New Light On The Gospels:

A Guide to the Gospels William Graham Scroggie, 1948 Acknowledged by many as a classic work of biblical scholarship A Guide to the Gospels by Dr W Graham Scroggie provides a book by book treatment of the foundational New Testament books Every element of the four Gospels is covered under the three divisions of this study The Gospels viewed synthetically The Gospels viewed analytically The Gospels viewed Christologically Filled with a wealth of charts maps and lists A Guide to the Gospels provides a ready source of information analysis and source material for the pastor teacher or Bible student Scroggie s insightful treatment of the English text furnishes the comprehensive scholarship necessary for a thorough grasp of each book of the Gospels Back cover

The Pericope Adulterae, the Gospel of John, and the Literacy of Jesus Chris Keith, 2009 Although consistently overlooked or dismissed John 8 6 8 in the Pericope Adulterae is the only place in canonical or non canonical Jesus tradition that portrays Jesus as writing After establishing that John 8 6 8 is indeed a claim that Jesus could write this book offers a new interpretation and transmission history of the Pericope Adulterae Not only did the pericope s interpolator place the story in John s Gospel in order to highlight the claim that Jesus could write but he did so at John 7 53 8 11 as a result of carefully reading the Johannine narrative The final chapter of the book proposes a plausible socio historical context for the insertion of the story

That You Might Believe - Study on the Gospel of John Robert L. Deffinbaugh, 2002 There are certain books of the Bible that just seem to stand out and the Gospel of John is surely one such book It is frequently the first book of the Bible we encourage non Christians to read in the hope that its message will lead them to faith in Christ After all that is the purpose of the book See John 20 31 For Christians the Gospel of John is a source of much truth about our Lord and the Gospel But it is much more than that It is an opportunity for us to follow Him as we read and to identify with the disciples as their knowledge of Him continues to expand It is our opportunity to get to know the heart of the Savior and to fellowship with Him through His Word If men of old found their hearts set on fire as they listened to Him teach in person Luke 24 32 so we will find our hearts warmed as we seek to listen to Him through this Gospel I challenge you to join me in making the Gospel of John the subject of your study May God use it to help you see and serve Jesus Christ as the Lamb of God who takes away the sin of the world John 1 29

The Gospel of John and the Other Three Gospels Rudolf Steiner, 2025-05-19 What is the Christ event It is a confluence of all preceding philosophies and religious streams of humanity united in Palestine and they were expressed in the Gospels according to the different types of initiation of the one or other Evangelist Rudolf Steiner Speaking two years after his main lecture course on the Gospel of John Rudolf Steiner discusses initiation traditions in the course of human history and how the Christ Event unified them all in particular those connected to the Western and Eastern mysteries In addition to esoteric interpretations of passages in the Gospels Steiner also presents many new and complementary insights on the world historic significance of Christ s mission including

his initial reference to the Second Coming in the etheric realm Dense in content these thirteen lectures delivered to an audience at the Royal Swedish Academy of Science Stockholm enrich our understanding of Rudolf Steiner's Christology Only recently published in German and here in English for the first time the lectures are accompanied with an introduction by Hans Christian Zehnter an appendix of photos and facsimiles extensive notes and an index The voice rose and the speaking took on a more rapid tempo while it flowed without stopping in perfectly formed beautiful sentences as only a born speaker can produce From a contemporary newspaper review Thirteen lectures Stockholm Jan 1910 GA 117a

The Fourfold Gospel, Volume 1 John DelHousaye, 2020-08-07 In the spirit of Ludolph of Saxony c 1295 1378 and Ignatius of Loyola 1491 1556 The Fourfold Gospel invites the reader into the mystery of God's redemption in Jesus Christ All the parallel passages in the Gospels are glossed together along with the unique material using a medieval interpretive approach called the Quadriga or the acronym PaRDeS in Hebrew Meditating on the literal canonical moral and theological senses of Scripture offers a scaffolding for the spiritual formation of the reader This volume in addition to a thorough introduction to the method and the Gospels focuses on the beginning of the story the birth baptism and temptations of Christ

THE GNOSTIC JESUS Edward D. Andrews, 2021-06-09 Jesus is identified by some Gnostics as an embodiment of the supreme being who became incarnate to bring gnosis to the earth In contrast others adamantly denied that the supreme being came in the flesh claiming Jesus to be merely a human who attained enlightenment through gnosis and taught his disciples to do the same Among the Mandaeans Jesus was considered a miha kdaba or false messiah who perverted the teachings entrusted to him by John the Baptist Still other traditions identify Mani and Seth the third son of Adam and Eve as salvific figures In the course of a century and a half Gnosticism comes and goes before us like a splendid vision And yet its influence upon Christianity was profound and permanent It gave occasion to a great expansion of Christian thought to a clearer idea of the historical relation of Christianity to earlier and surrounding religions and to a better definition of the basis of true faith Therefore it deserves a more careful study than it has only recently received

The Historical Jesus of the Gospels Craig S. Keener, 2012-04-13 The earliest substantive sources available for historical Jesus research are in the Gospels themselves when interpreted in their early Jewish setting their picture of Jesus is more coherent and plausible than are the competing theories offered by many modern scholars So argues Craig Keener in The Historical Jesus of the Gospels In exploring the depth and riches of the material found in the Synoptic Gospels Keener shows how many works on the historical Jesus emphasize just one aspect of the Jesus tradition against others but a much wider range of material in the Jesus tradition makes sense in an ancient Jewish setting Keener masterfully uses a broad range of evidence from the early Jesus traditions and early Judaism to reconstruct a fuller portrait of the Jesus who lived in history

The Written Gospel Markus Bockmuehl, Donald A. Hagner, 2005-07-28 This book comprehensively surveys the origin production and reception of the canonical gospels in the early church The discussion unfolds in three steps Part One traces the origin of the gospel of Jesus its significance in Jewish and Hellenistic

contexts of the first century and its development from eyewitness memory to oral tradition and written text Part Two then more specifically examines the composition design and intentions of each of the four canonical gospels Widening the focus Part Three first asks about gospel writing as viewed from the perspective of ancient Jews and pagans before turning to the question of reception history in the proliferation of apocryphal gospels in the formation of the canon and in the beginnings of a gospel commentary tradition

A Dictionary of Christ and the Gospels James Hastings,2004-10 The purpose of this dictionary is to give an account of everything that relates to Christ His Person Life Work and Teaching It is in a sense complementary to the Dictionary of the Bible in which of course Christ has a great place But a dictionary of the Bible being occupied mainly with things biographical historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher to whom Christ is everything This is first of all a preacher s dictionary The authors of the articles have been carefully chosen from among those scholars who are or have been themselves preachers And even when the articles have the same titles as articles in the Dictionary of the Bible they are written by new men and from a new standpoint It is thus a work which is quite distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels because it includes everything that the Gospels contain whether directly related to Christ or not Its range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852 1922 was a distinguished scholar and pastor He was founder and editor of the Expository Times and is also well known for editing the five volume Dictionary of the Bible as well as the Encyclopaedia of Religion and Ethics the Dictionary of Christ and the Gospels and the Dictionary of the Apostolic Church

The Gospel of Jesus John Davidson,2005 An uplifting study of Jesus his times and his teaching

John Stephen S. Smalley,2012-06-26 The Gospel of John has long been a favorite of the church But the distinctive voice of John in the quartet of evangelists has beckoned modern scholars to a closer investigation Although a better profile of the Fourth Gospel s setting structure and theology has been gained a dossier of suspicions and allegations regarding the Gospel s historical lineage and the veracity of its Jesus traditions has attached its reputation In this fully revised edition of his well established study of John Stephen Smalley reviews and evaluates all the significant issues and critical problems of recent Johannine interpretation He argues for the unique integrity of this Gospel a work firmly rooted in the historical Jesus and yet drawing out the deeper significance of Jesus words and deeds
