New Directions 47th Anthology James Laughlin, 1983-11 *We Moderns* Gotham Book Mart, 1940 **Story**, 1936

Diamond Stories Renée Rose Shield, 2018-07-05 Sequestered within the heart of a cosmopolitan city is an exotic world a place where diamonds astronomically priced are bought and sold on the strength of a handshake and business disputes are resolved according to ancient Jewish principles of arbitration Yet it is also a modern industry facing the same fundamental global changes affecting all businesses today In *Diamond Stories* Ren e Rose Shield leads us into the unexamined realm of wholesale diamond traders in New York Related to several well respected traders she had unprecedented access to a society normally closed to outside inquiry Here she deftly blends her personal relationship and her anthropological training to provide an insightful exploration of this tradition bound industry the new challenges it faces and the ways both industry and individuals adapt to and endure change Shield begins with a fascinating history of diamond mining combining the story of the De Beers cartel the role of Jews in the trade and the part diamonds have played both in war and liberation Throughout she incorporates commentary by current diamond traders Succeeding chapters explore the evolving nature of both the global trade and the New York diamond district Shield takes a close look at the increasingly complex ethnic makeup of the district illuminates the rarely documented work done by women chronicles the resilient system of arbitration and reveals the ways in which many traders work well into their eighties and nineties Their long lives of work cushioned by the trade s social environment offer hints for successful aging in general *The Centennial Anthology of North Dakota History, Journal of the Northern Plains* Janet Daley Lysengen, Ann M. Rathke, 1996 a selection of articles from the sixty two volumes of North Dakota history journal of the Northern Plains that began as the North Dakota historical quarterly in 1926 Pref *Poetry* Harriet Monroe, Morton Dauwen Zabel, George Dillon, Karl Shapiro, Henry Rago, Peter De Vries, Jessica North MacDonald, Marion Strobel, 1963 *New York Magazine*, 1990-03-12 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Counter-revolution of the Word* Alan Filreis, 2012-09-01 During the Cold War an unlikely coalition of poets editors and politicians converged in an attempt to discredit if not destroy the American modernist avant garde Ideologically diverse yet willing to bespeak their hatred of modern poetry through the rhetoric of anticommunism these anticommunist antimodernists as Alan Filreis dubs them joined associations such as the League for Sanity in Poetry to decry the modernist conspiracy against form and language In *Counter revolution of the Word* Filreis narrates the story of this movement and assesses its effect on American poetry and poetics Although the antimodernists expressed their disapproval through ideological language their hatred of experimental poetry was ultimately not political but aesthetic Filreis argues By

analyzing correspondence decoding pseudonyms drawing new connections through the archives and conducting interviews Filreis shows that an informal network of antimodernists was effective in suppressing or distorting the postwar careers of many poets whose work had appeared regularly in the 1930s Insofar as modernism had consorted with radicalism in the Red Decade antimodernists in the 1950s worked to sever those connections fantasized a formal and unpolitical pre Depression High Modern moment and assiduously sought to de radicalize the remnant avant garde Filreis s analysis provides new insight into why experimental poetry has aroused such fear and alarm among American conservatives Counter-Revolution of the Word (Volume 1 of 2) (EasyRead Large Bold Edition) , *Handbook of Child Language Disorders* Richard G.

Schwartz,2017-02-03 The acquisition of language is one of the most remarkable human achievements When language acquisition fails to occur as expected the impact can be far reaching affecting all aspects of the child s life and the child s family Thus research into the nature causes and remediation of children s language disorders provides important insights into the nature of language acquisition and its underlying bases and leads to innovative clinical approaches to these disorders This second edition of the Handbook of Child Language Disorders brings together a distinguished group of clinical and academic researchers who present novel perspectives on researching the nature of language disorders in children The handbook is divided into five sections Typology Bases Language Contexts Deficits Assessment and Intervention and Research Methods Topics addressed include autism specific language impairment dyslexia hearing impairment and genetic syndromes and their deficits along with introductions to genetics speech production and perception neurobiology linguistics cognitive science and research methods With its global context this handbook also includes studies concerning children acquiring more than one language and variations within and across languages Thoroughly revised this edition offers state of the art information in child language disorders together in a single volume for advanced undergraduate students and graduate students It will also serve as a valuable resource for researchers and practitioners in speech language pathology audiology special education and neuropsychology as well as for individuals interested in any aspect of language acquisition and its disorders **Monthly Supplement** ,1954 Gertrude Stein Gotham Book Mart,1964 *The Monthly Supplement* ,1954

New York Magazine ,1996-12-02 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Who's who in America** ,1954 **Writing New York** Phillip Lopate,1998 Includes bibliographical references **The Poetry Society of America Bulletin** ,1974 *The New Yorker* Harold Wallace Ross,William Shawn,Tina Brown,David Remnick,Katharine Sergeant Angell White,Rea Irvin,Roger Angell,1953 New York Magazine ,1972-06-26 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made

a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
