New Hampshire 1742 Estate List:

New Hampshire 1742 Estate List Pauline Johnson Oesterlin,1994 This handy volume provides data on the heads of households and helps to span the gap between the 1732 enumeration and the Association Test Lists of 1776 The enumeration lists by name only polls and omits all mention of women and children except the occasional reference to widow The good news is that it provides some detailed statistical data on the number of houses owned the amount and types of land owned and on the types of livestock owned by each head of household
