A Bible Handbook to the Acts of the Apostles Mal Couch, Numerous evangelical scholars combine their insights to present the best of a Bible handbook and a theological study

**Moses** Dorothy Kavanaugh, 2015-02-03 Moses is a major figure in Judaism and one whose teachings have been respected by many other cultures The Ten Commandments and other laws that Moses received from God on Mount Sinai helped to form the moral and legal framework for our modern civilization Moses is the archetype of a great leader He is driven by God's higher purpose but at the same time he tries to protect

members of his community from divine wrath Throughout his life Moses worked not to enrich himself at the expense of others but to help all people to prosper Millionaires of the Bible Series The series Money at its Best Millionaires of the Bible examines the lives of key figures from biblical history The books in this series draw on the Bible and other religious writings as well as on legends folktales and the work of modern scholars to show how each of the people profiled used his or her wealth or privileged position in order to make a difference in the lives of others

**Readings in Historical Theology** Robert F. Lay, 2009-04-01 This broad ranging collection of the primary sources that have shaped the theology of Christianity spans Old Testament to modern writings This historical theology textbook includes informative introductions and guiding questions from the author

**A Rabbi Looks at Jesus' Parables** Frank Stern, 2006 Intended to appeal to both Christians and Jews A Rabbi Looks at Jesus Parables is an introduction to the teachings of Jesus and compares the similarities and differences in Jesus thinking to other Jewish sources from first century Palestine Each chapter uncovers hidden messages within each of Jesus parables and discusses each parable within its first century religious and historical context The book attempts to build bridges of understanding between Christians and Jews by exploring the notion that we share a common history

**Jews and Anti-Judaism in Esther and the Church** Tricia Miller, 2015-05-28 The biblical book of Esther records an account of Jewish resistance to attempted genocide in the setting of the Persian Empire According to the text Jews were targeted for annihilation simply because of their Jewish identity However the story also reports that they were allowed to defend themselves against anyone who sought to kill them In the context of attempted genocide the message of Esther

addresses a timeless and universal issue of justice that humans have the right and responsibility to defend themselves against those who intend to murder Jews and Anti Judaism in Esther and the Church shows how the anti Judaism that is a central feature of Esther relates to the contemporary issue of the contested legitimacy of the State of Israel as part of the ongoing Arab Israeli conflict In her outstanding book Dr Tricia Miller uses an academic approach to demonstrate the relationship of historic theology to current events concerning Israel for the purpose of encouraging Christians to support Israel s right to exist and defend itself against those who seek its destruction Demonic Bodies and the Dark Ecologies of Early Christian Culture Travis W. Proctor,2022 Demonic Bodies and the Dark Ecologies of Early Christian Culture analyzes how ancient Christians constructed the Christian body through its relations to demonic adversaries through case studies of New Testament texts Gnostic treatises and early Christian church fathers e g Ignatius of Antioch Clement of Alexandria and Tertullian of Carthage This study demonstrates that the formation of early Christian cultures was part of the shaping of broader Christian ecosystems where nonhuman entities like demons played important roles in configuring Christians experience of their bodies and surrounding environments Caesar Versus Pompey Stephen Dando-Collins,2024-04-09 Who was Rome s greatest general statesman and nation builder Caesar or Pompey Few people have had as many words written about them down through the centuries as Julius Caesar the brilliant general who made Queen Cleopatra of Egypt his mistress He has captured the imagination of playwrights historians soldiers and emperors Little has been written about his ally son in law and eventual enemy Pompey the Great who crashed onto the Roman scene as a victorious twenty three year old general and who at the height of his career was arguably more famous more popular and more successful than Caesar Caesar Versus Pompey tells the parallel life stories of Julius Caesar and Pompey the Great as their lives and loves became intertwined and interdependent as they grew from rivals to partners then from joint rulers to warring foes One strove to preserve the Roman Republic the other destroyed it *Eusebius--the Church History* Eusebius (of Caesarea, Bishop of Caesarea),1999 Much of our knowledge of the first three centuries of Christianity comes from Eusebius the first great historian of the Christian faith This full color edition is a standard reference work on the early church Jesus and His Enemies Beck, Robert R.,2017-12-14 In this distinctive approach to the Gospels Robert Beck shows how each of the individual evangelists communicates his message about Jesus through the narrative structure of each gospel specifically how each gospel deals with conflict between Jesus and his enemies and how this conflict is resolved He offers an important way to discover how the Bible and the gospels in particular treat issues of violence force and coercion Thera and the Exodus Riaan Booysen,2013-02-08 Of all the volcanic eruptions that shook the earth two of the volcano on the Aegean island Thera modern Santorini are more important to the modern world than any other Not only did they lead to the formation of the people known as the Israelites but indirectly also gave birth to the god of Judaism Islam and Christianity The biblical Exodus of the Israelites from Egypt is closely linked to these two eruptions the second which occurred ca 1450 1410 BCE during the

reign of Amenhotep III Egypt's golden pharaoh The fallout of the eruption caused a deadly plague to break out in Egypt and to appease the perceived anger of the gods Amenhotep ordered all firstborn in Egypt to be sacrificed in fires His firstborn son Crown Prince Tuthmosis was first in line to be sacrificed but was saved from the fire in the nick of time an event recorded as the burning bush episode in the Bible Prince Tuthmosis became the biblical Moses and the events of that followed are now finally revealed

**War and Religion** Arnaud Blin, 2019-03-19 The resurgence of violent terrorist organizations claiming to act in the name of God has rekindled dramatic public debate about the connection between violence and religion and its history Offering a panoramic view of the tangled history of war and religion throughout Europe and the Mediterranean War and Religion takes a hard look at the tumultuous history of war in its relationship to religion Arnaud Blin examines how this relationship began through the concurrent emergence of the Mediterranean empires and the great monotheistic faiths Moving through the Middle Ages and the Renaissance and into the modern era Blin concludes with why the link between violence and religion endures For each time period Blin shows how religion not only fueled a great number of conflicts but also defined the manner in which wars were conducted and fought

**Salvation for the Righteous Revealed** Ed Condra, 2018-12-10 Why is there such an ethical emphasis in Jesus' gospel proclamation This work finds the answer in Jesus meeting his audience within their own conceptual realms and then expanding those realms to point to the nature of his salvation The bulk of this work investigates the soteriology of Second Temple Judaism especially of the Qumran Scrolls The apocalyptic lesson was the demand of a greater covenantal obedience held in tension with God's grace a demand met through sectarian revelation and involving a somewhat diverse messianism Within these conceptions Jesus affirms that salvation is indeed for the righteous but as defined through himself as the unique Messiah This work is particularly useful regarding the Jesus Paul debate for it provides a diachronic solution grounded in the cultural historical milieu of the times

**The Little Book of Revelation** Eli of Kittim, 2013-02 This book is a fascinating study in search of the real Jesus The author concludes that scripture is essentially a collection of prophecies not a record of past events Jesus did not say Blessed is he who heeds the words of the history of this book but rather Blessed is he who heeds the words of the prophecy of this book Thus the current tenets of Christianity with regard to the origin and advent of Jesus are based on fundamental misconceptions The book's argument is that Christ's visitation has not yet occurred in the world of time since it is a future event and that his origin will be derived from the Greeks not the Jews when he does appear

**Word and Self Estranged in English Texts, 1550-1660** Dr L E Semler, Dr Philippa Kelly, 2013-04-28 The essays in Word and Self Estranged in English Texts 1550-1660 consider diverse historical contexts for writing about strangeness They draw on current practices of reading to present contrasts and analogies within and between various social understandings In so doing they reveal an interplay of thematic and stylistic modes that tells us a great deal about how and why certain aspects of life and thinking were estranged in sixteenth and seventeenth century thinking The collection's unique strength is that it makes specific bridges between

contemporary perspectives and early modern connotations of strangeness and inhibition The subjects of these essays are strange to our ways of thinking because of their obvious distance from us in time and culture And yet curiously far from being entirely alien to these texts some of the most modern thinking about paradigms texts concepts connects with the early modern in unexpected ways Milton meets the contemporary competent reader Wittgenstein meets Robert Cawdrey Shakespeare embraces the teenager and Marvell matches wits with French mathematician Ren Thom Additionally the early modern texts posit their own others or sites of estrangement Moorishness Persian art even the human body with which they perform their own astonishing maneuvers of estrangement and alignment In reading Renaissance works from our own time and inviting them to reflect upon our own time Word and Self Estranged in English Texts 1550 1660 offers a vital reinterpretation of early modern texts      **Biblical and Classical Myths** Northrop Frye, Jay Macpherson, 2004-01-01 Combines a 1981 82 series of twenty four lectures by Canadian literary critic Northrop Frye and Canadian poet and classicist Jay Macpherson s Four Ages the Classical Myths published in 1962      **Healing Through Psalm 23** Inseong J. Kim, Elizabeth Fair, 2019-03-28 We live in a broken world full of challenges failures and disappointments As life continues many unknowns lie before us that can weigh us down inflicting wounds that often get buried or ignored We have been created to thrive in our relationships with God our family our neighbors and ourselves By knowing that God is our Good Shepherd understanding the identity that we have as his precious sheep we can find rest and healing in our souls Through this humble book Healing Through Psalm 23 may God comfort you who are suffering who are in pain who need forgiveness may you know God walk confidently and grow into the maturity of coming alongside others in their journey of healing
