New Gospel Good News For Christians:

Simply Good News Tom Wright, 2015-03-19 The Gospel means good news but what makes it news If the message has been around for 2 000 years what could possibly be newsworthy about it And what makes it good Surely not the stories we hear of damnation violence and an angry God Tom Wright believes many Christians have lost sight of what the good news of the gospel really is In *Simply Good News* he shows how a first century audience would have received the gospel message what the good news means for us today and how it can transform our lives *The Good News According to Jesus* Chuck Queen, 2009 *The New Gospel* Eric Bowes, 1988 *The Gospel of the Christ* Thomas Lewis Stegall, 2009-07 The Gospel of the Christ is a clear biblical reply to the question of what a person must believe about Jesus Christ to possess eternal life While Christianity has historically maintained that faith in Jesus Christ is essential for everlasting life this raises the vital question what is the necessary content of this faith Written against the backdrop of the controversy within Free Grace circles over the crossless gospel and the contents of saving faith Thomas Stegall goes well beyond a carefully documented analysis of his own movement *The Gospel of the Christ* provides a systematic exegetically based treatment of biblical teaching on the subject of the gospel and the meaning of the title the Christ The end result is a comprehensive biblical and theological study of Jesus Christ s person and work in the contents of saving faith **Feasting on the Gospels--Mark** Cynthia A. Jarvis, E. Elizabeth Johnson, 2014-06-12 *Feasting on the Gospels* is a new seven volume series that follows up on the success of the *Feasting on the Word* series to provide another trusted preaching resource this time on the most prominent and preached upon most preached upon books in the Bible the four Gospels With contributions from a diverse and respected group of scholars and pastors *Feasting on the Gospels* includes completely new material that covers every single passage in the Gospels making it suitable for both pastors who preach from the lectionary and pastors who do not Moreover these volumes incorporate the unique format of *Feasting on the Word* giving preachers four perspectives to choose from for each Gospel passage theological pastoral exegetical and homiletical *Feasting on the Gospels* offers a unique resource for all who preach either continuously or occasionally on the Gospels *Good News of Jesus* L. William Countryman, 1993-02-01 At the heart of Christianity stands the figure of Jesus and the message he embodied the gospel This book seeks to make what is at the heart of the Christian religion available in a new way in our time Many of those who read this book will already have some notion of what the Christian faith is about Professor Countryman therefore writes I fear that the reader will bring to the reading of this book all kinds of assumptions that don t belong here and I have tried to be explicit in rejecting some of these so that I can reintroduce something truer Within the church and outside of it people today are in a period of refocusing and rediscovery asking what is really central to the Christian faith Some claim that today s church has lost its heart if not its soul Countryman sounds a clarion call back to the gospel the good news For in the end he writes we must be prepared to choose the good news over everything else Here then is a fundamental work that has grown out of and been tested in the parish and that has

served as a basic text for seminary courses in Foundations of Christian Spirituality L William Countryman is Professor of New Testament at the Church Divinity School of the Pacific Berkeley California and author of The Language of Ordination Ministry in an Ecumenical Context also published by Trinity Press The new Sunday school teachers' Biblical dictionary ,1879

The Christian as Imitator of Christ Francis Kofi Achampong,2025-04-25 Two and a half billion people worldwide profess to be Christians These include people who espouse ideas about White Christianity Chris tian nationalism Christian libertarianism racial segregation and racial purity It also includes people who see assistance to the poor as handouts that perpetuate poverty The latter group includes people who espouse ideas about accountable individualism where people are expected to pull themselves up by their own bootstraps and become self sufficient as a sign of faith in God s grace and a perversion of crucicentrism which takes the position that it is compassionate to allow poor people to suffer because it can drive them to the cross and salvation in Christ **The Gospels** Watson E.
