Since the firemen were required to live and work at the firehouse full time these animal mascots along with the horses that pulled the fire trucks were their constant companions making a dangerous workplace feel more like home. *The Bravest Pets of Gotham* takes readers on a fun historical tour of Old New York sharing touching and comical stories about the bond between FDNY firefighters and their four legged or feathered friends. The book contains more than one hundred astonishing emotional and sometimes hilariously absurd tales of the FDNY animal mascots whose extraordinary intelligence, acts of bravery and funny antics deserve to be remembered. Some anecdotes depict fire companies that broke the one pet rule and welcomed a veritable menagerie of animals into their firehouses including goats, turtles and even monkeys.
