Marrs,1981 **American Philanthropic Foundations** David C. Hammack,Steven Rathgeb Smith,2018-04-16 Essays examining the origins development and achievements of charitable organizations in key US cities and regions Once largely confined to the biggest cities in the mid Atlantic and Great Lakes states philanthropic foundations now play a significant role in nearly every state Wide ranging and incisive the essays in American Philanthropic Foundations Regional Difference and Change examine the origins development and accomplishments of philanthropic foundations in key cities and regions of the United States Each contributor assesses foundation efforts to address social and economic inequalities and to encourage cultural and creative life in their home regions and elsewhere This fascinating and timely study of contemporary America s philanthropic foundations vividly illustrates foundations commonalities and differences as they strive to address pressing public problems *Here for Good: Community Foundations and the Challenges of the 21st Century* Terry Mazany,David C. Perry,2014-12-18 Community foundations bring together the resources of individuals families and

businesses to support effective nonprofits in their communities Over the years foundations have come to engage community problem solving through more than just grant making They have added a rich array of other activities including programs of community capacity building active modes of advocacy and centres for meeting In 2011 the 700 institutions in the United States gave an estimated 4.2 billion to a variety of nonprofit activities in fields that included the arts and education health and human services the environment and disaster relief The origins of this book stem from conversations among the leadership of community foundations about the challenges they must overcome in order to make such foundational contributions to their communities As community foundations enter the second century of their existence the first foundation was formed in Cleveland in 1914 the need for knowledge and best practices has never been greater This book with expert authors representing the best and the brightest in this important field fills that need *Targeted* Kelly Gates, 2025-08-19

How video transformed policing and security Video cameras are everywhere attached to buildings drones and dashboards embedded in smartphones laptops and doorbells worn on police uniforms and sunglasses In *Targeted* Kelly Gates argues that the resulting avalanche of video has transformed the landscape of policing and security in the twenty first century Video production analysis and archival management are now central to the ways police power is exercised criminal law enforced and spaces of human habitation securitized Gates examines the primacy of video in four key areas of policing and security the field of digital multimedia forensics private video surveillance infrastructure development police body worn camera systems and video analytics for automated surveillance Video AI Case studies of two companies illustrate the role of corporations in these far reaching media technological changes Target Corporation has integrated its retail security operations with law enforcement expanding its surveillance beyond its stores and parking lots and into the criminal legal system Axon Enterprise is leveraging the growing volume of police body cam video to build a large scale proprietary platform for policing *Targeted* reveals the role of video infrastructure development in the increasingly entangled relationship between the modern police and the modern corporation in the long wake and ruins of neoliberalism *The Art of Woo* G. Richard Shell, Mario Moussa, 2007-10-18

You may need *The Art of War* to defeat your enemies but if you prefer to win them over read *The Art of Woo* G. Richard Shell and Mario Moussa know what it takes to drive new ideas through complex organizations They have advised thousands of executives from companies such as Google Microsoft and General Electric to organizations like the World Bank and even the FBI's hostage rescue training program In *The Art of Woo* they present their systematic four step process for winning over even the toughest bosses and most skeptical colleagues Beginning with two powerful self assessments to help readers find their Woo IQ they show how relationship based persuasion works to open hearts and minds Ranging across history from Charles Lindbergh to Sam Walton the authors examine how savvy negotiators use persuasion not confrontation to achieve goals U S News World Report **Principles and Practice of Impact Investing** Veronica Vecchi, Luciano Balbo, Manuela Brusoni, Stefano Caselli, 2017-09-08 Impact investing is gaining global attention from society

governments and businesses Increasingly it is seen as a new paradigm to deal with the economic crisis and curtailed public budgets an answer to the diversified needs of society It now ranks high on the policy agenda of governments and international organizations and private investors are searching for new investment opportunities to channel the liquidity available This book is the first to look at impact investing as a refocus of venture capital to sustain the development of societal impact enterprises Principles and Practice of Impact Investing collects chapters from international experts on the subject discussing the foundations of the movement analysing leading international cases and debating future trends in the field It also includes interviews with some of the most influential stakeholders of impact investing across the world The book is an inspirational and practical guide for actors and stakeholders to enable better understanding of impact investing Taking an international perspective the chapters primarily deal with mature economies setting it apart from the existing literature focused on emerging countries The book will be of interests to practitioners and executives as well as researchers and MBA students

Effective Fund-Raising Management Kathleen S. Kelly, 2012-12-06 In a ground breaking departure from existing works almost all of which are how to manuals based on anecdotal evidence this is the first academic textbook on fund raising By integrating practical knowledge with social science theory and research it presents a comprehensive approach to the function from its legal and ethical principles to the managerial process by which gifts are raised Territory previously uncharted in the literature is explored such as the historical and organizational contexts of contemporary practice Explanations of programs techniques and publics introduce a new system for understanding fund raising s major concepts Unlike efforts in established fields most of the material represents original scholarship undertaken to produce a first time text The book s main purpose is to teach students about fund raising a high demand high paying occupation that will continue to expand into the 21st century as the need for trained practitioners exceeds the supply During the last decade fund raising education moved into the formal classroom and away from an apprenticeship tradition of senior practitioners mentoring newcomers Yet until now there has not been a textbook to support this evolving professionalism Faculty have been reluctant to define fund raising as an academic subject in the absence of a theory based teaching resource and courses usually have been assigned to part time instructors hired from the practice This textbook addresses the void It is designed for graduate and upper level undergraduate courses dealing with fund raising as a primary or secondary subject Among its features each chapter points out research gaps and opportunities such as problems and theories for master s theses and doctoral dissertations and ends with a list of suggested readings The text is appropriate for the diverse academic areas in which fund raising nonprofit management and philanthropy are taught including public administration management arts and humanities education social work economics and sociology Because of its public relations orientation it is particularly suited for courses offered in that discipline Additional audiences are practitioners enrolled in professional development programs

CEOs trustees and others interested in self study and scholars who need serious literature on the subject Rape and Its Victims United States. Department of Justice,1975 NGOs and Accountability in China Jude Howell,Xiaoyuan Shang,Karen R. Fisher,2018-05-15 This book investigates how NGOs in authoritarian states such as China craft accountability and legitimacy to ensure their survival It explores this through the lens of child welfare organisations from 2007 to 2017 The authors provide a fresh approach to accountability that is more attuned to the particular conditions of authoritarianism The project explores the effects of power relations in shaping the hierarchies of accountability and participation that emerge and the attention given to different voices such as those of donor government and users Essential reading for researchers and policy makers interested in development NGO social policy political science and child welfare studies
