New Lives for Old Margaret Mead,2016-06-25 Excerpt from New Lives for Old Cultural Transformation Manus 1928 1953 One II Arrival in Peri 1953 III Old Peri an Economic Treadmill IV The Wider Context in 1928 V Yesterday s Children Seen Today VI Roots of Change in Old Peri About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Contemporary Religiosities* Bruce Kapferer,Kari Telle,Annelin Eriksen,2010-08-01 The last decade has seen an unexpected return of the religious and with it the creation of new kinds of social forms alongside new fusions of political and religious realms that high modernity kept distinct For a fuller understanding of what this means for society in the context of globalization it is necessary to rethink the relationship between the religious and the secular the contributors all leading scholars in anthropology do just that some even arguing that secularization itself now takes a religious form Combining theoretical reflection with vivid ethnographic explorations this essential collection is designed to advance a critical understanding of social and personal religious experience in today s world **Socialization as Cultural Communication** Theodore Schwartz,1980-01-01 **Objects and Imagination** Øivind Fuglerud,Leon Wainwright,2015-02-01 Despite the wide interest in material culture art and aesthetics few studies have considered them in light of the importance of the social imagination the complex ways in which we conceptualize our social surroundings This collection engages the material turn in the arts humanities and social sciences through a range of original contributions on creativity in diverse global and contemporary social settings The authors engage with everyday objects art rituals and ethnographic exhibitions to analyze the relationship between material culture and the social imagination What results is a better understanding of how the material embodies and influences our idea of the social world *The Routledge Dictionary of Anthropologists* Gerald Gaillard,2004-06 This detailed and comprehensive guide provides biographical information on the most influential and significant figures in world anthropology from the birth of the discipline in the nineteenth century to the present day Each of the fifteen chapters focuses on a national tradition or school of thought outlining its central features and placing the anthropologists within their intellectual contexts Fully indexed and cross referenced The Routledge Dictionary of Anthropologists will prove indispensable for students of anthropology **Ethnographic Film** Karl G. Heider,2009-04-20 From reviews of the first edition Ethnographic Film can rightly be considered a film primer for anthropologists Choice This is an interesting and useful book about what it means to be

ethnographic and how this might affect ethnographic filmmaking for the better It obviously belongs in all departments of anthropology and most ethnographic filmmakers will want to read it Ethnohistory Even before Robert Flaherty released *Nanook of the North* in 1922 anthropologists were producing films about the lifeways of native peoples for a public audience as well as for research and teaching *Ethnographic Film* 1976 was one of the first books to provide a comprehensive introduction to this field of visual anthropology and it quickly became the standard reference In this new edition Karl G Heider thoroughly updates *Ethnographic Film* to reflect developments in the field over the three decades since its publication focusing on the work of four seminal filmmakers Jean Rouch John Marshall Robert Gardner and Timothy Asch He begins with an introduction to ethnographic film and a history of the medium He then considers many attributes of ethnographic film including the crucial need to present whole acts whole bodies whole interactions and whole people to preserve the integrity of the cultural context Heider also discusses numerous aspects of making ethnographic films from ethics and finances to technical considerations such as film versus video and preserving the filmed record He concludes with a look at using ethnographic film in teaching

Back to Middletown Rita Caccamo, 2002-09-01 Published in 1929 Robert Lynd and Helen Merrell Lynd's *Middletown: A Study in Modern American Culture* was destined to become a sociological point of reference for the quality of life in an average American town in the 1920s Their *Middletown in Transition* a 1937 restudy of the same community now known to be Muncie Indiana provided a second point of reference on community values in the midst of the great American depression Achieving the status of cultural benchmarks these two books have generated an enormous secondary literature on Muncie Middletown including a two volume restudy by Theodore Caplow published in the 1980s and a series of six documentary films *Back to Middletown* differs from the numerous other investigations and analyses of one of the most famous community studies in the history of sociology The author an Italian sociologist examines the complete Middletown saga through the distinctive lens of an outsider tracing the character and evolution of middle America from the Lynds time down to the present She has been resourceful and meticulous in her discovery of previously unknown sources data documents and correspondence that shed new light on the formation and elaboration of the Lynds Middletown project and on the changing evaluation of the project by generations of scholars In the process the book addresses from a fresh perspective major issues that have confronted sociology and social anthropology relative levels of analysis the relationship of

empirical observation to theory building and conceptual frameworks of interpretation and controversies focusing on the structure of power in America In addition to its value and import as a theoretical work the book takes up questions that reflect the contemporary contradictions and dissonances in the American social fabric As the author demonstrates the story of Middletown is a continuing narrative whose end is yet to be written encapsulating the pain of social and economic alienation political war religious messianism and personal demoralization

Continuities in Cultural Evolution Margaret Mead, 2017-07-12 Margaret Mead once said I have spent most of my life studying the lives of other peoples faraway peoples so that Americans might better understand themselves Continuities in Cultural Evolution is evidence of this devotion All of Mead's efforts were intended to help others learn about themselves and work toward a more humane and socially responsible society Scientist writer explorer and teacher Mead brought the serious work of anthropology into the public consciousness This volume began as the Terry Lectures given at Yale in 1957 and was not published until 1964 after extensive reworking The time she spent on revision is evidence of the importance Mead attached to the subject the need to develop a truly evolutionary vision of human culture and society This was desirable in her eyes both in order to reinforce the historical dimension in our ideas about human culture and to preserve the relevance of historical and cultural diversity to social economic and political action Given the present state of academic and public discourse alike this volume speaks to us in a language we badly need to recover

The Melanesian World Eric Hirsch, Will Rollason, 2019-03-28 This wide ranging volume captures the diverse range of societies and experiences that form what has come to be known as Melanesia It covers prehistoric historic and contemporary issues and includes work by art historians political scientists geographers and anthropologists The chapters range from studies of subsistence ritual and ceremonial exchange to accounts of state violence new media and climate change The Melanesian world assembled here raises questions that cut to the heart of debates in the human sciences today with profound implications for the ways in which scholars across disciplines can describe and understand human difference This impressive collection of essays represents a valuable resource for scholars and students alike

Reading Benedict / Reading Mead Dolores Janiewski, Lois W. Banner, 2004 Publisher Description [Facing the Pacific](#) Jeffrey A. Geiger, 2007-04-30 The enduring popularity of Polynesia in western literature art and film attests to the pleasures that Pacific islands have over the centuries afforded the consuming gaze of the west connoting solitude release from cares and more recently self renewal away from urbanized modern life Facing the Pacific is the first study to offer a detailed look at the United States intense engagement with the myth of the South Seas just after the First World War when at home a popular vogue for all things Polynesian seemed to echo the expansion of U S imperialist activities abroad Jeffrey Geiger looks at a variety of texts that helped to invent a vision of Polynesia for U S audiences focusing on a group of writers and filmmakers whose mutual fascination with the South Pacific drew them together and would eventually drive some of them apart Key figures discussed in this volume are Frederick O'Brien author of the bestseller *White Shadows in the South*

Seas filmmaker Robert Flaherty and his wife Frances Hubbard Flaherty who collaborated on Moana director W S Van Dyke who worked with Robert Flaherty on MGM s adaptation of White Shadows and Expressionist director F W Murnau whose last film Tabu was co directed with Flaherty *Politics of Social Change* Manfred Halpern,2015-12-08 The author analyzing major social groups in this area treats particularly the new middle class a group socially isolated from the traditional life of Islam and committed to a wide ranging modernizing impulse Originally published in 1963 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
