Winston Groom

New Guinea The Tide Is Stemmed:

New Guinea: the Tide is Stemmed John Vader, 1971-01-01 The struggle for New Guinea began with one naval battle in the Coral Sea and ended with another in the Bismarck Sea The intervening two years were spent in guerrilla warfare in the jungle **New Guinea** Dr. Jon Diamond, 2015-06-15 Visual history of the Allied battles for New Guinea during 1942 44

MacArthur's Papua New Guinea Offensive, 1942-1943 Jon Diamond, 2020-05-27 The Japanese seizure of Rabaul on New Britain in January 1942 directly threatened Northern Australia and as a result General Douglas MacArthur took command of the Southwest Pacific Area In July 1942 the Japanese attacked south across the Owen Stanley mountain range Thanks to the hasty deployment of Australian militiamen and veteran Imperial Force troops the Japanese were halted at Ioribaiwa Ridge just 27 miles from Port Moresby MacArthur's priority was to regain Northeast New Guinea and New Britain The capture of airfields at Buna and reoccupation of Gona and Sanananda Point were prerequisites The Allied offensive opened on 16 November 1942 with Australian infantrymen and light tanks alongside the US 32nd Infantry Division Overcoming the Japanese and the inhospitable terrain in tropical conditions proved the toughest of challenges It remains an achievement of the highest order that the campaign ended successfully on 22 January 1943 This account with its clear text and superb imagery is a worthy tribute to those who fought and all too often died there **The War Against Japan, 1941-1945** John J. Sbrega, 2015-06-12 With over 5 200 entries this volume remains one of the most extensive annotated bibliographies on the USA's fight against Japan in the Second World War Including books articles and declassified documents up to the end of 1987 the book is organized into six categories Part 1 presents reference works including encyclopedias pictorial accounts military histories East Asian histories historiographies Part 2 covers diplomatic political aspects of the war against Japan Part 3 contains sources on the economic and legal aspects of the war against Japan Part 4 presents sources on the military aspects of the war embracing land air and sea forces Religious aspects of the war are covered in Part 5 and Part 6 deals with the social and cultural aspects including substantial sections on the treatment of Japanese minorities in the USA Hawaii Canada and Peru *The Liberation of the Philippines* Jon Diamond, 2021-08-04 General Douglas A MacArthur Commander of the Southwest Pacific Area saw the liberation of the Philippines Archipelago as the launching board for the invasion of the Japanese Home Islands By late 1944 with the capture of New Guinea and surrounding islands the US Sixth and Eighth Armies were poised for the challenge American forces landed on Leyte on 20 October 1944 with the Leyte Gulf naval battle quickly following By 25 December the island was cleared opening the way for Lieutenant General Walter Krueger's Sixth Army to invade Luzon on 9 January 1945 Bitter Japanese resistance required Eichelberger's Eighth Army as reinforcements Manila finally fell on 4 March In the meantime Bataan was captured on 16 February and Corregidor on 2 March after a US airborne assault Fighting continued and MacArthur finally declared the liberation of the Archipelago on 5 July just a month before the Atom bombs fell on Hiroshima and Nagasaki This superbly

illustrated work in the Pacific War Images of War series leaves the reader in no doubt as to the intensity of the land sea and air operations required by the Allies to defeat the Japanese A Companion to American Military History James C. Bradford, 2009-11-03 With more than 60 essays A Companion to American Military History presents a comprehensive analysis of the historiography of United States military history from the colonial era to the present Covers the entire spectrum of US history from the Indian and imperial conflicts of the seventeenth century to the battles in Afghanistan and Iraq Features an unprecedented breadth of coverage from eminent military historians and emerging scholars including little studied topics such as the military and music military ethics care of the dead and sports Surveys and evaluates the best scholarship on every important era and topic Summarizes current debates and identifies areas where conflicting interpretations are in need of further study

Texas and Texans in World War II Christopher B. Bean, 2022-08-24 Texans in World War II offers an informative look at the challenges and changes faced by Texans on the home front during the Second World War This collection of essays by leading scholars of Texas history covers topics from the African American and Tejano experience to organized labor from the expanding opportunities for women to the importance of oil and agriculture Texans in World War II makes local the frequently studied social history of wartime bringing it home to Texas An eye opening read for Texans eager to learn more about this defining era in their state's history this book will also prove deeply informative for scholars students and general readers seeking detailed definitive information about World War II and its implications for daily life economic growth and social and political change in the Lone Star State

Rabaul's Forgotten Fleet Monica Foster, Peter Stone, 1994 Exploration of sunken Japanese ships and other materiel from World War II in the Rabaul region of Papua New Guinea

Prologue, 1976 The Allied Neutralisation of Rabaul Jon Diamond, 2025-01-30 Details the 1943 1944 Allied strategy to neutralize Japan's Rabaul stronghold through fierce aerial sieges and targeted landings in the Pacific Fierce Pacific ground sea and aerial combat raged between the Allies and Imperial Japan to halt the latter's inexorable advance in 1942 1943 After the American victory at Guadalcanal in February 1943 Admiral Halsey's South Pacific Area SPA naval and amphibious forces battled through the Solomon Islands building new and acquiring extant Japanese airfields Simultaneously General Douglas MacArthur's Southwest Pacific Area SWPA Australian American ground forces supported by General George Kenney's US Fifth Air Force and other Allied air squadrons captured Japanese installations in Papua New Guinea before campaigning along Northeast New Guinea's northern coast ousting or bypassing enemy installations there Using newly built Papuan airfields the Allies gained air superiority over New Guinea and also interdicted Japanese maritime supply lines Yet the main Japanese southwest Pacific bastion at Rabaul on the northeastern tip of New Britain the largest island of the Bismarck Archipelago remained In March 1943 realizing an amphibious assault and ground campaign against Rabaul's naval and army bases would be too costly the US Joint Chiefs of Staff decided to neutralise Rabaul with a joint SPA and SWPA aerial siege rather than capture it This IOW volume recounts this strategy during 1943 and 1944 and the December 1943

amphibious landings by the US 1st Marine Division and US Sixth Army units at Cape Gloucester and Arawe respectively which successfully isolated the Japanese fortress and satellite bases **1942** Winston Groom, 2007-12-01 America's first year in World War II chronicled in this page turner by the Pulitzer Prize nominated author of Forrest Gump and The Generals Publishers Weekly On December 7 1941 an unexpected attack on American territory pulled an unprepared country into a terrifying new brand of warfare To the generation of Americans who lived through it the Second World War was the defining event of the twentieth century and the defining moments of that war were played out in the year 1942 This account covers the Allies relentless defeats as the Axis overran most of Europe North Africa and the Far East But by midyear the tide began to turn The United States finally went on the offensive in the Pacific In the West the British defeated Rommel's panzer divisions at El Alamein while the US Army began to push the Germans out of North Africa By the year's end the smell of victory was in the air 1942 told with Winston Groom's accomplished storyteller's eye allows us into the admirals strategy rooms onto the battlefronts and into the heart of a nation at war When not drawing in readers with the narrative Groom is impressing them with his masterful analyses The Atlanta Journal Constitution Groom has done an artful job of blending the many stories of 1942 The Anniston Star **Generals and Admirals, Criminals and Crooks** Jeffrey J.

Matthews, 2023-10-01 U S flag officers are intended to be exemplary defenders of duty honor and country but what can we learn by exposing the bad leaders lurking within these venerable ranks There is an ugly strain of criminal and unethical leadership in the upper ranks of the American military Despite the exemplary service of most American military members a persistent minority of U S flag officers Navy admirals and Army Air Force and Marine generals have embroiled the profession in scandal since the Revolutionary War In Generals and Admirals Criminals and Crooks award winning author Jeffrey J Matthews examines bad leadership in American military history over the past one hundred years beginning with war crimes in the Philippine American War and ending with the recent Fat Leonard corruption scandal Scrutinizing a range of leadership failures including moral cowardice sex crimes insubordination toxic leadership and obstruction of justice Matthews offers a fascinating analysis of the bases and motives leading to these missteps and explores what could be done to curtail future misconduct of generals and admirals The book also includes an up to date examination of President Trump's term in office that highlights the vital role honorable military leadership plays in our democracy Confronting the dark side of criminal and unethical conduct among U S flag officers this frank and historically grounded book offers valuable lessons in leadership that will stimulate further debate and critical self assessment within the U S military **Forgotten Allies** J. Lee

Ready, 1985-01-01 Many nations played a role as belligerents on the Allied side in World War II Many were in the thick of combat and made grave national sacrifices yet general histories mention them only briefly or omit their story entirely The assisting troops are given their due in this unique comprehensive and readable history Included are chapters about land and sea troops from such countries as Fiji Trans Jordan Luxembourg Brazil Iran and Nigeria as well as Maori Assyrians Gurkhas

Free Poles and others Knowing the lines drawn more than 70 years ago between sides will enable anyone to understand better national enmities and relations today World War II at Sea: The Pacific theater ; with forewords by E.H. Simmons and E.L. Beach Myron J. Smith,1976 **Library of Congress Catalog** Library of Congress,1970 A cumulative list of works represented by Library of Congress printed cards **Annual Report on British New Guinea from ... with Appendices** Papua,1902 **Allied Armour, 1939-1945** Anthony Tucker-Jones,2020-12-02 An important review of armoured warfare armoured vehicle design tactics and operational issues during World War 2 it comes highly commended Dr Stuart C Blank Military Archive Research During the first years of the Second World War Allied forces endured a series of terrible defeats at the hands of the Germans Italians and Japanese Their tanks were outclassed their armored tactics were flawed But the advent of new tank designs and variants especially those from the United States turned the tables Although German armor was arguably still superior at the end of the war the competence of Allied designs and the sheer scale of their production gave them a decisive advantage on the armored battlefield This is the fascinating story that Anthony Tucker Jones tells in this book which is part of a three volume history of armored warfare during the Second World War Chapters cover each major phase of the conflict from the early blitzkrieg years when Hitler s Panzers overran Poland France and great swathes of the Soviet Union to the Allied fight back in tank battles in North Africa Italy and northern Europe He also covers less well known aspects of the armored struggle in sections on Allied tanks in Burma India and during the Pacific campaign Technical and design armored are a key element in the story but so are changes in tactics and the role of the tanks in the integrated all arms forces that overwhelmed the Axis The matter of armoured vehicles and their role in the turning of the tide against Germany is covered brilliantly in Anthony Tucker Jones s excellent treatise Books Monthly Very Highly Recommended Firetrench *The Years of MacArthur* D. Clayton James,Dorris Clayton James,1970 A detailed biography of General of the army Douglas MacArthur chronicles his controversial military administrative and political career and examines his complex contradictory personality and character Encyclopedia of the World's Endangered Languages Christopher Moseley,2008-03-10 The concern for the fast disappearing language stocks of the world has arisen particularly in the past decade as a result of the impact of globalization This book appears as an answer to a felt need to catalogue and describe those languages making up the vast majority of the world s six thousand or more distinct tongues which are in danger of disappearing within the next few decades Endangerment is a complex issue and the reasons why so many of the world s smaller less empowered languages are not being passed on to future generations today are discussed in the book s introduction The introduction is followed by regional sections each authored by a notable specialist combining to provide a comprehensive listing of every language which by the criteria of endangerment set out in the introduction is likely to disappear within the next few decades These languages make up ninety per cent of the world s remaining language stocks Each regional section comprises an introduction that deals with problems of language preservation peculiar to the area

surveys of known extinct languages and problems of classification The introduction is followed by a list of all known languages within the region endangered or not arranged by genetic affiliation with endangered and extinct languages marked This listing is followed by entries in alphabetical order covering each language listed as endangered Useful maps are provided to pinpoint the more complex clusters of smaller languages in every region of the world The Encyclopedia therefore provides in a single resource expert analysis of the current language policy situation in every multilingual country and on every continent detailed descriptions of little known languages from all over the world and clear alphabetical entries region by region of all the world s languages currently thought to be in danger of extinction The Encyclopedia of the World s Endangered Languages will be a necessary addition to all academic linguistics collections and will be a useful resource for a range of readers with an interest in development studies cultural heritage and international affairs *Encyclopedia of World War II* Alan Axelrod, 2007 A reference to the ideological military political biographical and social topics surrounding World War II which is often considered the pivotal event of the twentieth century

Whispering the Strategies of Language: An Emotional Journey through **New Guinea The Tide Is Stemmed**

In a digitally-driven earth wherever displays reign great and instant interaction drowns out the subtleties of language, the profound strategies and mental subtleties concealed within words often move unheard. However, situated within the pages of **New Guinea The Tide Is Stemmed** a interesting literary prize sporting with fresh thoughts, lies an extraordinary quest waiting to be undertaken. Penned by a talented wordsmith, this enchanting opus invites visitors on an introspective trip, delicately unraveling the veiled truths and profound affect resonating within the very fabric of each and every word. Within the mental depths of the moving review, we can embark upon a genuine exploration of the book is primary themes, dissect its interesting writing fashion, and succumb to the powerful resonance it evokes deep within the recesses of readers hearts.
