The War in Our Backyard Margit V. Wunsch

Gaarmann, 2015-02-18 The War in Our Backyard is a novel study of the German press textual and visual coverage of the wars in Bosnia 1992 1995 and Kosovo 1998 1999 Key moments from both wars have been selected and analysed using a broad range of publications reaching from far right to far left and including broadsheets a tabloid and a news magazine Two sections with parallel chapters form the core of the book the first part dealing with the war in Bosnia and the second with Kosovo Each section contains one chapter on the initial phase of the conflict one chapter on an important atrocity namely the Srebrenica Massacre in Bosnia and the Ra ak incident in Kosovo and lastly a chapter each on the international involvement which ended the immediate violence The book examines how the various events were covered what sources were used and what insights these examples of the German press conveyed Special attention has been paid to four key themes which emerged from the research Firstly the changing perceptions of the Serbian President Slobodan Milo evic and the issue of who was to blame for the conflicts secondly how various armed forces including the Yugoslav Peoples Army and the Kosovo Liberation Army were presented in the German press thirdly the persistent presence of the Second World War and the Holocaust in the coverage of the wars in Bosnia and Kosovo and how they shaped the press interpretation of the violence and lastly how Germany s role in the Balkans both in the realms of diplomacy and military intervention was evaluated by the national press Pictures and cartoons accompanying the textual coverage have been included to present a more rounded picture of press coverage

Foreign Policy in Comparative Perspective Ryan K. Beasley, Juliet Kaarbo, Jeffrey S.

Lantis, Michael T. Snarr, 2012-04-25 Widely regarded as the most comprehensive comparative foreign policy text Foreign Policy in Comparative Perspective has been completely updated in this much anticipated second edition Exploring the foreign policies of thirteen nations both major and emerging players and representing all regions of the world chapter authors link the study of international relations to domestic politics while treating each nation according to individual histories and contemporary dilemmas The book s accessible theoretical framework is designed to enable comparative analysis helping students discern patterns to understand why a state acts as it does in foreign affairs

Role Theory in International

Relations Sebastian Harnisch, Cornelia Frank, Hanns W Maull, 2011-04-06 Role Theory in International Relations provides a

comprehensive up to date survey of recent theoretical scholarship on foreign policy roles and extensive empirical analysis of role behaviour of a variety of states in the current era of eroding American hegemony Taking stock of the evolution of role theory within foreign policy analysis international relations and social science theory the authors probe role approaches in combination with IR concepts such as socialization learning and communicative action They draw upon comparative case studies of foreign policy roles of states the United States Japan PR China Germany France UK Poland Sweden and Norway and international institutions NATO EU to assess NATO s transformation the EU as a normative power as well as the impact of China s rise on U S hegemony under the Bush and Obama administrations The chapters also offer compelling theoretical arguments about the nexus between foreign policy role change and the evolution of the international society This important new volume advances current role theory scholarship offering concrete theoretical suggestions of how foreign policy analysis and IR theory could benefit from a closer integration of role theory It will be of great interest to all scholars and students of international relations foreign policy and international politics

Foreign Policy in the Twenty-First Century Christopher Hill, 2015-11-02 In the years since 9 11 followed by the wars in Iraq and Afghanistan public attention the world over has been on foreign policy From the United States to Yemen from China to Venezuela the quality of the decisions taken by politicians and diplomats has been under the closest scrutiny What is more with the increased personal mobility created by globalization many individuals and groups now focus as much on international events as on affairs within their own state Diasporas company managers humanitarian volunteers and other non state actors are aware of the necessity for effective diplomacy to secure the outcomes they hope for This revised and retitled new edition of the author s acclaimed *The Changing Politics of Foreign Policy* provides the concepts and analysis needed to make sense of contemporary developments in this key site of political action It provides a clear and engaging synthesis of what foreign policy means in the twenty first century and shows how it can vary according to regime level of development and geopolitical position Stressing the interplay between context and shared dilemmas it examines how actors including the many non and sub state entities which have developed international strategies engage and attempt to manage their differences within a network of complex multilateral relationships Written by a leading scholar of international renown this new edition has been updated throughout with particular attention given to contemporary issues such as soft power transnational security challenges and the role of regional actors such as the European Union New to this Edition Substantially revised and updated new edition of an extremely influential acclaimed and widely used foreign policy text Updated coverage of events and theory

Continuity and Change in German Politics Stephen Padgett, Thomas Poguntke, 2002 Over three decades Gordon Smith has written authoratively and with style on almost every aspect of German politics In this volume leading UK and German scholars use themes from his work in an examination of the evolution of German policy in the face of socio economic change globalisation European integration and the domestic upheaval of unification

Germany and Nuclear Weapons in the 21st Century Ulrich

Kühn,2024-03-12 This book is the first scholarly book to take a comprehensive look at Germany's nuclear weapons policies in the 21st century German foreign and security policy is facing a profound reorientation Great power competition between the United States and both a revanchist Russia and a rising China the return of war and nuclear threats to Europe and the emergence of new technologies all force Germany to adapt German policymakers and scholars increasingly speak of a pivotal *Zeitenwende* an epochal turning point in history How does Germany adapt its nuclear policies to these changing conditions The volume brings together internationally renowned nuclear scholars and policy analysts from Germany and abroad Focussing on German nuclear deterrence arms control and disarmament as well as nonproliferation policies the contributors assess how German leaders have navigated continuity and change domestically and abroad The volume concludes that Germany remains bound by dependence on the United States and its own conservatism Within these parameters German leaders have adapted slowly to change and continue to balance seemingly contradictory deterrence and disarmament goals This book will be of much interest to students of nuclear proliferation security studies German politics and International Relations as well as policymakers Fear and Uncertainty in Europe Roberto Belloni,Vincent Della Sala,Paul

Viotti,2018-08-02 Russia's intervention in the Ukraine Donald Trump's presidency and instability in the Middle East are just a few of the factors that have brought an end to the immediate post Cold War belief that a new international order was emerging one where fear and uncertainty gave way to a thick normative and institutional architecture that diminished the importance of material power This has raised questions about the instruments we use to understand order in Europe and in international relations The chapters in this book aim to assess whether foreign policy actors in Europe understand the international system and behave as realists They ask what drives their behaviour how they construct material capabilities and to what extent they see material power as the means to ensure survival They contribute to a critical assessment of realism as a way to understand both Europe's current predicament and the contemporary international system **Germany**

and the Common Foreign and Security Policy of the European Union A. Miskimmon,2007-09-20 This study assesses the influence of German policy makers on EU policy and the impact of EU membership on foreign policy making at the national level The book concludes that limitations remain on the Europeanization of German foreign and security policy and Germany's ability to play a leading role in military crisis management *Foreign policy in Comparative Perspective:*

Domestic and International Influences on State Behavior Ryan K. Beasley,2013 In this much anticipated revision of their unique text the editors bring together fifteen top scholars to highlight the importance of both internal and external forces in foreign policymaking Transnationalism and German-Language Literature in the Twenty-First Century Stuart

Taberner,2017-03-01 This book examines how German language authors have intervened in contemporary debates on the obligation to extend hospitality to asylum seekers refugees and migrants the terrorist threat post 9 11 globalisation and neo liberalism the opportunities and anxieties of intensified mobility across borders and whether transnationalism necessarily

implies the end of the nation state and the dawn of a new cosmopolitanism The book proceeds through a series of close readings of key texts of the last twenty years with an emphasis on the most recent works Authors include Ter zia Mora Richard Wagner Olga Grjasnowa Marlene Streeruwitz Vladimir Vertlib Navid Kermani Felicitas Hoppe Daniel Kehlmann Ilija Trojanow Christian Kracht and Christa Wolf representing the diversity of contemporary German language writing Through a careful process of juxtaposition and differentiation the individual chapters demonstrate that writers of both minority and nonminority backgrounds address transnationalism in ways that certainly vary but which also often overlap in surprising ways

The Palgrave Handbook of EU Crises Marianne Riddervold, Jarle Trondal, Akasemi Newsome, 2020-12-21 This handbook comprehensively explores the European Union's institutional and policy responses to crises across policy domains and institutions including the Euro crisis Brexit the Ukraine crisis the refugee crisis as well as the global health crisis resulting from COVID 19 It contributes to our understanding of how crisis affects institutional change and continuity decision making behavior and processes and public policy making It offers a systematic discussion of how the existing repertoire of theories understand crisis and how well they capture times of unrest and events of disintegration More generally the handbook looks at how public organizations cope with crises and thus probes how sustainable and resilient public organizations are in times of crisis and unrest

Transaction Costs and Security Institutions M. Weiss, 2011-04-12 Examines international cooperation in European security from a transaction cost economics perspective This book addresses the puzzle of how to approach differing institutional preferences It argues that the reduction and limitation of transaction costs was the primary determinant of security preferences

Germany and the European Union Simon Bulmer, William E. Paterson, 2018-11-08 Winner of the UACES Best Book Prize 2020 The jury commented It is impossible to study or understand European integration without understanding Germany's role and place in this This book is therefore a must read This new textbook offers a path breaking interpretation of the role of the European Union's most important member state Germany Analyzing Germany's domestic politics European policy relations with partners and the resultant expressions of power within the EU the text addresses such key questions as whether Germany is becoming Europe's hegemon and if Berlin's European policy is being constrained by its internal politics The authors both leading scholars in the field situate these questions in their historical context and bring the subject up to date by considering the centrality of Germany to the liberal order of the EU over the last turbulent decade in relation to events including the Eurozone crisis and the 2017 German federal election This is the first comprehensive and accessible guide to a fascinating relationship that considers both the German impact on the EU and the EU's impact on Germany This book is the ideal companion for undergraduate and postgraduate students who are studying the European Union or German Politics from the perspectives of disciplines as wide ranging as Politics European Union Studies Area Studies Economics Business and History It is also an essential resource for all those studying or practicing EU policy making and communication

The Union for the Mediterranean Federica Bicchì, Richard

Gillespie,2014-07-10 This is the first comprehensive analysis of the Union for the Mediterranean UfM launched in 2008 amid great controversy within the European Union Affected from the start by negative fallout from the failure of Middle East peace initiatives its inadequacies have been underlined by the popular movement for regime change in the Arab world Leading experts provide here the first integrated analysis of the significance and shortcomings of the UfM Beginning with critical questioning of the motives and institutional logics informing this venture the collection proceeds to analyse its key actors as well as major policy dossiers such as energy and development The book explains how and why an initiative aiming to depoliticize Euro Mediterranean relations in fact proved wide open to political discord bringing huge disruption to UfM activity While some aspects are found to have merit the volume is critical of the way in which EU Mediterranean policy became driven by a narrow range of national interests lost sight of the political objectives of the preceding Barcelona Process and became overwhelmingly bilateral in approach at the expense of more ambitious region building efforts It concludes by highlighting the need to reform the EU Mediterranean policy framework in the light of the Arab uprisings of 2011 This book was published as a special issue of Mediterranean Politics Britain, Germany and the Future of the European Union C.

Schweiger,2006-11-28 Schweiger outlines the changes in British and German European policies which have been characteristic of a process of normalization in both countries Schweiger examines possible areas for cooperation between Britain and Germany on major European issues and the significance that such a working partnership could have within the enlarged EU *Germany, Europe, and the Politics of Constraint* Kenneth Dyson,Klaus Goetz,2003-10-16 These essays examine the Europeanization of the political system of the Federal Republic of Germany across the polity politics and public policy dimensions The book s 17 chapters focus on three key themes the challenge to the power of Germany to determine the course of the integrationist project and to shape European public policies the increasing constraints in the domestic political arena associated with Europeanization and domestic contestation over both the constitutive politics of the EU and specific policy choices This volume is essential reading for students of comparative European politics and German studies **The**

Hour of Europe Josip Glaurdic,Josip Glaurdić,2011-01-01 By looking through the prism of the West s involvement in the breakup of Yugoslavia this book presents a new examination of the end of the Cold War in Europe Incorporating declassified documents from the CIA the administration of George H W Bush and the British Foreign Office evidence generated by The Hague Tribunal and more than forty personal interviews with former diplomats and policy makers Glaurdi exposes how the realist policies of the Western powers failed to prop up Yugoslavia s continuing existence as intended and instead encouraged the Yugoslav Army and the Serbian regime of Slobodan Milosevi to pursue violent means The book also sheds light on the dramatic clash of opinions within the Western alliance regarding how to respond to the crisis Glaurdi traces the origins of this clash in the Western powers different preferences regarding the roles of Germany Eastern Europe and foreign and security policy in the future of European integration With subtlety and acute insight The Hour of Europe provides a fresh

understanding of events that continue to influence the shape of the post Cold War Balkans and the whole of Europe

German Culture, Politics, and Literature Into the Twenty-first Century Stuart Taberner, Paul Cooke, 2006 This volume features sixteen thought provoking essays by renowned international experts on German society culture and politics that together provide a comprehensive study of Germany's postunification process of normalization Essays ranging across a variety of disciplines including politics foreign policy economics literature architecture and film examine how since 1990 the often contested concept of normalization has become crucial to Germany's self understanding Despite the apparent emergence of a new Germany the essays demonstrate that normalization is still in question and that perennial concerns notably the Nazi past and the legacy of the GDR remain central to political and cultural discourses and affect the country's efforts to deal with the new challenges of globalization and the instability and polarization it brings This is the first major study in English or German of the impact of the normalization debate across the range of cultural political economic intellectual and historical discourses Contributors Stephen Brockmann Jeremy Leaman Sebastian Harnisch and Kerry Longhurst Lothar Probst Simon Ward Anna Saunders Annette Seidel Arpacı Chris Homewood Andrew Plowman Helmut Schmitz Karoline Von Oppen William Collins Donahue Katharine Sch del Stuart Taberner Paul Cooke Stuart Taberner is Professor of Contemporary German Literature Culture and Society and Paul Cooke is Senior Lecturer in German Studies both at the University of Leeds
