European Immigrant Families Mihaela Robila, 2013-05-13 Immigration from Eastern Europe to the United States has grown significantly in the last few decades While Asian and Latin American immigrations have been central to the discourse of migration to the US the rapid growth of Eastern European immigrants has received insufficient attention Robila fills this gap by presenting key issues related to immigration from Eastern Europe such as child rearing beliefs and practices cultural beliefs second generational conflicts as well as the challenges faced by Eastern European immigrants as they immigrate around the world

Language, Race, and Power in Schools Pierre Orelus, 2016-12-08 In this edited collection authors from various academic cultural racial linguistic and personal backgrounds use critical discourse analysis as a conceptual framework and method to examine social inequities identity issues and linguistic discrimination faced by historically oppressed groups in schools and society Language Race and Power in Schools unravels the ways and degrees to which these groups have faced and resisted oppression and draws on critical discourse analysis to examine how multiple forms of oppression intersect This volume interrogates areas of discrimination and injustice and discusses possibilities of developing coalitions and concerted efforts across the lines of diversity

Five Generations of a Mexican American Family in Los Angeles Christina Chavez, 2007-04-09 Despite their citizenship and English monolingualism Mexican Americans have long been known to remain largely working class which academically has meant that they tend to be mostly high school graduates with low rates of college attendance and completion Attempting to understand this phenomenon Five Generations of a Mexican American Family in Los Angeles chronicles the home work and school lives of the author's multigenerational family throughout the twentieth century Using oral histories of 33 members across five generations the Fuentes story illuminates the interaction between race ethnicity and class at home in the labor market and in schools which circumscribe the opportunity and resources or lack thereof for academic success Generally findings show that these factors work together to reproduce the family's social standing over generations Equally important the analysis reveals how the persistence and strength of the Fuentes heritage cultural values buena educaci n and familism have insulated them from the continued threat of racial discrimination and economic hardship in American life The Fuentes story provides the reader with a keen view of the process by which Fuentes moved from immigrants to ethnic Americans and shows how they have gracefully survived the harsh and unpredictable nature of being of a racial minority and the working class

Immigrant Experiences in North America Harald Bauder, John Shields, 2015-05-01 Immigration settlement and integration are vital issues in the twenty first century they propel economic development transform cities and towns shape political debate and challenge established national identities This original collection provides the first comprehensive introduction to the contemporary immigrant experience in both the United States and Canada by exploring national regional and metropolitan contexts With essays by an interdisciplinary team of American and Canadian scholars this volume explores major themes such as immigration policy labour markets and the economy gender demographic and settlement patterns health well being and food security education

and media Each chapter includes instructive case examples recommended further readings links to web based resources and questions for critical thought Engaging and accessible Immigrant Experiences in North America will appeal to students and instructors across the social sciences including geography political science sociology policy studies and urban and regional planning

Researching International Migration K. C. Zachariah, S. Irudaya Rajan, 2015-06-12 International migration and workers remittances have of late become a significant economic and social phenomena affecting the fortunes of millions of families in the developing countries of Asia Africa and Latin America Yet the measurements and methods of analysis of their impact on the individuals families economy and society have not received the attention they deserve A first of its kind study of international migration based on large scale surveys across a span of 15 years of fieldwork this book includes methods of conducting field surveys estimating migration and analysing migration trends remittances selectivity and differentials assesses other demographic socio economic phenomenon such as education employment and women s status provides a methodology to evaluate remittances and their influence on the economy and examines social costs of migration on those left behind parents wives and children a neglected area in the field of migration This handbook will be invaluable to scholars and students of migration studies demography development studies and sociology as well as policy makers administrators academics and non governmental organisations in the field

Land of Opportunity Ruth McKoy Lowery, Rose Pringle, Mary Ellen Oslick, 2019-05-24 This book presents the experiences of immigrant children and their families in the US We use the lens of Culturally Responsive Teaching CRT a pedagogy that recognizes the importance of including students cultural references in all aspects of learning Ladson Billings 1994 Teachers become culturally relevant when they intentionally acknowledge and incorporate the experiences of all their students They ensure that all students feel welcomed in their classrooms regardless of their cultural racial or ethnic backgrounds The ongoing negative debates surrounding immigrant populations center on minority immigrants We believe that all immigrant students can succeed in the US education system if given the most appropriate experiences to support their learning We advocate for employing a culturally responsive stance to achieve this To that end this book shares diverse experiences from different minoritized immigrant groups in the hope that these stories illuminate the importance of acknowledging and celebrating all students and their experiences in the school home and community
