings Institution og bogen handler om alle de militære og politiske omstændigheder de nationale s rstandpunkter og de f lles forsvarsinteresser der gennem tiden havde vet indflydelse p NATO s nukleare planl gning

NATO's Nuclear Dilemmas David N. Schwartz, 1983 Forfatteren var forsker ved the Brookings Institution og bogen handler om alle de militære og politiske omstændigheder de nationale s rstandpunkter og de f lles forsvarsinteresser der gennem tiden havde vet indflydelse p NATO s nukleare planl gning

The Nuclear Dilemma In American Strategic Thought Robert E. Osgood, 2019-06-18 Since the end of World War II the United States has faced moral and strategic issues in its management of force that are unique in the history of international politics At the heart of these issues is the heavy reliance of the United States and its allies on the deterrent effect of nuclear weapons and the fact that their use would very likely lea

NATO's Conventional Defences Stephen J. Flanagan, 1988-10-07 A review of the full range of recent official and non official schemes for improving NATO s conventional posture from exploitation of emerging technologies to non provocative defences in the light of prevailing military political economic and demographic trends

North Atlantic Treaty Organization Phil Williams, 2024-11-01 This volume consists of major books written in the English language on NATO as well as an extensive listing of journal articles that deal with various aspects of the Alliance All the major debates that have taken place over the last forty years are discussed

Understanding NATO in the 21st Century Graeme P. Herd, John Kriendler, 2013 Understanding NATO in the 21st Century enhances existing strategic debates and clarifies thinking as to the direction and scope of NATO s potential evolution in the 21st century The book seeks to identify the possible contours and trade offs embedded within a potential third Transatlantic Bargain in the context of a U S strategic pivot in a Pacific Century To that end it explores the internal adaptation of the Alliance evaluates the assimilation of NATO s erstwhile adversaries and provides a focus on NATO s operational future and insights into the new threats NATO faces and its responses Each contribution follows a similar broad tripartite structure an examination of the historical context in which the given issue or topic has evolved an identification and characterization of key contemporary policy debates and drivers that shape current thinking and on that basis a presentation of possible future strategic pathways or scenarios relating to the topic area This book will appeal to students of NATO international security and international relations in general

Nato At Forty James R. Golden, 2019-03-04 This book addresses the evolving role of North Atlantic Treaty Organization NATO It seeks to answer whether NATO is capable of adjusting to changes in the forces that have held it together and have made it the centerpiece of the national security strategies of its members

Transforming NATO in the Cold War Andreas Wenger, Christian Nuenlist, Anna Locher, 2006-11-22 The first comprehensive history of NATO in the 1960s based on the systematic use of multinational archival evidence This new book is the result of a gathering of leading Cold War historians from both sides of the Atlantic

including Jeremi Suri, Erin Mahan and Leopoldo Nuti. It shows in great detail how the transformation of NATO since 1991 has opened up new perspectives on the alliance's evolution during the Cold War. Viewed in retrospect, the 1960s were instrumental to the strengthening of NATO's political clout, which proved to be decisive in winning the Cold War even more so than NATO's defense and deterrence capabilities. In addition, it shows that NATO increasingly served as a hub for state, institutional, transnational and individual actors in that decade. Contributions to the book highlight the importance of NATO's ability to generate soft power, the scope and limits of alliance consultation, the important role of common transatlantic values and the growing influence of small allies. NATO's survival in the crucial 1960s provides valuable lessons for the current bargaining on the purpose and cohesion of the alliance. This book will be of much interest to students of international history, Cold War studies and strategic studies. *NATO, 1979: NATO Doctrine, Strategy, and Readiness* Charles W. Harper, 1983

NATO (Not for Individual Sale) G. Schmidt, 2019-06-12 *NATO The First 50 Years* offers the first comprehensive study of the institution's activities and development over the past five decades. Written by a team of international scholars, it analyses the factors which have made NATO the most successful politico-military alliance in history. It also addresses the perennial problems of transatlantic relationships, the problems that the Alliance grapples with today. A wide-ranging and masterful survey, *NATO The First 50 Years* will be a useful reference work for researchers as well as an accessible guide for students.

Securing Europe's Future Stephen J. Flanagan, Fen Osler Hampson, 2021-01-26 This book, first published in 1986, analyses a number of emerging, enduring and neglected issues that affected European security and the stability of the Atlantic Alliance at the end of the Cold War. It provides a comprehensive review of the major political, social and economic issues that shaped the course of European security. It offers a thorough assessment of such critical questions as European views of the US Strategic Defense Initiative, the contribution of new technologies and tactics to NATO's conventional defence capabilities and domestic factors that influenced security policy. It also provides original analysis of a number of issues such as economic dimensions of security, the quest for a European defence identity and protection of Western interests outside the NATO area. It provides a review of the nuclear question and of the German security debate in the aftermath of the initial US INF missile deployments. **Strategic Review**, 1996 dedicated to the advancement and understanding of those principles and practices, military and political, which serve the vital security interests of the United States. *Policy Studies Review Annual* Ray C. Rist, 1984-11-01 Presenting outstanding, carefully selected research and analysis in the evolving field of policy studies, this series provides a selection of the finest policy writing available. Distinguished contributors explore decisionmaking and policy orientations in a wide variety of areas including social welfare, education, policy implementation, civil liberties, economic regulation, foreign policy, federal funding, the environment and public health care. *Policy Studies Review Annual* is a valuable reference for social scientists, legislators, policy makers and professionals and students concerned with the policy decision process.
