The Return of Jesus Christ With Judgment Marc A. Carr,2012-04 Every believer wants the biblical resources to determine truth Here are those verses every one of them regarding the Lord s return with judgment and the resurrection of all who have ever lived to be so judged The end result is clear unambiguously straight forward and above all simple if the reader is willing to endure the reading of a plethora of passages And willing to accept what the Lord and the apostles actually said For what was said became what was written To find all the truth available about the whole of the Lord s second coming the judgment and the general resurrection comes down to this Is what the Lord said more important than what one presently believes Or is what one presently believes more important than what the Lord Himself said what Paul said At first the question seems ludicrous until one realizes how many different beliefs among believers there are about the Lord s return the judgment and the timing of the resurrection despite what Jesus said Marc asks why would anyone not believe in one general resurrection when the Lord Himself taught one general resurrection Why would anyone not believe in one judgment of all people when the Lord returns The answer can only be because one permitted himself to be so blindly conditioned to the rapture and a literal millennial period that the return of the Lord with judgment and the resurrection of all at once is impossible to accept Hopefully this work will contribute to opening some of those entrenched minds and keep others from becoming the same Marc presently lives in Orlando Florida where he pastors Blessed Fellowship Orlando an outreach ministry of Orlando Prayer and Worship Center Senior Pastor Roy Futch

 infrastructure economic inequality and unaffordable housing Cities have limited tools to address these problems and many
 must rely on the private market to support the public good It wasn't always this way For almost three decades after World

 had suffered during the Great Depression and the war and were now bleeding residents into the suburbs In Saving America's

 of Jane Jacobs Logue saw renewing cities as an extension of the liberal New Deal He worked to revive a declining New Haven
