**Between Three Worlds** John C.

Stephens,2023-02-10 This book explores the motif of the spiritual journey and its evolution in Western literature A spiritual journey can be broadly defined as a search for the divine Such a search can occur either internally as a psychological process or in some cases may involve an actual geographic journey Spiritual journeys can be conducted by individuals or groups In exploring this topic various kinds of texts will be reviewed including autobiographies novels and short stories as well as myths folktales and mystical writings The book classifies spiritual journey narratives into four categories theological journeys mystical journeys mythopoetic journeys and allegorical journeys Representative texts have been selected in the history of Western religious literature that illustrate the basic features of each of these four categories *What is Religion?* John F. Haught,1990 Surveys the history of religion identifies four ways of being religious and discusses secularism skepticism nihilism and humanism *Celtic Myth & Magick* Edain McCoy,2013-01-08 Tap into the mythic power of the Celtic goddesses gods heroes and heroines to aid your spiritual quests and magickal goals Human and divine energies complement each other when joined they become a potent catalyst for true magick and change Celtic Myth Magick describes the energies of over 300 cross referenced Celtic deities and heroic figures so you can quickly determine which one can best help you in attaining specific goals through magick such as greater prosperity Cernunnos glowing health Airmid or a soul partner Aengus MacOg This guidebook explains how to use creative Pagan ritual and pathworking to align yourself with the energy of these powerful archetypes Undertake three magickal quests to the inner plane where you ll join forces with Cuchulain Queen Maeve and Merlin the Magician to bring their energies directly into your life This inspiring well researched book is written especially for solitary Pagans who seek to expand the boundaries of their practice to form working partnerships with the divine *Environment and Religion in Ancient and Coptic Egypt: Sensing the Cosmos through the Eyes of the Divine* Alicia Maravelia,Nadine Guilhou,2020-10-01 Proceedings of a conference held in Athens in 2017 this volume presents 34 fresh and original papers plus 2 abstracts on ancient Egyptian religion environment and the cosmos Papers connect many interdisciplinary approaches including Egyptology archaeology archaeoastronomy geography botany zoology ornithology theology and history **Approaches to Greek Myth** Lowell Edmunds,2014-10-06 Segal on psychoanalytic interpretations In the Image of God Judith S. Antonelli,1997-02-01 In the Image of God A Feminist Commentary on the Torah is a unique blend of traditional Judaism and radical feminism and is a groundbreaking commentary on the Bible the central document of Jewish life Using classical Jewish sources as well as supplementary material from history anthropology sociology psychology ancient religion and feminist theory Judith Antonelli has examined in detail every woman and every issue pertaining to women in the Torah parshah by parshah The Torah is divided into fifty four portions each portion or parshah is read in the synagogue on the Sabbath combining a few to make a yearly cycle of readings This book is modeled on that structure hence there are fifty chapters each of which corresponds to a parshah One may therefore read this book from beginning to end or use it as a study guide for the parshah of the week The reader will discover in these pages that the Torah is not the root of

misogyny sexism or male supremacy Rather by looking at the Torah in the context in which it was given the pagan world of the ancient Near East it becomes clear that far from oppressing women the Torah actually improved the status of women as it existed in the surrounding societies Not only does this book refute the common feminist stereotype that Judaism is a patriarchal religion but it also refutes the sexism found in Judaism by exposing it as sociological rather than divine law **A Sampler of Jewish-American Folklore** Josepha Sherman,1992 In this American Folklore Series volume Josepha Sherman presents the rich and varied folklore of the American Jew This affectionate and unflinching examination of the traditions of American Jews offers insights for expert and casual students of folklore and makes an ideal gift for anyone interested in the origins of Jewish culture Includes line drawings collection notes motif index and bibliography *The Origins and History of Consciousness* Erich Neumann,2020-03-31 The Origins and History of Consciousness draws on a full range of world mythology to show how individual consciousness undergoes the same archetypal stages of development as human consciousness as a whole Erich Neumann was one of C G Jung s most creative students and a renowned practitioner of analytical psychology in his own right In this influential book Neumann shows how the stages begin and end with the symbol of the Uroboros the tail eating serpent The intermediate stages are projected in the universal myths of the World Creation Great Mother Separation of the World Parents Birth of the Hero Slaying of the Dragon Rescue of the Captive and Transformation and Deification of the Hero Throughout the sequence the Hero is the evolving ego consciousness Featuring a foreword by Jung this Princeton Classics edition introduces a new generation of readers to this eloquent and enduring work

Sir Arthur Evans and Minoan Crete Nanno Marinatos,2014-12-22 Before Sir Arthur Evans the principal object of Greek prehistoric archaeology was the reconstruction of history in relation to myth European travellers to Greece viewed its picturesque ruins as the gateway to mythical times while Heinrich Schliemann at the end of the nineteenth century allegedly uncovered at Troy and Mycenae the legendary cities of the Homeric epics It was Evans who in his controversial excavations at Knossos steered Aegean archaeology away from Homer towards the broader Mediterranean world Yet in so doing he is thought to have done his own inventing recreating the Cretan Labyrinth via the Bronze Age myth of the Minotaur Nanno Marinatos challenges the entrenched idea that Evans was nothing more than a flamboyant researcher who turned speculation into history She argues that Evans was an excellent archaeologist one who used scientific observation and classification Evans s combination of anthropology comparative religion and analysis of cultic artefacts enabled him to develop a bold new method which Sir James Frazer called mental anthropology It was this approach that led him to propose remarkable ideas about Minoan religion theories that are now being vindicated as startling new evidence comes to light Examining the frescoes from Akrotiri on Santorini that are gradually being restored the author suggests that Evans s hypothesis of one unified goddess of nature is the best explanation of what they signify Evans was in 1901 ahead of his time in viewing comparable Minoan scenes as a blend of ritual action and mythic imagination Nanno Marinatos is a leading

authority on Minoan religion In this latest book she combines history archaeology and myth to bold and original effect offering a wholly new appraisal of Evans and the significance of his work Sir Arthur Evans and Minoan Crete will be essential reading for all students of Minoan civilization as well as an irresistible companion for travellers to Crete **Atlantis in America** Ivar Zapp, George Erikson, 1998 This text presents evidence for a new theory that the great stone spheres of Costa Rica and sighting stones throughout the Pacific were used to teach sea routes and constellation paths to navigators of the ancient world It reveals substantial links between Meso America and Egypt and the Middle East Unspeakable Acts Carol Fisher Sorgenfrei, 2005-08-31 Terayama Sh ji 1935 1983 was one of postwar Japan s most gifted and controversial playwrights directors Since his death more than twenty years ago he has been transformed into a cult hero in Japan Despite this notoriety Unspeakable Acts is the first book in any language to analyze the theater of Terayama in depth It interrogates postwar Japanese culture and theater through the creative work of this unique yet emblematic artist By situating Terayama in his historical milieu and by using tools derived from Japanese and Western theories of psychoanalysis anthropology sociology gender studies and aesthetics Carol Fisher Sorgenfrei has woven a sophisticated and provocative study **Faith After Foundationalism** D. Z. Phillips, 2018-02-02 Such is the clarity of its exposition and interest of its argument that it can be recommended to those seeking an introduction to recent work in epistemology The interest of the book however is greater than that For the discussion of foundationalism and of recent reactions to it is subtly interwoven into a discussion of recent and not so recent philosophy of religion Colin Lyas Philosophy The Oxford Handbook of Deuteronomy Don C. Benjamin, 2025-01-31 The Oxford Handbook of Deuteronomy is a gateway to what legal traditions teach about the cultural identity and social world of the people of YHWH how they thought about themselves and about their world and how they faced and resolved the challenges of daily life This Handbook introduces readers to significant topics in the thriving conversation and the rich diversity in the academic community studying Deuteronomy **Home: A Very Short Introduction** Michael Allen Fox, 2016-12-01 Thoughts and feelings about home traditionally provided people of all cultures with a firm sense of where they belonged and why But with the world rapidly changing many of our basic notions are becoming problematic Both internationally and within countries populations are constantly on the move seeking better opportunities and living conditions or an escape from violence and war In spite of or perhaps even because of these trends ideas about home continue to shape the way people everywhere frame an understanding of their lives In this Very Short Introduction Michael Allen Fox considers the complex meaning of home and the essential importance of place to human psychology Drawing on a wide array of international examples he discusses what dwelling is and the variety of dwellings Fox also looks at the politics of the concept of home homelessness refugeeism and migration and the future of home and argues that home remains a central organizing concept in human life ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way

to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable **The Big Book of Christian Apologetics** Norman L.

Geisler,2012-11-01 The Big Book of Christian Apologetics is a comprehensive resource designed to equip motivated believers with information to help defend and explain their faith Examining nearly every key issue person and concept related to Christian apologetics this book clarifies difficult biblical passages clearly explains various philosophical systems and concepts examines contemporary issues and challenges and offers classic apologetic arguments all with the aim of giving readers the background to intelligently and persuasively talk about their Christian faith with skeptics An expertly abridged version of the Baker Encyclopedia on Christian Apologetics this resource brings leading apologist Norman L Geisler s seminal work to the masses **The Oxford Companion to World Mythology** David Leeming,2005-11-17 Cave paintings at Lascaux France and Altamira Spain fraught with expression thousands of years later point to an early human desire to form a cultural identity In the Oxford Companion to World Mythology David Leeming explores the role of mythology or myth logic in history and determines that the dreams of specific cultures add up to a larger collective story of humanity Stopping short of attempting to be all inclusive this fascinating volume will nonetheless be comprehensive opening with an introduction exploring the nature and dimensions of myth and proposing a definition as a universal language Briefly dipping into the ways our understanding of myth has changed from Aristotle and Plato to modern scholars such as Joseph Campbell the introduction loosely places the concept in its present context and precedes articles on influential mythologists and mythological approaches that appear later in the Companion The main body of Leeming s work consists of A Z entries covering all aspects of mythology including substantial essays on the world s major mythological traditions Greek Native American Indian Japanese Sumerian Egyptian mythological types and motifs Descent to the Underworld the Hero the Trickster Creation the Quest mythological figures Odysseus Zeus Osiris Spider Woman and Inanna as well as numerous interrelated subjects such as fairy tales and legends The Companion also locates myth in our lives today relating it to language patterns psychology religion politics art and gender attitudes Many of the better known and more significant myths are vividly retold in this volume that will be illustrated with maps more than 70 black and white images and eight pages of color highlighting the central role art has often played in the transmission and perpetuation of myth Following the entries a rich section of appendices will include family trees of the major pantheons equivalency charts for the gods of Greece and Rome Babylon and Sumer as well as other traditions an extensive bibliography and an index
