personalities that runs the Engines of Commerce of our Global Society with their focus on monetary control of the people and the planet This is a real life battle between evolving evolutionary beings against the Anti Christ Social Consciousness of The Multi National Corporations Religious dogmas talk about an Apocalypse at the end of time to help warn us of our impending doom the remarkable thing is that the word Apocalypse means the lifting of a veil or a disclosure to certain privileged persons of something hidden from the majority of humankind I will show in this book that the lifting of a veil is a rising of consciousness that knows no fear of the unknown and clarifies ancient predictions of the end days and the real battle of Armageddon This ancient Science *The Bible and the Future* Anthony A. Hoekema,1994 Anthony Hoekema brings to the study of biblical prophecy and eschatology a maturity that is rare among contemporary works on the subject Free of sensationalism he evinces a reverence for the Scriptures and a measured scholarship One of the best studies on eschatology available Christianity Today *The Story of Faith, Hope and Love* William Edward Dewberry,2013-10-23 The Story of Faith Hope and Love is a book about discovering God s nature character love justice forgiveness and truth The Bible answers these questions and offers people hope for eternal life This book answers important questions that inquiring minds might wonder about For example where did people come from What is the purpose of their existence What happens to them when they die Does their spirit live forever What happens to the spirit of people when the body dies This book gives an answer to all these questions and offers people hope for eternal life If this book is read without prejudice it will have the intended effect of producing faith in God Faith will lead to a desire to obey God and except Jesus Christ as the Son of God which can lead to eternal life The story of faith hope and love would be a great help to anyone in the missionary field as well as being an aid for Bible School teachers or anyone wanting to know more about the teachings of the Bible and their own personal salvation

of all ages **The Wisdom of The Council** Sara Landon,2022-11-01 An entirely channeled book of messages from The Council a group of ascended master beings that communicate to us that we have the power to be the Creators of our lives The Wisdom of the Council is an entirely channeled book of messages by The Council a group of ascended master beings Their messages are both empowering and gentle and guide you towards ascending to a new level of consciousness stepping into the greatest version of you and recognizing that you have the ability to create your own Heaven on Earth a new way of perceiving your human experience The Council assures us that we have the power to be the Creators of our lives And from the Council s perspective it s all done already we already have this Creator energy within us and it s just a matter of aligning with that frequency The Council encourages us to expand our consciousness and awareness so we can go beyond our thinking mind Only then can we expand our potential come into alignment with who we truly are manifest from a place of wholeness rather than lack and ultimately live out our destiny World Agriculture ,1920 **The Creation** Rev. Carlton Whaley,2011-03-15 I first started writing this book two years ago from a vision given to me by God I am a Baptist preacher now and was a former A M E African Methodist Episcopal Spiritualist and Holiness preacher I have also studied Catholicism Seven day Adventist Moslem Buddhist and Jehovah Witness religions for experience in the gospel I consider myself to be a Christian who believes totally in the Holy Bible by King James Version and I believe all others are just translations from the King James I have been baptized in the Holiness church in Jacksonville North Carolina in the early 80s Although I was baptized in the early 80s I started my ministry in 1981 while attending Walker Chapel A M E church in California under the leadership of Rev Carlyle I was in the United States Marine Corps in which I traveled the world twice and enjoying every moment of it I always went to church because that is the way I was raised I was taught at an early age how to pray to Jesus Christ for whatever I needed My father was a Spiritualist pastor for as long as I knew of him and that is where my Spiritualist background derived I learned the spiritual aspect of the Lord and how to live according to the spirits that exist all around us but cannot always be seen While my tenor in the Marines I had became an alcoholic and was headed down a path in life that brought me to a halt and caused me to make the best decision in my life I was celebrating my twenty second birthday when I got intoxicated by drinking a gallon of Brandy when stationed in Okinawa Japan I was at the pool celebrating when I fell in the water and not knowing how to swim I began to sink If it had not been for the other guys Leroy Young Henry Gates Calvin Holder and King there with me I would not have been here now I want to thank those guys again for saving my life by pulling me out the pool and caring me to my barracks and putting me to bed I didnt know when they pulled me out the pool or put me to bed but Im glad that they did I had to report to the mess hall at fi ve oclock that morning and it was already three oclock and I had a hang over already I remember praying to God with a promise that if he would deliver me from drinking I would serve him for the rest of my life Well I must have dropped off to sleep but when I woke up my hang over was gone and I havent taken a drink of liquor since and I didnt have to go to AA either I dont advice this for anyone else unless they believe

that Jesus Christ will deliver them from that habit without aide I was falsely accused in the Marine Corps by some staff ncos who didnt want me to make them look bad by their lack of leadership so they lied about me saying things I didnt say and caused me to not receive my promotion and stop my advancement in the Marines I was injured in the Marines and got out in 1990 God put this title of the book in my mind to write for others so that there belief may gain strength through the truth in the gospel Believe it or not it has been a long time working on this book which started about fi ve years ago I believe this book will be a blessing to whomever read it and will give a better understanding of who actually created this world and all who live in it May God Bless the reader

The Sola Scriptura Challenge Brian E. Barnes,2022-12-01 Before it was written there were a wide variety of views about the end of time held across different Jewish movements Historically there have been four main methods of interpretation in both Judaism and Christianity of which we see all on display in the New Testament The controversy around interpretation of prophecy existed in the days of Jesus led some to reject Christ was not resolved by the Protestant Reformers and still divides our churches today This book looks at how we got here and proposes a way we should all move forward together Using only the Scriptures the sola scriptura approach challenges us to understand what the original audience of the letter from John would have understood By identifying singularities and parallels within the book built from years of research and verse by verse exegetical study we will see how it is the fulfillment of the hopes and expectations of the Hebrew prophets and the early church
