Marcuse, 2023-11-15 *The Postwar Developments of Japanese Studies in the United States* Helen Hardacre, 1998 This volume of twelve essays with useful bibliographies in the fields of history art religion literature anthropology political science and law documents the history of United States scholarship on Japan since 1945

The Archive Incarnate Joseph Hurtgen, 2018-10-10 We live in an information economy a vast archive of data ever at our fingertips In the pages of science fiction powerful entities governments and corporations attempt to use this archive to control society enforce conformity or turn citizens into passive consumers Opposing them are protagonists fighting to liberate the collective mind from those who would enforce top down control Archival technology and its depictions in science fiction have developed dramatically since the 1950s Ray Bradbury discusses archives in terms of books and television media and Margaret Atwood in terms of magazines and journaling William Gibson focused on technofuturistic cyberspace and brain to computer prosthetics Bruce Sterling on genetics and society as an archive of social practices Neal Stephenson has imagined post cyberpunk matrix space and interactive primers As the archive is altered so are the humans that interact with ever advancing technology

The Postwar Development of Japanese Studies in the United States Helen Hardacre, 2023-07-17 The present volume documents the postwar history of United States scholarship on Japan A careful selection of North American scholars under the general editorship of Helen Hardacre Reischauer Institute Professor of Japanese Religions and Society at Harvard University shows that a range of factors have directed Japanese studies in the United States since 1945 Among these factors are social and political change in Japan and the United States shifts in dominant scholarly concerns about Japan and changing evaluations of area studies The work consists of twelve essays in a wide variety of fields history art religion literature anthropology political science and law Each essay chronicles postwar scholarship in its particular discipline and provides a useful bibliography to serve further reference The general aim of the volume is to put current debates in historical perspective and to help assess the field s achievements It identifies areas requiring more work and charts directions for the future

The American Bibliography of Slavic and East European Studies for 1994 Patt Leonard, Rebecca Routh, 1997-05-31 This text provides a source of citations to North American scholarships relating specifically to the area of Eastern Europe and the former Soviet Union It indexes fields of scholarship such as the humanities arts technology and life sciences and all kinds of scholarship such as PhDs

Mexican Literature as World Literature Ignacio M. Sánchez Prado, 2021-09-09
Honorable Mention from the 2022 International Latino Book Awards for Best Nonfiction Multi Author Chapter 15 by Carolyn Fornoff is Winner of the 2022 Best Article in the Humanities Award Latin American Studies Association Mexico Mexican Literature as World Literature is a landmark collection that for the first time studies the major interventions of Mexican literature of all genres in world literary circuits from the 16th century forward This collection features a range of essays in dialogue with major theorists and critics of the concept of world literature Authors show how the arrival of Spanish conquerors and priests the work of enlightenment naturalists the rise of Mexican academies the culture of the Mexican Revolution and Mexican neoliberalism have played major roles in the formation of world literary structures The book features major scholars in Mexican literary studies engaging in the ways in which modernism counterculture and extinction have been essential to Mexico's world literary pursuit as well as studies of the work of some of Mexico's most important authors Sor Juana Carlos Fuentes Octavio Paz and Juan Rulfo among others These essays expand and enrich the understanding of Mexican literature as world literature showing the many significant ways in which Mexico has been a center for world literary circuits

The World of Ancient Israel Society for Old Testament Study, 1989 Encapsulating as it does research that has been undertaken on the sociological anthropological and political aspects of the history of ancient Israel this important book is designed to follow in the tradition of works in the series sponsored by The Society for Old Testament Study which began with the publication of The People and the Book in 1925 The World of Ancient Israel is especially concerned to explore in greater depth than comparable studies the areas and degrees of overlap between approaches to the subject of Old Testament research adopted by scholars and students of theology and the social sciences Increasing numbers of scholars have recognised the valuable insights that can be gained from a cross disciplinary approach and it is becoming clear that the early biblical traditions about the formation of the Israelite state must be examined in the light of comparative anthropology if useful historical conclusions are to be drawn from them

Revolutionary Leaves Sascha Pöhlmann, 2013-01-16 Mark Z Danielewski is routinely hailed as the most exciting author in contemporary American literature and he is celebrated by critics and fans alike Revolutionary Leaves collects essays that have come out of the first academic conference on Danielewski's fiction that took place in Munich in 2011 which brought together younger and established scholars to discuss his works from a variety of perspectives Addressing his major works House of Leaves 2000 and Only Revolutions 2006 the texts are as multifaceted as the novels they analyze and they incorporate ideas of post structuralism modernism post and

post postmodernism philosophy Marxism reader response criticism mathematics and physics politics media studies science fiction gothic horror poetic theory history architecture mythology and more Contributors Nathalie Aghoro Ridvan Askin Hanjo Berressem Aleksandra Bida Brianne Bilsky Joe Bray Alison Gibbons Julius Greve Sebastian Huber Sascha P hlmann and Hans Peter S der **Annotated Chaucer bibliography** Mark Allen,Stephanie Amsel,2015-11-01 An extremely thorough expertly compiled and crisply annotated comprehensive bibliography of Chaucer scholarship between 1997 and 2010 The Book of Job Carol A. Newsom,2009-06-29 Carol Newsom illuminates the relation between the aesthetic forms of Job and the claims made by its various characters Her innovative approach makes possible a new understanding of the unity of the book that rejects its dismantling in historical criticism and the flattening of the text that characterizes many final form readings Additionally she rehabilitates the moral perspectives represented by certain voices of the book that modern critics have treated with disdain **Bibliography** Thomas A. Sebeok,Paul Bouissac,Umberto Eco,Jerzy Pelc,Roland Possner,Alain Rey,Ann Shukmann,2020-05-18 No detailed description available for Bibliography *A Literary History of Reconciliation* Jan Frans van Dijkhuizen,2018-09-06 From William Shakespeare to Marilynne Robinson this book examines representations of interpersonal reconciliation in works of literature focusing on how these representations draw on the language of divine forgiveness Christian theology sees divine forgiveness as conditional upon a sinner s remorse and self abasement before God but also as a form of grace unconditional and rooted only in divine love Van Dijkhuizen explores what happens when this paradoxical forgiveness paradigm comes to serve as a template for interpersonal reconciliation As *A Literary History of Reconciliation* shows literary writers imagine interpersonal reconciliation as being centrally about power and hierarchy and present forgiveness without power as longed for but ever elusive Drawing on major works of literature from the early modern era to the present day this book explores works by John Milton Virginia Woolf J M Coetzee Ian McEwan and others to craft a literary history that will appeal to readers interested in literature religion and philosophy **Literary Research** ,1988

On Biblical Poetry F.W. Dobbs-Allsopp,2015-08-19 *On Biblical Poetry* takes a fresh look at the nature of biblical Hebrew poetry beyond its currently best known feature parallelism F W Dobbs Allsopp argues that biblical poetry is in most respects just like any other verse tradition and therefore biblical poems should be read and interpreted like other poems using the same critical tools and with the same kinds of guiding assumptions in place He offers a series of programmatic essays on major facets of biblical verse each aspiring to alter currently regnant conceptualizations in the field and to show that attention to aspects of prosody rhythm lineation and the like allied with close reading can yield interesting valuable and even pleasurable interpretations What distinguishes the verse of the Bible says Dobbs Allsopp is its historicity and cultural specificity those peculiar encrustations and encumbrances that typify all human artifacts Both the literary and the historical then are in view throughout The concluding essay elaborates a close reading of Psalm 133 This chapter enacts the final movement to the set of literary and historical arguments mounted throughout the volume an example of the holistic staging

which Dobbs Allsopp argues is much needed in the field of Biblical Studies *Literary Research and British Modernism*
 Alison M. Lewis, 2009-11-25 Focusing on work produced between 1880 and 1945 *Literary Research and British Modernism*
Strategies and Sources provides scholars with the necessary methods and tools for studying the literature of this period This
 reference guide will facilitate research into the works of such major modernist writers as James Joyce T S Eliot Virginia Woolf
 E M Forster Joseph Conrad and Somerset Maugham as well as lesser known or forgotten authors of the era The book
 discusses research methodology and the best practices for the research process especially regarding the research challenges
 unique to works of British modernism This resource includes commentary on general literary reference materials library
 catalogs print and online bibliographies indexes and annual reviews scholarly journals contemporary reviews period journals
 and newspapers microform and digital collections manuscripts and archives and Web resources This book is an important
 and helpful guide for researchers of British Modernism and general interested readers alike Sufism and
Transcendentalism Elham Shayegh, 2020-03-09 The rhetoric of cultural identity generally goes in two potential directions
 One a universal line that insists on an overall pattern of integration and harmony among all peoples regardless of their
 differences and the other a line which suggests that various cultures are so specific and different that they will eventually
 enter into clash violence and war Drawing upon Derrida's concept of difference I will point out that such rhetoric as
 examples of current political discourses fail to open the concept of cultural identity through redefining its relationship with
 otherness This will be accompanied by poetry of Rumi and Whitman to suggest that their literary language through its non
 dialectic characteristics is familiar with the problematic of identity and has the ability to form a cross cultural dialogue
 Sufism And Transcendentalism envisages the possibility of dialogue against the background of political conflict A History
of World Literature Theo D'haen, 2024-05-29 A History of World Literature is a fully revised and expanded edition of The
 Routledge Concise History of World Literature 2012 This remarkably broad and informative book offers an introduction to
 world literature Tracing the term from its earliest roots and situating it within a number of relevant contexts from
 postcolonialism decoloniality ecocriticism and book circulation Theo D haen in ten tightly argued but richly detailed chapters
 examines the return of the term world literature and its changing meaning Goethe's concept of Weltliteratur and how this
 relates to current debates theories and theorists who have had an impact on world literature and how world literature is
 taught around the world By examining how world literature is studied around the globe this book is the ideal guide to an
 increasingly popular and important term in literary studies It is accessible and engaging and will be invaluable to students of
 world literature comparative literature translation postcolonial and decoloniality studies and materialist approaches and to
 anyone with an interest in these or related topics *Bibliography of Art and Architecture in the Islamic World (2 vols.)*
 Susan Sinclair, 2012-04-03 Following the tradition and style of the acclaimed Index Islamicus the editors have created this
 new Bibliography of Art and Architecture in the Islamic World The editors have surveyed and annotated a wide range of

books and articles from collected volumes and journals published in all European languages except Turkish between 1906 and 2011 This comprehensive bibliography is an indispensable tool for everyone involved in the study of material culture in Muslim societies Richard Wright Keneth Kinnamon, 2014-11-04 African American writer Richard Wright 1908 1960 was celebrated during the early 1940s for his searing autobiography *Black Boy* and fiction *Native Son* By 1947 he felt so unwelcome in his homeland that he exiled himself and his family in Paris But his writings changed American culture forever and today they are mainstays of literature and composition classes He and his works are also the subjects of numerous critical essays and commentaries by contemporary writers This volume presents a comprehensive annotated bibliography of those essays books and articles from 1983 through 2003 Arranged alphabetically by author within years are some 8 320 entries ranging from unpublished dissertations to book length studies of African American literature and literary criticism Also included as an appendix are addenda to the author s earlier bibliography covering the years from 1934 through 1982 This is the exhaustive reference for serious students of Richard Wright and his critics
