New Directions In The Study Of Justice Law And Social Control:

New Directions in the Study of Justice, Law, and Social Control School of Justice Studies, 2013-11-11 The publication of this anthology culminates what began as a Visiting Distinguished Scholars Lecture Series sponsored by the School of Justice Studies When Dr John M Johnson was awarded the Arizona State University Graduate College's Distinguished Research Award for 1986-1987 the School faculty voted to use the accompanying stipend to bring several scholars to campus Each visiting scholar was commissioned to present an original paper on contemporary issues in justice and to meet with graduate students and faculty during a week long visit to campus This collection of essays promotes wide ranging conceptions of justice As first conceived we sought to bring an interdisciplinary perspective to the study of justice as a way of intellectually extending the current focus of research and teaching As it developed the collection permitted us to reflect on our own instructional program in law and the social sciences and to promote a conception of social conflict and control which includes social political economic and legal controls

New Directions in the Study of Justice School of Justice Studies, 2014-01-15 **Mirrors of Justice** Kamari Maxine Clarke, Mark Goodale, 2010 Mirrors of Justice is a groundbreaking study of the meanings of and possibilities for justice in the contemporary world The book brings together a group of both prominent and emerging scholars to reconsider the relationships between justice international law culture power and history through case studies of a wide range of justice processes The book's eighteen authors examine the ambiguities of justice in Europe Africa Latin America Asia the Middle East and Melanesia through critical empirical and historical chapters The introduction makes an important contribution to our understanding of the multiplicity of justice in the twenty first century by providing an interdisciplinary theoretical framework that synthesizes the book's chapters with leading edge literature on human rights legal pluralism and international law

The Social Structure of Right and Wrong Donald Black, 2014-05-10 The Social Structure of Right and Wrong focuses on formulations that predict and explain the nature of social control throughout the world and across history The publication first offers information on social control as a dependent variable crime as a social control and compensation and the social structure of misfortune Discussions focus on the theory of compensation traditional self help concept of social control varieties of normative behavior models of social control and quantity of normative variation The text then elaborates on social control of the self and elementary forms of conflict management The manuscript takes a look at the theory of third party and on taking sides including legal latent and slow partisanship social gravitation models of partisanship settlement roles partisanship in tribal societies and typology of third parties The text then examines the factors involved in making enemies as well as social repulsion moral evolution and third party and unilateral moralism The publication is a dependable source of data for sociologists and researchers interested in the social structure of right and wrong

Diversion and Informal Social Control Günter Albrecht (sociologia), Wolfgang Ludwig-Mayerhofer, 1995 Scholars from several countries discuss alternatives to traditional juvenile justice detailing theory

and practice in methods such as non intervention reintegrative shaming and victim offender mediation and looking at criminological ethical and legal aspects of such alternatives Of interest t **Under Sentence of Death** W. Fitzhugh Brundage,2017-11-01 From the assembled work of fifteen leading scholars emerges a complex and provocative portrait of lynching in the American South With subjects ranging in time from the late antebellum period to the early twentieth century and in place from the border states to the Deep South this collection of essays provides a rich comparative context in which to study the troubling history of lynching Covering a broad spectrum of methodologies these essays further expand the study of lynching by exploring such topics as same race lynchings black resistance to white violence and the political motivations for lynching In addressing both the history and the legacy of lynching the book raises important questions about Southern history race relations and the nature of American violence Though focused on events in the South these essays speak to patterns of violence injustice and racism that have plagued the entire nation The contributors are Bruce E Baker E M Beck W Fitzhugh Brundage Joan E Cashin Paula Clark Thomas G Dyer Terence Finnegan Larry J Griffin Nancy MacLean William S McFeely Joanne C Sandberg Patricia A Schechter Roberta Senechal de la Roche Stewart E Tolnay and George C Wright

Counseling and the Therapeutic State James J. Chriss, **The Canadian Criminal Justice System** Nick Larsen,1995 The administration of justice is an area of social policy that defies attempts to achieve a balance between order and the protection of the public and respect for individual rights The media contain daily accounts of the failure of the criminal justice system to repress crime It is within this social and legal context that this work is situated In addition to including a range of articles in the standard areas of policing courts and corrections recent articles deal with such controversial issues as aboriginal justice the recruitment of visible minorities by Canadian police forces and the role of women in the Canadian criminal justice system The collection concludes with a critical assessment of the retributive model that currently serves as the philosophical underpinnings of the Canadian criminal justice system **The Therapeutic Corporation** James Tucker,1999 A small but rapidly increasing number of contemporary organizations have adopted management structures that are less centralized and hierarchical than the traditional bureaucratic model In a growing corporate trend that is also expanding into many other areas of modern society these organizations are applying various therapeutic strategies of social control Contrarian Anthropology Laura Nader,2018-01-08 Analyzing the workings of boundary maintenance in the areas of anthropology energy gender and law Nader contrasts dominant trends in academia with work that pushes the boundaries of acceptable methods and theories Although the selections illustrate the history of one anthropologist s work over half a century the wider intent is to label a field as contrarian to reveal unwritten rules that sometimes hinder transformative thinking and to stimulate boundary crossing in others **Windows Into the Soul** Gary T. Marx,2016-05-31 In Windows into the Soul Gary T Marx sums up a lifetime of work on issues of surveillance and social control by disentangling and parsing the empirical richness of watching and being watched Ultimately Marx argues recognizing complexity and asking the right

questions is essential to bringing light and accountability to the darker more iniquitous corners of our emerging surveillance society Social Justice in Human Relations Volume 2 Herman Steensma, Riël Vermunt, 2013-06-29 Justice plays an important role in our culture The topic of justice has attracted the attention of scholars all over the world Beginning in 1985 a continuing series of international conferences on social justice in The Netherlands at which scientists present and discuss started papers exchange information and choose new roads to theory building In this volume a selection of papers presented at the International Conference on Social Justice in Human Relations Leiden 1986 is published There has been some refinement and improvement thanks to the comments made by experts in the field The chapters in this volume represent second and in some cases even third or fourth versions of the papers As organizers of the conference and editors of this volume we hope that the reader will be pleased by the content and the high quality of the chapters There is some diversity but there also are some common themes We have organized the chapters with respect to what we think are two important themes 1 behavioral and attitudinal reactions to injustice and 2 macrojustice These categories are not mutually exclusive for some chapters could have been placed in both categories Still we think the distinction between these themes has value

Justice Fragmented George C. Pavlich, George Pavlich, 1996 Exploring real life experiences of community mediation practices in Canada the author develops some of Foucault's central ideas on governmentality *The Executive Way* Calvin Morrill, 1996-10 What causes conflict among high level American corporate executives How do executives manage their conflicts Based on remarkably candid interviews with over two hundred executives and their support personnel Calvin Morrill provides an intimate portrait of these men and women as they cope with problems usually hidden from those outside their exclusive ranks Personal and corporate scandals compensation battles budget worries interdepartmental rivalries personal enmities and general rancor are among everyday challenges faced by executives Morrill shows that what most influences the way managers handle routine conflicts are the cultures created by their company's organizational structure whether there is a strong hierarchy a weak hierarchy or an absence of any strong central authority The issues most likely to cause conflict within corporations Morrill identifies as managerial style competition between departments and performance evaluations promotions and compensation Unprecedented in its direct access to top managers this ambitious and sophisticated portrayal of daily life and conflict management among corporate elites will be vital reading for professionals scholars and practitioners in organizational culture and behavior managerial decision making dispute social control law and society and organizational ethnography Information Technology and the Criminal Justice System April Pattavina, 2005 How has information technology changed the way we monitor criminal behavior How has it changed the way we examine patterns of criminal behavior How have criminal justice organizations adapted to using information technology What is the future of information in criminal justice There have been many technical analytical legal and organizational issues related to advances in computer and information technology over the past several decades Given the substantial investments that federal state and local

criminal justice agencies are making in information technology they now consider it an integral component of understanding how our criminal justice system works Information Technology and the Criminal Justice System suggests that information technology in criminal justice will continue to challenge us to think about how we turn information into knowledge who can use that knowledge and for what purposes In this text editor April Pattavina synthesizes the growing body of research in information technology and criminal justice Contributors examine what has been learned from past experiences what the current state of IT is in various components of the criminal justice system and what challenges lie ahead Key Features Covers a broad array of topics including IT development and applications in organizations data quality issues legal issues and criminal justice education Spans a variety of criminal justice agencies including courts police and corrections Includes contributors renowned in the field of criminal justice information systems Incorporates case studies to enhance students understanding of real life situations Information Technology and the Criminal Justice System is recommended for upper level undergraduate and graduate level courses in Criminal Justice departments including Information Technology and Criminal Justice Criminal Justice Data Analysis Crime Analysis Technology and Criminal Justice and Technology and Society This book is also an excellent resource for professionals in the field

Restorative Justice and Civil Society Heather Strang, John Braithwaite, 2001-05-02 Advocates of restorative justice question the state's ability to deliver satisfactory justice to the community both in criminal and other cases This collaborative 2001 volume looks at the burgeoning restorative justice movement and considers the relationship between restorative justice and civil society examining debates and exploring ideas about who should control restorative justice the state or civil society A diverse range of chapters written by leaders in the field engage with different aspects of restorative justice Genuinely international the book addresses aspects of civil society including schools families churches and private workplaces the women's movement victims of crime and indigenous groups It also considers broader issues such as democracy human rights access and equity A dynamic and provocative volume this book attempts to bring the ideals of restorative justice to life so that victims offenders their families and communities have more of a say in the justice process

Antisocial Behavior in Organizations Robert A. Giacalone, Jerald Greenberg, 1997 This intriguing new volume provides an understanding of the various forms of antisocial behavior in the workplace and how they can be identified and managed if not prevented altogether Antisocial Behavior in Organizations includes analysis of the role of frustration in antisocial behavior and discusses issues such as employee revenge aggression lying theft and sabotage Whistle blowing litigation and claiming are also explored as types of behavior that may be considered antisocial even though their stated goal is perhaps prosocial The book concludes by making connections between antisocial behavior and organizational climate addressing the need for modification in the workplace to reduce antisocial behavior Academics students and practitioners in the fields of management industrial organizational psychology sociology social psychology legal studies and criminal justice will appreciate this collection of original essays written by well respected experts

Radical and

Marxist Theories of Crime Paul B. Stretesky, 2017-03-02 The essays selected for this volume show how radical and Marxist criminology has established itself as an influential critique since it emerged in the late 1960s Unlike orthodox criminology which emphasizes individual level explanations of criminal behavior radical and Marxist criminology emphasizes power inequality and structures especially those related to class as key factors in crime law and justice This collection of essays draws attention to the way in which structural forces shape and influence both individual and institutional for example governmental behavior highlights neglected crime corporate governmental state corporate and environmental which causes more extensive damage than the street crimes examined by orthodox criminology and discusses the ways in which law and criminal justice processes reinforce power structures and contribute to class control

Gender and the Dysfunctional Workplace Suzy Fox, Terri R. Lituchy, 2012 Dysfunction in the workplace like a bully culture affects women and men differently This book represents a broad spectrum of disciplines including law management communications human resource management and industrial organizational psychology and offers integrative cross disciplinary inquiries into the many roles gender plays in organizational dysfunction The authors provoke new questions and new streams of research with the ultimate goal of contributing to healthier workplaces for men and women alike This book looks at counterproductive work behavior including aggression bullying incivility sexual harassment sexual orientation harassment and absenteeism and the effects of job stress on mental health and well being from the perspective of gender the gender of actors targets and observers of abusive interpersonal behaviors gender race interactions gender related characteristics of workplace conflict communication and stress socio economic factors such as occupational expectations and roles outside the workplace and ambiguities in the law Gender and the Dysfunctional Workplace brings together a broad multi disciplinary collection of authors who weigh in on topics from whether workplace bullying is status or gender blind to the ramifications of absenteeism on women and their careers These scholars contribute very different approaches and conceptualizations of counterproductive work behavior the result of which is a dynamic and pioneering appraisal of the field and innovative musings on its future Instructors students and researchers in the areas of counterproductive work behavior women s studies occupational health and stress and conflict resolution will find this an enlightening and thought provoking treatise on a topic that with the help of research like that found here will hopefully soon see less prevalence in the workplace and beyond

Racism in Contemporary America Meyer Weinberg, 1996-05-23 Racism in Contemporary America is the largest and most up to date bibliography available on current research on the topic It has been compiled by award winning researcher Meyer Weinberg who has spent many years writing and researching contemporary and historical aspects of racism Almost 15 000 entries to books articles dissertations and other materials are organized under 87 subject headings In addition there are author and ethnic racial indexes Several aids help the researcher access the materials included In addition to the subject organization of the bibliography entries are annotated whenever the title is not self explanatory An author index is followed by an ethnic racial index which makes it
