The House That God Built Zebedee King, 2016-02-27 By looking at the nightly news and simply observing for themselves the denigration of homes and communities across our country many would agree that family foundations are cracking and shifting out of place This has resulted in untold devastation within the home and our other social systems

therefore many households and lives have simply given way and collapsed under the weight of a host of societal pressures Many believe that a generation of social experimentation along with our cultures fixation at redefining virtually every foundational institution especially the first human institution marriage are responsible for placing the family and society on very shaky ground indeed leaving a very dubious moral and economic legacy for successive generations When cracks begin to appear upon the walls of a house it may indicate a shifting or damaged foundation which may indicate poor foundation work As a result builders typically reexamine the blueprints the master plan to determine the manner and materials with which the house and foundations built in order to pinpoint and repair a weak or damaged foundation It is the authors conviction that in many households within society weak or faulty spiritual and moral foundations have been laid resulting in the cultural cataclysm we witness throughout our land In his book *The House that God Built Gods Master Plan for Marriage and His Blueprint for Blessing Book One of his Strong Foundation for Strong Families series* the author discusses the need for a RE Vision of marriage and the family but not by redefining replacing or removing these honorable foundations and pillars which have supported societies from the beginning of time Rather by employing the word RE Vision he calls for a refocus a fresh new look at Gods original design for the marriage and family This plan is found in Gods Holy Word specially the first two chapters of the Book of Genesis because this he feels is where marriage family and social systems began Therefore the book is a thorough exposition of the first chapters of Genesis which explore the motivations and the methods through which God Himself built His house the heavens and the earth This study provides keen spiritual and practical insights as to how we can build our homes according to Gods plans so as to receive His best blessings upon our homes and upon our communities

This Gospel of the Kingdom Shall Be Preached Frank L. Schoonover DD, 2020-04-01 Man is born a sinner and man sins because he is a sinner and the life man has is a life of sin and man cannot stop sinning because the life of man is a life of sin and it is a life called a living soul of a life of sin The life of the living soul has to be eradicated through death to the self life of the living soul of sin and the living soul of sin must be killed or destroyed through death to the self life of the living soul of sin and this life of the living soul of sin must be replaced by the life giving Spirit of God called the Holy Spirit by way of being begotten by the Holy Spirit of God into this sinless life of the deity of the Holy Spirit so man may live forever and ever This is what my book is all about In this book as in all my books I always search for truth Truth is an overwhelming factor with God because Jesus is truth living in the redeemed flesh of a natural man John 14 verse 6
