

Passport German

Kathrin Schmidt, Katja S Wölfert

Passport German:

Documents on German Foreign Policy, 1918-1945, from the Archives of the German Foreign Ministry Germany. Auswärtiges Amt,1953 **Documents on German Foreign Policy, 1918-1945: Poland; The Balkans; Latin America; the smaller powers, June 1937-March 1939** Germany. Auswärtiges Amt,1953 **Jews in Germany After the Holocaust** Lynn Rapaport,1997-07-17 What is it like to be Jewish and to be born and raised in Germany after the Holocaust Based on remarkably candid interviews with nearly one hundred German Jews Lynn Rapaport s book reveals a rare understanding of how the memory of the Holocaust shapes Jews everyday lives As their views of non Jewish Germans and of themselves their political integration into German society and their friendships and relationships with Germans are subtly uncovered the obstacles to readjustment when sociocultural memory is still present are better understood This is also a book about Jewish identity in the midst of modernity It shows how the boundaries of ethnicity are not marked by how religious Jews are or their absorption of traditional culture but by the moral distinctions rooted in Holocaust memory that Jews draw between themselves and other Germans Jews in Germany after the Holocaust has won an award for being the best book in the sociology of religion from the American Sociological Association *The Invention of the Passport* John Torpey,2018-07-26 The definitive history of the passport and why it became so important for controlling movement in the modern world *The German Spy in America* John Price Jones,2023-11-02 In *The German Spy in America* John Price Jones delves into the intricate web of espionage during World War I exploring the implications of espionage on American society and its psychological undercurrents Jones employs a vivid narrative style that juxtaposes historical fact with dramatic reenactments providing readers a gripping account of a clandestine world fueled by suspicion and intrigue His meticulous research offers scholarly insight into the lesser known aspects of intelligence operations and their impact on civil liberties making the work both a historical document and a compelling narrative John Price Jones a historian with a focus on military intelligence and surveillance draws from extensive archival research and personal interviews to craft this multifaceted narrative His academic background and personal passion for uncovering tales of espionage illuminate the underlying motivations of his characters and the socio political milieu of early 20th century America revealing how fear of the other shaped national policy and cultural attitudes Highly recommended for historians students and anyone interested in the intersection of history and espionage *The German Spy in America* is an essential read It not only enriches our understanding of wartime intelligence but also resonates with contemporary discussions surrounding privacy security and national identity

In the Prison Camps of Germany Conrad Hoffman,1920 **Passport Reorganization Act of 1959** United States. Congress. Senate. Committee on Government Operations,1959 Considers S 2095 Passport Reorganization Act of 1959 to establish U S Passport Service in State Dept S 2287 and similar bills to provide standards for issuance of passports S 2315 to deny passports to supporters of international communist movements S 1303 to amend Immigration and Nationality Act

In the Prison Camps of Germany Conrad Hoffman,1920 **Passport Reorganization Act of 1959** United States. Congress. Senate. Committee on Government Operations,1959 Considers S 2095 Passport Reorganization Act of 1959 to establish U S Passport Service in State Dept S 2287 and similar bills to provide standards for issuance of passports S 2315 to deny passports to supporters of international communist movements S 1303 to amend Immigration and Nationality Act

wartime travel limitations and passport procedures Appendix includes judicial opinions involving denial of or requests for passports

The Meaning of Citizenship Richard Marback, Marc W. Kruman, 2015-11-15 Scholars of history political science sociology and citizenship studies will appreciate this conversation about the full meaning of citizenship

Juggling Between Two Worlds Saideh Saidi ,2018 Migration has been a life event for many Afghans during the past decades with mass exoduses due to war insecurity and poverty This book explores how Hazara migrant women reinterpret their narration of self ventilates opinions of their migratory lives and analyses ways Afghan immigrant women experience life in Germany It presents an understanding how they experience sociocultural change as a consequence of their migratory experiences It identifies contradictions in how Afghan immigrant women negotiate identity belonging to and acquire status in the new society

International Law Reports E. Lauterpacht, C. J. Greenwood, 1987 International Law Reports is the only publication in the world wholly devoted to the regular and systematic reporting in English of courts and arbitrators as well as judgements of national courts

Migration Law in Germany Gerhard Robbers, 2021-06-20 Derived from the renowned multi volume International Encyclopaedia of Laws this monograph on the rules on immigration and right of residence of non nationals in Germany examines the legal and administrative conditions for persons not having the citizenship of a State to enter the country and to stay and reside there It provides a survey of the subject that is both usefully brief and sufficiently detailed to answer most questions likely to arise in any pertinent legal setting It follows the common structure of all monographs appearing in the International Encyclopaedia for Migration Law thus allowing easy comparison between the country studies As migration and economic activities are often interlinked the analysis pays particular attention to labour market access and regulation of self employed activities for non nationals The book describes the status of such specific categories of persons as students researchers temporary workers and asylum seekers as well as the position of family members detailing applicable legislation and providing practical information on administrative procedures sanctions and legal remedies and guarantees The impact of international human rights law and various bilateral and multilateral agreements is considered along with the broader application of national and local law to non citizens in such areas as family relations labour social security and education Lawyers scholars practitioners policymakers government administrations and non governmental organizations involved in the development practice and study of migration law will find this book indispensable It will be welcomed by lawyers representing parties with interests in Germany and immigration specialists in both public and private organizations Academics and researchers also will appreciate its value in the study of comparative trends and harmonization initiatives affecting migrants

Practical Handbook for the Marketing of Foreign Investment Funds in Germany Kathrin Schmidt, Katja S Wölfert, 2010-07 This practical handbook gives a comprehensive legal overview of regulatory issues for non German investment companies which intend to sell the units of their investment funds in Germany It provides useful legal information for entering the German market The authors explain the conditions in

which non German investment products come within the scope of the German Investment Act regulated investment funds This book assists the readers in distinguishing between the strict boundaries of private placements and the wider rules of public distribution Readers are provided with a legal overview in relation to the private placement of regulated investment funds including hedge funds This book also deals with the notification of UCITS Undertakings for Collective Investment in Transferable Securities which comply with the UCITS Directive 85 611 EEC with the Bundesanstalt f r

Finanzdienstleistungsaufsicht BaFin for public distribution in Germany and sets out an investment company s regulatory reporting and information duties to German unitholders and the BaFin subsequent to a notification for public distribution The authors explain distribution and marketing rules which apply to foreign regulated investment funds in Germany They outline the licence requirements for foreign distributors Consumer related issues such as rights of revocation consumer information and prospectus liability are also covered This handbook sets out the requirements for listing Exchange Traded Funds on a German stock exchange and deals with continuing listing obligations and the inclusion of foreign investment funds in stock exchange trading without the issuer s consent **Embracing Democracy in Modern Germany** Michael L.

Hughes,2021-01-14 Across the modern era the traditional stereotype of Germans as authoritarian and subservient has faded as they have become mostly model democrats This book for the first time examines 130 years of history to comprehensively address the central questions of German democratization How and why did this process occur What has democracy meant to various Germans And how stable is their or indeed anyone s democracy Looking at six German regimes across thirteen decades this study enables you to see how and why some Germans have always chosen to be politically active even under dictatorships the enormous range of conceptions of political culture and democracy they have held and how interactions among various factors undercut or facilitated democracy at different times Michael L Hughes also makes clear that recent surges of support for populism and authoritarianism have not come out of nowhere but are inherent in long standing contestations about democracy and political citizenship Hughes argues that democracy in Germany or elsewhere cannot be a story of adversity overcome which culminates in a happy ending it is an ongoing open ended process whose ultimate outcome remains uncertain **Let's Go Germany 14th Edition** Adam Clark Estes,Arielle Fridson,2008-11-25 A guide to visiting

Germany on a budget that provides information on hotels restaurants shops tourist attractions nightlife activities and more with detailed maps listings and insider tips Financial Cryptography and Data Security Radu Sion,2010-07-15 This book constitutes the thoroughly refereed post conference proceedings of the 14th International Conference on Financial Cryptography and Data Security FC 2010 held in Tenerife Canary Islands Spain in January 2010 The 19 revised full papers and 15 revised short papers presented together with 1 panel report and 7 poster papers were carefully reviewed and selected from 130 submissions The papers cover all aspects of securing transactions and systems and feature current research focusing on both fundamental and applied real world deployments on all aspects surrounding commerce security **Official**

Journal ,1929 Brewing and Liquor Interests and German and Bolshevik Propaganda United States. Congress. Senate. Committee on the Judiciary,1919 *Documenting Individual Identity* Jane Caplan,John Torpey,2018-06-05 This book addresses one of the least studied yet most pervasive aspects of modern life the techniques and mechanisms by which official agencies certify individual identity From passports and identity cards to labor registration and alien documentation from fingerprinting to much debated contemporary issues such as DNA typing body surveillance and the catastrophic results of colonial era identity documentation in postcolonial Rwanda Documenting Individual Identity offers the most comprehensive historical overview of this fascinating topic ever published The nineteen essays in this volume represent the collaborative effort of historians sociologists historians of science political scientists economists and specialists in international relations Together they cover a period from the emergence of systematic practices of written identification in early modern Europe through to the present day and a geographic range that includes Europe the Soviet Union North and South America and Africa While the book is attuned to the nefarious possibilities of states increasing capacity to identify individuals it recognizes that these same techniques also certify citizens eligibility for significant positive rights such as welfare benefits and voting Unprecedented in subject and scope Documenting Individual Identity promises to shape a whole new field of research that crosses disciplinary boundaries and is of broad public and academic significance In addition to the editors the contributors are Valentin Groebner G rard Noiriel Charles Steinwedel Marc Garcelon Jon Agar Martine Kaluszynski Peter Becker Anne Joseph Kristin Ruggiero Andrea Geselle Andreas Fahrmeier Leo Lucassen Pamela Sankar David Lyon Gary Marx Dita Vogel and Timothy Longman **Visa Requirements of Foreign Governments** United States. Bureau of Consular Affairs,1985 Papers Relating to the Foreign Relations of the United States United States. Department of State,1905
