What Is the New Jerusalem? David Jensen, 2023-02-09 We all know about how we were taught that when we die we will stand before Peter at the pearly gates and he holds a book determining if we are worthy of entering the gates of heaven We were told we will be running down streets of gold and having a mansion we reside in this enormous cube extending 1500 miles in all directions But have you really thought about that Have you considered how strange that would look on the earth When I began studying that I noticed that it is not mentioned in scripture But what is mentioned is the description of the bride of Christ In Revelation chapter 21 John is describing the bride as a beautiful city and not a literal super cube coming down In this book I will go verse by verse explaining this description so you can have an accurate knowledge of the Word of God

The Application of the Interpretation of the New Jerusalem to the Seeking Believers Witness Lee, Living Stream Ministry, 1997 *Priesthood and Temple in John's Apocalypse* Timothy B. Tse, 2024-12-12 Timothy B Tse argues that while John uses language drawn from the Hebrew Bible's descriptions of YHWH's dwelling place scholarship has overlooked the importance of his spatial transformation of that language Tse thus uses theories relating to Relevance Resistance Theory Critical Space Theory and Conceptual Metaphor to demonstrate that a significant part of John's apocalyptic strategy of resistance is to re-present his vision to his audience spatially so that they can experience a divinely ordained alternative to the world in which they live Tse first demonstrates John's attempts to relegate his audience's experience of space to his own revelation John's description of the visionary world creates the metaphors the earth is a Sanctuary and the Saints are its priests Tse argues that under this view life on earth must be evaluated according to the concerns of the Sanctuary which by definition requires the removal of everything impure

and the Saints namely all Christians in both the historic and visionary worlds must take priestly responsibility for the earth John therefore portrays the Saints joining in the removal of all impurity upon the earth by fighting as priests in God and the Lamb's war against Satan Babylon and all her impurities Tse concludes that overall John means to realign the church's experience of space so that they understand themselves as priests of the Sanctuary and live according to that reality

Reaching for the New Jerusalem Seong Hyun Park, Aída Besançon Spencer, William David Spencer, 2013-08-02 The task of this book is to examine the biblical and theological meaning of the city and our mission within it It starts with the premise that the garden is lost and we are headed toward the New Jerusalem the city of God In the meanwhile we dwell in earthly cities that need to be adjusted to God's city The fall has conditioned us to fear the city though historically God intended it to provide safety even refuge We have to band together and act to take back our communities if we are to help God in the divine task of reconciling the world to Godself by assisting God in adjusting our communities to God's New Jerusalem rebuilding our own cities of Enoch on the blueprints of Christ to go into all the world and share his good news building the Christian community along the lines of the New Jerusalem a city of light in which God is revealed from the Introduction by William David Spencer Toward achieving this goal this single accessible volume brings together the biblical the systematic and the practical aspects of urban ministry by various contributors who are urban practitioners and theologians themselves and have taught at Gordon Conwell Theological Seminary Boston Campus

Lions, Locusts, and the Lamb Michael Kuykendall, 2019-01-28 The symbolism of Revelation has puzzled readers for centuries Every generation falls prey to extreme views of interpretation Even worse they minimize the importance of John's Apocalypse by not teaching or preaching from it Yet Revelation is a profound work of New Testament theology and warrants a close study John expects and prepares believers to follow the Lamb through suffering and possible martyrdom The problem is centered on what the symbols mean Are they literal Are they symbolic Do the images refer to events and people in the first century or to the last days of planet earth Moreover how is the book structured Is it one vision four visions or more Are the visions linear or recapped Lions Locusts and the Lamb Interpreting Key Images in the Book of Revelation demonstrates a way to unlock John's structure and unravel his symbols The key is to follow a logical step by step interpretive approach that accents the historical cultural intertextual extratextual and particularly intratextual allusions and connections The result is a book that delivers the basic meaning of three hundred images and categorizes them into an accessible guide for teachers preachers and readers of Revelation
