New Directions in Prose and Poetry James Laughlin, 1986 **New Directions 50**, 1936 *Vladimir Nabokov* Brian Boyd, 1991 The story of Nabokov's life continues with his arrival in the United States in 1940 He found that supporting himself and his family was not easy until the astonishing success of *Lolita* catapulted him to world fame and financial security

The Selected Letters of John Berryman John Berryman, 2020-10-13 A wide ranging first of its kind selection of Berryman's correspondence with friends loved ones writers and editors showcasing the turbulent fascinating life and mind of one of America's major poets The Selected Letters of John Berryman assembles for the first time the poet's voluminous correspondence Beginning with a letter to his parents in 1925 and concluding with a letter sent a few weeks before his death in 1972 Berryman tells his story in his own words Included are more than 600 letters to almost 200 people editors family members students colleagues and friends The exchanges reveal the scope of Berryman's ambitions as well as the challenges of practicing his art within the confines of the publishing industry and contemporary critical expectations Correspondence with Ezra Pound Robert Lowell Delmore Schwartz Adrienne Rich Saul Bellow and other writers demonstrates Berryman's sustained involvement in the development of literary culture in the postwar United States We also see Berryman responding in detail to the work of writers such as Carolyn Kizer and William Meredith and encouraging the next generation Edward Hoagland Valerie Trueblood and others The letters show Berryman to be an energetic and generous interlocutor but they also make plain his struggles with personal and familial trauma at every stage of his career An introduction by editors Philip Coleman and Calista McRae explains the careful selection of letters and contextualizes the materials within Berryman's career Reinforcing the critical and creative interconnectedness of Berryman's work and personal life The Selected Letters confirms his place as one of the most original voices of his generation and opens new horizons for appreciating and interpreting his poems

The Complete Short Stories of James Purdy James Purdy, 2013-07-15 Collected here for the first time are the complete short stories of a singular American visionary New York Times The publication of *The Complete Short Stories of James Purdy* is a literary event that marks the first time all of James Purdy's short stories fifty six in number including seven drawn from his unpublished archives have been collected in a single volume As prolific as he was unclassifiable James Purdy was considered one of the greatest and most underappreciated writers in America in the latter half of the twentieth century Championed by writers as diverse as Dame Edith Sitwell Gore Vidal Paul Bowles Tennessee Williams Carl Van Vechten John Cowper Powys and Dorothy Parker Purdy's vast body of work has heretofore been relegated to the avant garde fringes of the American literary mainstream His unique form and variety of style made the Ohio born Purdy impossible to categorize in standard terms though his unique mercurial talent garnered him a following of loyal readers and made him in the words of Susan Sontag one of the half dozen or so living American writers worth taking seriously Purdy's journey to recognition came with as much outrage and condemnation as it did lavish praise and lasting

admiration Some early assessments even dismissed his work as that of a disturbed mind while others acclaimed the very same work as healing and transformative Purdy's fiction was considered so uniquely unsettling that his first book *Don't Call Me by My Right Name* a collection of short stories all reprinted in this edition had to be printed privately in the United States in 1956 after first being published in England Best known for his novels *Malcolm Cabot* *Wright Begins* *Jeremy's Version* and *Eustace Chisholm* and the Works Purdy captured an America that was at once highly realistic and deeply symbolic a landscape filled with social outcasts living in crisis and longing for love characterized by his dark sense of humor and unflinching eye Love disillusionment the collapse of the family ecstatic longing sharp inner pain and shocking eruptions of violence pervade the lives of his characters in stories that anticipate both David Lynch and *Desperate Housewives* *Guardian In Color of Darkness* for example a lonely child attempts to swallow his father's wedding ring in *Eventide* the anguish of two sisters over the loss of their sons is deeply felt in the summer heat and in the gothic horror of *Mr Evening* a young man is hypnotized and imprisoned by a predatory old woman These stories and many others both haunting and hilarious form a canvas of deep desperation and immanent sympathy as Purdy narrates the inexorable progress toward disaster in such a way that it's as satisfying and somehow life affirming as progress toward a happy ending *Jonathan Franzen* It may have taken over fifty years but American culture is finally in sync with James Purdy As John Waters writes in his introduction Purdy far from the fringe has been dead center in the black little hearts of provocateur hungry readers like myself right from the beginning

New Directions in Prose and Poetry 50 James Laughlin, 1986 Since 1936 the New Directions in Prose and Poetry anthologies have served as vehicles for the presentation of new and variant trends in world literature

New Directions in Prose and Poetry James Laughlin, 1948 **Henry Miller and James Laughlin** Henry Miller, James Laughlin, 1996 You'd better read that if your morals can stand it Laughlin was so impressed with the book *Tropic of Cancer* that he promptly initiated a correspondence with Miller which soon turned into a publisher author relationship when Laughlin at Pound's urging founded New Directions in 1936

Guy Davenport and James Laughlin Guy Davenport, James Laughlin, 2007 Still with his life as entwined as it was with New Directions Laughlin speaks often and interestingly about some of the giants of the modern period most often Ezra Pound in whose work Davenport had a deep interest The most distinct aspect of their correspondence stems from the fact that although Laughlin ended up publishing some of Davenport's work their friendship was the primary force behind their letters More than simply detailing an author publisher relationship these letters depict two fine minds educating and supporting each other in the service of literature Jacket

Jenkins, 2008-04 Since at least the time of Plato's Republic the relationship between poetry and ethics has been troubled Through the prism of what has been called the new ethical criticism inspired by the work of Emmanuel Levinas G. Matthew Jenkins considers the works of Objectivists Black Mountain poets and Language poets in light of their full potential to reshape this ancient relationship American experimental poetry is usually read in either political or moral terms Poetic Obligation by contrast considers the poems of Louis Zukofsky Charles Reznikoff George Oppen Edward Dorn Robert Duncan Susan Howe and Lyn Hejinian in terms of the philosophical notion of ethical obligation to the Other in language Jenkins's historical trajectory enables him to consider the full breadth of ethical topics that have driven theoretical debate since the end of World War II This original approach establishes an ethical lineage in the works of twentieth century experimental poets creating a way to reconcile the breach between poetry and the issue of ethics in literature at large With implications for a host of social issues including ethnicity and immigration economic inequities and human rights Jenkins's imaginative reconciliation of poetry and ethics will provide stimulating reading for teachers and scholars of American literature as well as advocates and devotees of poetry in general Poetic Obligation marshals ample evidence that poetry matters and continues to speak to the important issues of our day
