Challenges and Innovations in Speaking

Assessment Larry Davis, John M. Norris, 2024-09-19 The assessment of second language speaking ability has played a central role in the evolution of language testing theory and practice Educational Testing Service ETS has been a primary innovator in all dimensions of speaking assessment since the 1970s addressing critical challenges through the advent of new test designs scoring practices and measurement technologies to make especially large scale standardized testing of speaking ability a reality This volume presents a sample of key ETS research and development efforts related to speaking assessment over the years The contributors highlight diverse contributions to conceptualizing the speaking construct designing speaking test tasks scoring speech samples marshalling technologies for test delivery and automated scoring and developing end to end speaking assessment procedures The first part emphasizes how some of the earliest large scale speaking assessments were designed and put into practice The second part features research and development related to speaking assessments in the TOEIC and TOEFL testing suites emphasizing their validity and scoring The third part introduces research based innovations in testing new and more nuanced speaking constructs and in using automated scoring of speech to address diverse assessment needs The volume will appeal to language testing professionals and test score users in illuminating how ETS has

influenced the development of speaking assessment as well as pointing to multiple directions for future research and practice

Washback in Language Testing Liying Cheng, Yoshinori Watanabe, WITH Andy Curtis, 2004-02-04 Washback refers to the influence of language testing on teaching and learning This volume at the important intersection of language testing and teaching practices presents theoretical methodological and practical guidance for current and future washback studies In the field of language testing researchers major interest has traditionally been focused on issues and solving problems inherent in tests in order to increase their reliability and validity However the washback effect goes well beyond the test itself to include factors such as curriculum teacher and learner behaviors inside and outside the classroom their perceptions of the test and how test scores are used Only recently have researchers started to empirically investigate the phenomenon of washback This volume of such research serves two essential purposes by providing an overview of the complexity of washback and the various contextual factors entangled within testing teaching and learning and presenting empirical studies from around the world that offer insights into the effects of washback in specific educational contexts and models of research on which future studies can be based The extensive use of test scores for various educational and social purposes in society nowadays makes the washback effect a high interest phenomenon in the day to day educational activities of teachers researchers program coordinators directors policymakers and others in the field of education Washback in Language Testing Research Contexts and Methods is a valuable resource for those who are interested in the application of findings to actual teaching and learning situations or conduct washback research in their own contexts including educational and psychological testing experts as well as alternative assessment people in all fields and for policy and decision makers in educational and testing organizations

The Routledge Handbook of Language Testing Glenn Fulcher, Fred Davidson, 2013-10-15 Winner of the SAGE ILTA Book Award 2016 The Routledge Handbook of Language Testing will provide a comprehensive account of the area of language assessment and testing Written by leading specialists from around the world this volume brings together approximately 35 authoritative articles around 8000 words each The proposed outline for the Handbook below is divided into ten sections The section titles reflect the contents of their Language Testing and Assessment textbook in our RAL series and sketch a useful overview of the discipline Each chapter has been carefully selected to relate to key issues raised in the respective topic providing additional historical background critical discussion reviews of key research methods and an assessment of what the future might hold

Becoming and Being an Applied Linguist Rod Ellis, 2016-10-03 *Becoming and Being an Applied Linguist* contains narrative accounts of the lives of thirteen well established applied linguists Their professional autobiographies document the development of some of the key areas of applied linguistics second language acquisition motivation grammar vocabulary testing second language writing second language classroom research practitioner research English as a lingua franca teacher cognition and computer assisted language learning The book tells how these applied linguists grew into their areas of specialization It will be of interest to any would be applied linguist The book also provides a readable overview of the

whole field that will be of value to students of applied linguistics Testing Academic Language Proficiency Marco Mezzadri, 2018-01-23 This book focuses on the development of the process of teaching and assessing foreign language competence for study purposes in a pluricultural and plurilingual context It addresses not only the individual who is learning the language for academic purposes LAP but also other stakeholders like teachers schools and universities and external boards such as examination boards for language testing The book highlights an ongoing research project at the University of Parma Italy aimed at developing teaching programs and evaluative tools for language for academic purposes Starting from a reflection upon the nature of language for study purposes stemming from the tradition of English for Academic Purposes it describes the model of an LAP test implemented in Italian secondary schools and universities and shows the findings concerning the performance in the test of both students whose mother tongue is Indo European and those who speak non Indo European languages Fairness and Validation in Language Assessment Antony John Kunnan, 2000-10-12 Fairness of language tests and testing practices has been a concern among test developers and test users The 19th annual Language Testing Research Colloquium held in 1997 in Florida brought this concern into focus The papers in this volume offer an introduction to fairness and validation in the field of language assessment **Rating EFL Written Performance** Katalin Bukta, 2014-09-18 The study focuses on the investigation of the process during which raters of EFL written performance make their decisions It consists of a pilot and a main study each of which concentrates on assessment of writing The rationale is to detect the decision making processes that raters follow which can be used for training raters and with which the reliability of rating can be improved The pilot study is based on data collected during a large scale language proficiency assessment of two age groups from learners of English and German languages Raters were asked to think aloud during the rating task Data was then transcribed and analysed The participants in the main study were novice raters who produced verbal protocols 37 EFL teacher trainees took part in rater training and practised think aloud protocol production Then they evaluated ten compositions written by EFL learners and verbalised their thought processes The verbal protocols served as a basis for data collection The analysis of data resulted in the conclusion according to which more reliable and objective assessment is possible when evaluating written performance **The Diagnosis of Reading in a Second or Foreign Language** J. Charles Alderson, Eeva-Leena Haapakangas, Ari Huhta, Lea Nieminen, Riikka Ullakonoja, 2014-10-03 The Diagnosis of Reading in a Second or Foreign Language explores the implications of language assessment research on classroom based assessment practices by providing an in depth look at the little examined field of diagnosis in second and foreign language reading This volume examines the development of second and foreign language reading and how subsequent research findings couched in this knowledge can help facilitate a more informed teaching approach in second and foreign language classrooms By contextualizing the latest in classroom settings and presenting implications for future research in this developing area of linguistics this book is an ideal resource for those studying and working in applied

linguistics second language acquisition and language assessment and education About the NPLA Series Headed by two of its leading scholars the series captures the burgeoning field of language assessment by offering comprehensive and state of the art coverage of its contemporary questions pressing issues and technical advances It is the only active series of its kind on the market and will include volumes on basic and advanced topics in language assessment public policy and language assessment and the interfaces of language assessment with other disciplines in applied linguistics Each text presents key theoretical approaches and research findings along with concrete practical implications and suggestions for readers conducting their own research or developmental studies

Current Trends in the Development and Teaching of the Four Language Skills Esther Usó Juan, Alicia Martínez Flor, 2006 Current Trends in the Development and Teaching of the four Language Skills builds connections from theory in the four language skills to instructional practices It comprises twenty one chapters that are grouped in five sections The first section includes an introductory chapter which presents a communicative competence framework developed by the editors in order to highlight the key role the four skills play in language learning and teaching The next four sections each represent a language skill Section II is devoted to listening Section III to speaking Section IV to reading and Section V to writing In order to provide an extensive treatment of each of the four skills each section starts with a theoretical chapter which briefly illustrates advances in the understanding of how each skill is likely to be learned and taught followed by four didactically oriented chapters authored by leading international specialists These pedagogical chapters deal specifically with four key topics 1 areas of research that influence the teaching of a particular skill 2 an overview of strategies or techniques necessary for developing a particular skill 3 an approach to the academic orientation of a particular skill and 4 unique aspects of teaching each skill Moreover all chapters incorporate two common sections pre reading questions at the beginning of the chapter in order to stimulate readers interest in its content and a section entitled suggested activities at the end of the chapter in order to allow readers put the ideas and concepts presented into practice The accessible style and practical focus of the volume make it an ideal tool for teachers teacher trainers and teacher trainees who are involved in teaching the four language skills in a second or foreign language context

Research Perspectives on English for Academic Purposes Matthew Peacock, John Flowerdew, 2001-03-15 This volume of specially commissioned articles examines theory and practice in EAP

Statistical Analyses for Language Assessment Book Lyle F. Bachman, 2004-11-18 Many classroom teachers and applied linguists find statistical analyses of test results or number crunching either inaccessible or incomprehensible The primary purpose of this book is to make statistical analyses accessible to those who may need to use and interpret language tests

Studying Speaking to Inform Second Language Learning Diana Boxer, Andrew D. Cohen, 2004-01-01 In a series of studies specially written for this volume Studying Speaking to Inform Second Language Learning offers the applied linguist research on spoken interaction in second and foreign languages and provides insights as to how findings from each of these studies may inform language pedagogy The volume offers an

interweaving of discourse perspectives speech acts speech events interactional analysis pragmatics and conversational analysis

English Language Assessment and the Chinese Learner Liying Cheng, Andy Curtis, 2010-03-17 This volume addresses a very timely and important topic and provides both broad and in depth coverage of a number of large scale English tests in China including Hong Kong and Taiwan and about the Chinese learner Lyle F Bachman From the Foreword Building on current theoretical and practical frameworks for English language assessment and testing this book presents a comprehensive up to date relevant picture of English language assessment for students in China Mainland China Hong Kong and Taiwan and for Chinese learners of English around the world Written by well recognized international scholars in language testing it covers the history of tests and testing systems issues and challenges and current research in China both test designers and test users points of view on test development and test validation within a range of political economical social and financial contexts in China theoretical conceptual perspectives on the use of the English language assessment at different levels including societal university and schools empirical research related specifically to test development curricular innovation and test validation Given the long history of objective testing and its extensive use in Chinese society and considering the sheer number of students taking various tests in English in China and elsewhere an understanding of the impact of English language testing is essential for anyone involved in testing and assessment issues in China and elsewhere in the world This is a must read volume for testing and assessment policy makers curriculum designers researchers ESL EFL materials writers graduate students and English language teachers researchers at all levels

Issues in Computer-Adaptive Testing of Reading Proficiency Micheline Chalhoub-Deville, 1999 The focus of this book is computer based assessment of the receptive skills

New Decade Of Language Testing Research Selected Papers From The 1990 Language Testing Research

Colloquium Introduction

In the digital age, access to information has become easier than ever before. The ability to download New Decade Of Language Testing Research Selected Papers From The 1990 Language Testing Research Colloquium has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download New Decade Of Language Testing Research Selected Papers From The 1990 Language Testing Research Colloquium has opened up a world of possibilities. Downloading New Decade Of Language Testing Research Selected Papers From The 1990 Language Testing Research Colloquium provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading New Decade Of Language Testing Research Selected Papers From The 1990 Language Testing Research Colloquium has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download New Decade Of Language Testing Research Selected Papers From The 1990 Language Testing Research Colloquium. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading New Decade Of Language Testing Research Selected Papers From The 1990 Language Testing Research Colloquium. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading New Decade Of Language Testing Research Selected Papers From The 1990 Language Testing Research Colloquium, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download New Decade Of Language Testing Research Selected Papers From The 1990 Language Testing Research Colloquium has transformed the

~~way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have~~
become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About New Decade Of Language Testing Research Selected Papers From The 1990 Language Testing Research Colloquium Books

What is a New Decade Of Language Testing Research Selected Papers From The 1990 Language Testing Research Colloquium PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a New Decade Of Language Testing Research Selected Papers From The 1990 Language Testing Research Colloquium PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a New Decade Of Language Testing Research Selected Papers From The 1990 Language Testing Research Colloquium PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a New Decade Of Language Testing Research Selected Papers From The 1990 Language Testing Research Colloquium PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a New Decade Of Language Testing Research Selected Papers From The 1990 Language Testing Research Colloquium PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or

New Decade Of Language Testing Research Selected Papers From The 1990 Language Testing Research

Colloquium

~~desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size,~~
making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
