Pastoral Care Theology:

Pastoral Care in Context John Patton, 2005-02-18 An expert in the field of pastoral care John Patton demonstrates that pastoral care is a ministry of the church He focuses on the community of faith as an authorizer and source of care and upon the relationship between the pastor and a caring community Patton identifies and compares three paradigms of pastoral care the classical the clinical pastoral and the communal contextual This third paradigm emphasizes the caring community and the various contexts for care rather than focusing on pastoral care as the work of the ordained pastor

Pastoral Care and Counseling Helsel, Philip Browning, 2019 Addresses the critique that pastoral care is indistinguishable from secular psychotherapy by placing a person's relationship to God at the center of pastoral care

Theological Context for Pastoral Caregiving William M Clements, Howard W Stone, 2013-09-05 In *Theological Context for Pastoral Caregiving* Howard W Stone helps his fellow pastors and worship leaders provide effective and faithful pastoral care and counseling through the study of the correlation between pastoral care and theology You will learn that in order for pastoral care to be effective it must have a theological base to shape the caregiving experience At the same time theology must be informed by the needs and experiences of the people being served and by the ministry of pastoral care By relating these two issues you gain a unique viewpoint not offered by books with simply a psychological focus The author draws from his day to day clinical practice of pastoral care and counseling to show how pastoral care and theology can be brought together Through Howard Stone's work the reader learns of an overview of pastoral care and counseling today how to provide a pastoral assessment of the persons served the author's theological understanding of the ministry of pastoral care and counseling methods for correlating theology and pastoral care how spiritual direction as a discipline can help pastoral care and counseling ministry regain a solid theological base theological themes that might be more explicitly and intentionally related to pastoral care *Theological Context for Pastoral Caregiving* provides useful information for parish pastors people in training to be parish pastors and specialists in the field of pastoral care counseling As one of the easiest to read books on this subject it can also be used as a text for graduate level classes in courses such as Theology and Pastoral Care Pastoral Theology and Practical Theology With this book seminary students will finally be able to relate the practical things learned in pastoral counseling classes with what is learned in theology classes

Pastoral Care Dr. John Patton, 2010-09-01 The essentials of pastoral care involve the pastor's distinctive task of caring for those who are estranged the lost sheep Taken from the biblical image of the shepherd the pastor by virtue of his or her professional calling cultivates wise judgment in order to hear the hurting and offer guidance reconciliation healing sustaining presence and empowerment to those in need This book will outline the quintessential elements pastors need to wisely minister in today's context by discussing four major kinds of lostness grief illness abuse and family challenges The purpose of the Abingdon Essential Guides is to fulfill the need for brief substantive yet highly accessible introductions to the core disciplines in biblical theological and religious studies Drawing on the best in

The Meaning of Pastoral Care Carroll A. Wise,1966 The author contends that the focus of pastoral care should be on helping people become themselves what God intended them to become through a deep and personal relationship between pastor and person rather than by doling out theological or ethical formulas for particular problems Pastoral care should denote the relationship of the pastor to his people in all activities not merely in dealing with persons in crises

A History of Pastoral Care G. R. Evans,2000-05-01 A history of pastoral care is a history of the Christian church in action But if any sense is to be made of the centuries of Christian work and effort not only the practicalities of making the message of the Gospel a reality on earth but also the ideas which have shaped the attempt century by century must be examined This is the history of 2000 years of thought and practice in Christian pastoral ministry Until comparatively late in that story the bulk of the formative thinking took place in the Middle East and in Europe and this forms the background for recent developments in understanding human nature and the ways in which that understanding has influenced our thinking in pastoral care Subjects covered range from the Biblical foundations to the sects and new religious movements from the Fathers the monks the Friars the Templars to the changes at the end of the twentieth century

The Professionalization of Pastoral Care T. Dale Johnson,2020-07-21 When the organization and structure of the church in America was altered in the early 1900s to meet modern demands the role of the pastorate became more specialized to adapt to the burdens of the new efficient structure In 1920 Gaines Dobbins utilized the business efficiency model at Southern Baptist Theological Seminary to formulate a distinct ecclesiology Discontent with traditional methods of instruction in theological education Dobbins sought to implement theories and methodologies from modern educationalists He adopted a psychologized educational methodology and utilized the psychology of religion as an empirical measure of the soul human

nature and human behavior Use of the social sciences seemed to grant Dobbins as a practitioner academic respectability within the realm of theological education Both the professionalization that resulted from Dobbins s efficiency standards and a working theory of human nature derived from psychological models were synthesized into a specialized system of pastoral care Dobbins followed the new shape of pastoral theology in America adopting Clinical Pastoral Education CPE as the model for pastoral training As a result CPE became an integral part of the curriculum at Southern Baptist Theological Seminary for over sixty years and spread to influence many other SBC entities

Pastoral Theology in an Intercultural World

Emmanuel Y. Lartey, 2013-03-13 In today s world the challenge of care is how to respond to people s emotional as well as their economic circumstances How can we be respectful of the individual and the community in ways that affirm both How are we to live respectfully with difference and ambiguity Where shall we find our models of life and care from the dominant Western or else some kind of global perspective that includes indigenous knowledge In our theologies do we continue to privilege the study of abstract conceptual theory or do we give place to pragmatic aesthetic and nonverbal forms In the face of increasing extremism terrorism and violence is it possible to make a sensible choice between radical relativism and absolute essentialism Are we to be drawn towards the various expressions of religion or to the opportunities and ambiguities of spirituality as it is called upon in many societies today With the scarce resources available or allocated to health care in many national budgets across the world shall we give greater attention to the eradication of disease through increasingly advanced technologies and therapeutic strategies or to the promotion of health through primary health care and public health education Pastoral Theology in an Intercultural World presents practical theological resources for the broad vision deep passion and thoughtful action needed for pastoral care in the twenty first century

An Introduction to Pastoral Care

Charles V. Gerkin, 1997 With generative wisdom Gerkin moves beyond the predominance of the psychotherapeutic paradigm in pastoral care to a dynamic interactive process which balances faith culture community and individual well being Gerkin s history of pastoral care is skillful His analysis of the current transitions in the field of care will make this book a classic Jeanne Stevenson Moessner Columbia Theological Seminary Decatur and the Georgia Association for Pastoral Care Out of the abundance of his many years as a pastoral caregiver and theologian Gerkin introduces readers to the history theory and practice of pastoral care This book represents the best of Protestant liberal pastoral theology and fills a long standing gap The narrative hermeneutical paradigm which Gerkin offers holds and works with many of the complexities of pastoral care in postmodern times Carrie Doehring School of Theology Boston University Gerkin s Introduction to Pastoral Care breaks new ground for an introductory text in its emphasis on care as the central metaphor of life in the Christian community Thus the scope is much larger than the more usual focus only on individual and family needs He is deeply sensitive to both individual and community dimensions through his quadrilateral nexus of tradition individuals and family community and cultural context James N Lapsley Princeton Theological Seminary The formula appears simple take the very best of pastoral care

theory and research of the past build upon it the best of contemporary literature and practice in the pastoral arts and sciences season it with rich experiences of a pioneer in the pastoral care counseling and education movement and you have a solid bridge to the 21st century Gerkin has proven the formula Gerkin articulates a pastoral care for the 21st century Orlo C Strunk Jr Pastoral Psychotherapist at The Coastal Samaritan Center Myrtle Beach South Carolina

Brooks Holifield, 2005-11-01 Here for the first time the development of pastoral care as a discipline has been documented Dr Holifield details the shift in emphasis from saving souls to supporting individuals in self realization and in the process raises thought provoking questions about the preoccupation with psychological methodology evident in modern society and clergy Every pastor wittingly or unwittingly adopts some theory of pastoral counseling whether it be derived from the seventeenth century or from the twentieth says Dr Holifield From colonial America's intellectual approach to today's therapeutic self culture he explores those theories Theological social economic and psychological threads are interwoven with fascinating conversational examples to show how Protestantism helped to form and was influenced by changing social orders Broad in scope scholarly in detail yet immensely readable this is an important book for clinical pastoral educators students professionals everyone interested in church and social history Preface to Pastoral Theology Seward Hiltner, 1958 **Pastoral Care** Dr. Karen D. Scheib, 2016-02-16 Christian pastoral care is a narrative ecclesial theological practice NET As a narrative practice pastoral care attends to the inseparable interconnection between our own lifestories others stories the larger cultural stories and God's story As a ministry of the church pastoral care is an ecclesial practice that derives its motivation purpose and identity from the larger mission of the church to bear witness to and embody God's mission of love that extends beyond the church for the transformation of the world As a theological practice pastoral care is grounded in God's love story God's profound love for humankind heals our brokenness when human love fails and invites us into an ongoing process of growth in love of God self and neighbor Intended for those who provide care with and on behalf of religious communities author Karen Scheib focuses on listening and restorying practices occurring in the context and setting of congregations By coauthoring narratives that promote healing and growth in love pastoral caregivers become cocreators and companions who help others revise and construct life stories reshaped by the grace of God What Karen Scheib has done in this book is to reposition pastoral care as a theological activity performed in the context of the church She draws deeply upon her Wesleyan theological heritage upon an understanding of life in its fullness as growth in love and grace and upon a communion ecclesiology undergirded by a communal understanding of the Trinitarian life of God Thus grounded she envisions pastoral care first as a rhythm of the life of the whole church and secondarily as a work of trained pastors In her vision pastoral care is rescued from a narrow understanding of it as exceptional acts of intervention performed only in moments of dire crisis Instead it becomes a daily practice of pastoral care an attending in love to the stories of others and a listening for ways God is already present in a life story Solidly theological grounded in the life of the church and eminently teachable Karen Scheib has given us a great gift in this book from the Foreword Thomas G Long Bandy Professor of Preaching Emeritus Candler School of Theology Emory

University Atlanta GA In a wonderfully engaging reflective and useful way Karen Scheib captures something absolutely essential to pastoral care and yet often overlooked the utter centrality of storytelling listening the power of stories to heal and their vital connection to bigger stories told within religious communities This book is a real milestone reclaiming the importance of narrative knowing and grounding care not only in community but also within a comprehensive theological framework Bonnie J Miller McLemore E Rhodes and Leona B Carpenter Professor of Religion Psychology and Culture The Divinity School and Graduate Department of Religion Vanderbilt University Divinity School Nashville TN Implementing narrative personality and therapy theories and anchored in ecclesiology and Wesleyan theology NET Karen Scheib's book advances a long awaited and holistic approach to pastoral care Her NET approach presents the embodiment of pastoral care by emphasizing both narrative and paradigmatic knowing proposes the subjectivity of our stories in pastoral care by pointing out the interchangeability between us and our stories as subject and object and underscores the dynamic process of pastoral care through the interconnection of the storyteller listener and context Scheib's image of story companion contributes to the field as a new paradigm of pastoral care and promises to be a significant resource in generating hope and growth in love for both pastoral caregiver and receiver Angella Son Associate Professor Drew University Madison NJ Pastoral theologian Scheib describes a narrative ecclesial and theological approach for listening to people's life stories in such a way as to engender spiritual formation and growth in love Scheib clarifies the connections between caring conversations and Christian theology Clear and accessible prose as well as helpful exercises and discussion starters make this a fine teaching text The Christian Century Sept 29 2016

The Pastoral Nature of Theology R. John Elford, 2000-03-01 Classifying pastoral care as an applied theology suggests that it stems from a separate and pure theology In this new volume R John Elford contends that pastoral concerns and actions are not products of theology but in fact are the catalysts that prompt and necessitate it Elford offers a detailed critical analysis of the relationship between theology and pastoral care and compares how different faith traditions understand the pastoral He traces how shifting historical circumstances and perceptions of pastoral need spurred changes in theological understanding and he asserts the need for these traditions to be in conversation with modern culture In closing *The Pastoral Nature of Theology* considers the role of morality in pastoral care and how contemporary issues often bring about profound theological problems
