New Israel Peacemaking And Liberalization:

The New Israel Gershon Shafir, 2018-02-13 The New Israel Peacemaking and Liberalization argues that the ongoing Israeli Palestinian peace process will be expedited by increased economic liberalization Israel has undergone dramatic economic change in the 1990s shifting from a strongly protectionist state centered economy to a more international neoliberal one The book maintains that these fundamental changes have in turn transformed Israeli society as a whole resulting in a significant moderation of attitudes toward the Palestinian people and Palestinian nationalism The New Israel contains contributions from both established Israeli sociologists and promising young scholars The New Israel Peacemaking and Liberalization is an insightful commentary on one of the most crucial international issues of our time **Neoliberalism as a State Project** Asa Maron, Michael Shalev, 2017-04-14 This book explores the politics institutional dynamics and outcomes of neoliberal restructuring in Israel It puts forward a bold proposition that the very creation of a neoliberal political economy may be largely a state project Correspondingly it argues that key political conflicts surrounding the realization of this project may occur within the state Neoliberal restructuring and the institutionalization of permanent austerity are dependent on reconfigured power relations between state actors and are manifested in a new institutional architecture of the state This architecture in turn is the context in which efforts to change social and employment policies play themselves out The volume frames the coming of neoliberalism in Israel as a set of concrete and far reaching changes in the power and modes of operation of the key players in the political economy These changes undermined and neutralized veto players and enabled the ascendance of two state agencies the Ministry of Finance and the Central Bank which gained greatly augmented authority and autonomy These reconfigurations were set in motion by state initiatives that combined punctuated and incremental change The volume comprises case studies of changes in specific social and labor market policies revealing a close elective affinity between programmatic neoliberal changes on the one hand and on the other the proactive drive of the Ministry of Finance to enhance its control over public spending and policy design The book explores successful neoliberal reforms but also reforms that were blocked undermined or overturned by opposition emphasizing the importance of reformers capacity to translate temporary achievements into entrenched strategic advantages **Labor in Israel** Jonathan Preminger, 2018-04-15 Using a comprehensive analysis of the wave of organizing that swept the country starting in 2007 Labor in Israel investigates the changing political status of organized labor in the context of changes to Israel's political economy including liberalization the rise of non union labor organizations the influx of migrant labor and Israel's complex relations with the Palestinians Through his discussion of organized labor's relationship to the political community and its nationalist political role Preminger demonstrates that organized labor has lost the powerful status it enjoyed for much of Israel's history Despite the weakening of trade unions and the Histadrut however he shows the ways in which the fragmentation of labor representation has created opportunities for those previously excluded from the labor movement

regime Organized labor is now trying to renegotiate its place in contemporary Israel a society that no longer accepts labor's longstanding claim to be the representative of the people As such Preminger concludes that organized labor in Israel is in a transitional and unsettled phase in which new marginal initiatives new organizations and new alliances that have blurred the boundaries of the sphere of labor have not yet consolidated into clear structures of representation or accepted patterns of political interaction

Political Power and Social Theory Diane E. Davis, Christina Proenza-Coles, 2008-09-07 Deals with the comparative and historical social science This title focuses on a variety of questions relating to states citizenship and power common themes examined with divergent analytical entry points and through deep knowledge of country cases as diverse as Russia the United States El Salvador South Africa and Israel

The Privatization of Israel Amir Paz-Fuchs, Ronen Mandelkern, Itzhak Galnoor, 2018-05-03 The book is the first to cover all areas of privatization in Israel and one of the first to do so in general including state infrastructure immigration policy land health education welfare regulation and policy design As such it offers a comprehensive volume for students policy makers and scholars interested in the economic sociological political and legal perspectives of a major policy trend that has changed the face and character of the modern state In addition it is a vital contribution to those who have an interest in changes in Israeli society politics and economy

The Crooked Timber of Democracy in Israel Dahlia Scheindlin, 2023-09-18 A narrative chronicle of Israeli democracy that defines historic phases and follows thematic challenges to democracy including competition between religion and the rule of law the statist society and chaotic minoritocracy modern illiberal populism and the Israeli Palestinian conflict The comprehensive portrait exposes endemic flaws of democracy in Israel but also shows that Israel has considerable capacity and responsibility to fulfill the promise of democracy

Neoliberal Apartheid Andy Clarno, 2017-03-07 In recent years as peace between Israelis and Palestinians has remained cruelly elusive scholars and activists have increasingly turned to South African history and politics to make sense of the situation In the early 1990s both South Africa and Israel began negotiating with their colonized populations South Africans saw results the state was democratized and black South Africans gained formal legal equality Palestinians on the other hand won neither freedom nor equality and today Israel remains a settler colonial state Despite these different outcomes the transitions of the last twenty years have produced surprisingly similar socioeconomic changes in both regions growing inequality racialized poverty and advanced strategies for securing the powerful and policing the racialized poor Neoliberal Apartheid explores this paradox through an analysis of de colonization and neoliberal racial capitalism After a decade of research in the Johannesburg and Jerusalem regions Andy Clarno presents here a detailed ethnographic study of the precariousness of the poor in Alexandra township the dynamics of colonization and enclosure in Bethlehem the growth of fortress suburbs and private security in Johannesburg and the regime of security coordination between the Israeli military and the Palestinian Authority in the West Bank The first comparative study of the changes in these two areas since the early 1990s the book addresses the limitations of liberation in South Africa

highlights the impact of neoliberal restructuring in Palestine and argues that a new form of neoliberal apartheid has emerged in both contexts **Israel's Materialist Militarism** Yagil Levy, 2007-01-01 Israel's Materialist Militarism explains the fluctuations in Israel's military policies during the 1990s 2000s from the Oslo Accords to the al Aqsa Intifada and the Second Lebanon War A conceptual framework is offered that relies on materialist militarism the relations of exchange between the state and social groups by which the groups exchange their military sacrifice for social rewards that in turn nurtures militarism The dynamic balancing of the sacrifice reward equation explains the dynamics of war versus de escalation

Social Justice, Legitimacy and the Welfare State Benjamin Veghte, 2016-12-05 Drawing together leading international experts such as Knut Halvorsen Robert Y Shapiro Stefan Svallfors and Wim van Oorschot this volume addresses issues of justice and legitimacy in the context of welfare state transformation The contributors demonstrate that the Western welfare state is not at risk of losing support or encountering fundamental opposition but does face serious challenges including growing social and ethnic diversity new social risks fiscal constraints and contested notions of justice The volume focuses on four main aspects attitude formation in cross national perspective the just distribution of burdens and benefits political factors mediating the effects of social attitudes on public policy and challenges to the welfare state stemming from immigration and ethnic diversity Providing a comparative perspective on the issue Social Justice Legitimacy and the Welfare State makes a significant contribution to the literature on the public standing of the welfare state **The Challenge of Post-Zionism** Ephraim Nimni, 2003 This volume presents the emerging debate known as Post Zionism about the future and characteristics of Israel Its contributors include some of its main protagonists Israeli citizens of Jewish and Palestinian background They explore Post Zionism's meanings ambiguities and prospects and place it in its political context as Israeli society seems to be reaching an ideological crossroads They also put forward criticisms of post Zionism and explore its implications for out groups including Palestinians Israeli women and Jewish people living outside Israel **Advances in Military Sociology** Giuseppe Caforio, 2009-12-01 A selection of the papers presented at RC01's international conference in Seoul July 2008 It offers an overview of the panorama of social studies on armed forces and conflict resolution in a context of fast moving change It presents studies that move beyond the very concept of globalization *Peaceworks*, 2006 **Being Israeli** Gershon Shafir, Yoav Peled, 2002-02-14 A timely study by two well known scholars offers a theoretically informed account of the political sociology of Israel The analysis is set within its historical context as the authors trace Israel's development from Zionist settlement in the 1880s through the establishment of the state in 1948 to the present day Against this background the authors speculate on the relationship between identity and citizenship in Israeli society and consider the differential rights duties and privileges that are accorded different social strata In this way they demonstrate that despite ongoing tensions the pressure of globalization and economic liberalization has gradually transformed Israel from a frontier society to one more oriented towards peace and private profit This unexpected conclusion offers some encouragement for the

future of this troubled region However Israel s position towards the peace process is still subject to a tug of war between two conceptions of citizenship liberal citizenship on the one hand and a combination of the remnants of republican citizenship associated with the colonial settlement with an ever more religiously defined ethno nationalist citizenship on the other

Facing Barriers Vered Kraus,Yuval P. Yonay,2018-03-22 Analyzes the labor experience of Israeli Palestinian women arguing that state policies and widespread discrimination hinder their labor force participation and success Economic Citizenship Amalia Sa'ar,2016-07-01 With the spread of neoliberal projects responsibility for the welfare of minority and poor citizens has shifted from states to local communities Businesses municipalities grassroots activists and state functionaries share in projects meant to help vulnerable populations become self supportive Ironically such projects produce odd discursive blends of justice solidarity and wellbeing and place the languages of feminist and minority rights side by side with the language of apolitical consumerism Using theoretical concepts of economic citizenship and emotional capitalism Economic Citizenship exposes the paradoxes that are deep within neoliberal interpretations of citizenship and analyzes the unexpected consequences of applying globally circulating notions to concrete local contexts *The Elections In Israel* Alan Arian,Michal Shamir, The Elections in Israel 2003 brings together leading Israeli and North American social scientists and their state of the art in depth analysis of the 2003 Israeli national elections These elections returned Ariel Sharon and the Likud to power amid one of the bloodiest rounds of conflict between Israel and the Palestinians and a severe economic downturn in Israel Contributors analyze the electoral behavior of the voters as a whole and various subgroups highlighting social cleavages and identity as well as issues and other strategic considerations Three chapters analyze in detail the Arab the national religious and the Russian vote The 2003 elections saw Israel s return to the family of parliamentary nations after it experimented with the direct election of the prime minister from 1996 through 2001 The impact of the adoption and repeal of this unique Israeli system of government is another major topic covered in this volume and several contributions explore the impact of these changes upon the electorate the party system and party financing Other unusual features of the 2003 elections were the low turnout levels among Jewish and Arab voters political moves to disqualify Arab candidates and lists from running for office which were overruled by the Supreme Court of Israel the collapse of the left the spectacular showing of the centrist Shinui party and the dominant status of the Likud in the Knesset and in Israeli politics Through its focus on the 2003 elections this volume also illuminates developments and changes in Israeli society and politics Many of these developments multiculturalism changes in social stratification the growing role of the judiciary and of the media and political reforms characterize other Western democracies as well and these are discussed from a comparative perspective The Elections in Israel 2003 will be of particular interest to those concerned with politics in Israel as well as those concerned with comparative politics and elections in general Asher Arian is Distinguished Professor of Political Science at the Graduate Center of the City University of New York a senior research fellow at the Israel Democracy Institute and professor of political

science at the University of Haifa Michal Shamir is professor of political science at Tel Aviv University

World Religions and Multiculturalism, 2010-10-05 This book is about new forms of religiosity and religious activity emerging in the context of their dialectic relations with contemporary multicultural realities World religions are effectively a major agent of the multiculturalization of contemporary societies However multiculturalism pushes them not only toward change and reforms but also toward new conflicts between and within them This process should remind us of the Jewish legend of the Golem an animated being created by man which finally challenges the latter's control over it a dialectic relation indeed World religions today greatly contribute to a world dis order that is multicultural both when viewed as a whole and from within most societies that compose it It is a development that contrasts both with the assumption that globalization implies one way homogenization and convergence to Western modernity and the expectation that globalization would be bound to polarize homogeneous civilizations

The Globalization of Israel Uri Ram, 2013-10-18 This book focuses on how globalization is impacting contemporary Israel It is a concise and originally argued introduction to Israel but the author Uri Ram is careful to frame his analysis in a broader discussion of Israeli history and broader social currents Focusing in particular on two defining and conflicting contemporary trends one toward advanced liberal democracy with a cosmopolitan edge and the other toward ethno religious traditionalism and rejection of the secularism associated with market driven globalization The cosmopolitan high tech driven city of Tel Aviv represents the former trend and Jerusalem a city increasingly dominated by orthodox Jews represents the latter Using Benjamin Barber's Jihad versus McWorld thesis to good effect Ram's book will stand as an ideal introduction to contemporary Israel and its place in the world

Democratic Citizenship and War Yoav Peled, Noah Lewin-Epstein, Guy Mundlak, Jean Cohen, 2014-06-03 This edited volume explores the theoretical and practical implications of war and terror situations for citizenship in democratic states Citizenship is a key concept in Western political thought for defining the individual's relations with society The specific nature of these rights duties and contributions as well the relations between them are determined by the citizenship discourses that prevail in each society In wartime including low intensity wars democratic societies face different challenges than the ones facing them during peacetime in areas such as human rights the status of minorities the state's obligations to its citizens and the meaning of social solidarity War situations can affect not only the scope of citizenship as an institution but also the relations between the prevailing discourses of citizenship and between different groups of citizens Since 9 11 and the declaration of the war on terror many democracies have been grappling with issues rising out of the interface between citizenship and war This volume examines the effects of war on various aspects of citizenship practice including immigration and naturalization the welfare state individual liberties gender relations multiculturalism social solidarity and state civil society relations This book will be of great interest to students of military studies political science IR and security studies in general

The I.B. Tauris Handbook of Sociology and the Middle East Fatma Müge Göçek, Gamze Evcimen, 2022-11-17 What we understand by the Middle East has changed over

time and across space While scholars agree that the geographical core of the Middle East is the Arabian Peninsula the boundaries are less clear How far back in time should we go to define the Middle East How far south and east should we move on the African continent And how do we deal with the minority religions in the region and those who migrate to the West Across this handbook's 52 chapters the leading sociologists writing on the Middle East share their standpoint on these questions Taking the featured scholars as constitutive of the field the handbook reshapes studies on the region by piecing together our knowledge on the Middle East from their path defining contributions The volume is divided into four parts covering sociologists' perspectives on Social transformations and social conflict from Israel Palestine and the Iranian Revolution to the Arab Uprisings and the Syrian War The region's economic religious and political activities including the impact of the spread of Western modernity the effects of neo liberalism and how Islam shapes the region's life and politics People's everyday practices as they have shaped our understanding of culture consumption gender and sexuality The diasporas from the Middle East in Europe and North America which put the Middle East in dialogue with other regions of the world The global approach and wide ranging topics represent how sociologists enable us to redefine the boundaries and identities of the Middle East today

Whispering the Strategies of Language: An Psychological Quest through **New Israel Peacemaking And Liberalization**

In a digitally-driven world wherever screens reign supreme and quick interaction drowns out the subtleties of language, the profound strategies and psychological subtleties hidden within phrases frequently go unheard. Yet, nestled within the pages of **New Israel Peacemaking And Liberalization** a fascinating fictional prize pulsing with raw feelings, lies a fantastic journey waiting to be undertaken. Penned by a talented wordsmith, this enchanting opus invites visitors on an introspective trip, lightly unraveling the veiled truths and profound impact resonating within the cloth of each word. Within the mental depths of this poignant review, we can embark upon a honest exploration of the book is key subjects, dissect their interesting publishing style, and succumb to the strong resonance it evokes serious within the recesses of readers hearts.

New Israel Peacemaking And Liberalization Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading New Israel Peacemaking And Liberalization free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading New Israel Peacemaking And Liberalization free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF,"

users can find websites that offer free PDF downloads on a specific topic. While downloading New Israel Peacemaking And Liberalization free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading New Israel Peacemaking And Liberalization. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading New Israel Peacemaking And Liberalization any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About New Israel Peacemaking And Liberalization Books

What is a New Israel Peacemaking And Liberalization PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a New Israel Peacemaking And Liberalization PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a New Israel Peacemaking And Liberalization PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a New Israel Peacemaking And Liberalization PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a New Israel Peacemaking And Liberalization PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing

capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
