Miranda Alison

Political Violence In Sri Lanka:

Political Violence in Sri Lanka, 1971-1987 Gāmiṇi Samaranāyaka, 2008 This book is the revised version of his doctoral thesis on Political Violence in the Third World A Case Study of Sri Lanka 1971 1987 It is a systematic empirical study of the left wing insurrection by the Janatha Vimukthi Peramuna JVP in April 1971 and the ethnic insurrection by the Liberation Tigers of Tamil Eelam LTTE up to the Indo Sri Lanka Accord of 1987 This is an in depth study regarding a crucial phase of the on going political violence in Sri Lanka The book emphasizes that the root cause for the Political Violence in Sri Lanka is not only confined to ethnic groups but also on socio economic basis too The study explores the socio economic and political background that paved the way to the origin and development of underground movements the genesis of ideologies the strategies and tactics adopted leading to the escalation of political violence This book will therefore serve as a core reading material to understand the political violence in Sri Lanka Consequently it will serve as a very useful authentic reference material for the students of political science and policy makers concerned in search of a sustainable consensus and compromise for setting the political violence in Sri Lanka Contents List of Tables Abbreviations Foreword Preface Introduction Theories on Political Violence An Analytical Framework Preconditions of Political Violence in Sri Lanka The 1971 Insurrection Precondition of Tamil Guerrilla Warfare Origin Development and Form of Guerrilla Organisations Ideologies Strategies and Programmes Pattern of Political Violence 1971 1987 Conclusion Appendices Bibliography Index The Title Political Violence In Sri Lanka written authored edited by Gamini Samaranayake published in the year 2008 The ISBN 9788121210034 is assigned to the Hardcover version of this title This book has total of pp 432 Pages The publisher of this title is Gyan Publishing House This Book is in English The subject Matters of Violence Jayadeva Uyangoda, Janaka Biyanwila, 1997 Contributed essays *Ethnic Conflict in Sri Lanka. Can the use of political violence ever be justified?* Mariam Shakil, 2020-09-28 Essay from the year 2020 in the subject Politics Region South Asia grade 80% University of St Gallen course Politics of Religion in South Asia language English abstract Never think that war no matter how necessary nor how justified is not a crime Words were written by Ernest Hemingway depicting the vile nature of war while strengthening the narrative that war is groundless Much like Hemingway many others also share the same view on the atrocious aspects of war itself Warfare has been witnessed in all parts of the world for centuries Through the study of history we are aware of the evolution of methods of warfare International humanitarian law has helped guide nations to legitimately conduct acts of war against others The toughest pill to swallow though however obvious is that one aspect of war will always be inevitable the casualties This consequently results in the majority view that war is good for nothing Then the vital question that must be addressed is that if the effects of violence constitute more harm than good why is it an available option for nations to resort to Furthermore why does the law of war differ for state and non state actors In this essay I would like to examine the conditional nature of war within the international sphere by paying close attention to the Sri Lankan Civil War 1983 2009 as

an example to portray the disparities of armed conflict between state and non state actors and how the view of such acts are deemed differently through the use of the Just War theory *Political Violence in South Asia* Ali Riaz,Zobaida Nasreen,Fahmida Zaman,2018-09-24 Political violence has remained an integral part of South Asian society for decades The region has witnessed and continued to encounter violence for achieving political objectives from above and from below Violence is perpetrated by the state by non state actors and used by the citizens as a form of resistance Ethnic insurgency religion inspired extremism and ideology driven hostility are examples of violent acts that have emerged as challenges to the states which have responded with violence in the form of civil war and through violations of human rights disregarding international norms This book explores various dimensions of political violence in South Asia namely in Bangladesh India Nepal Pakistan and Sri Lanka Each chapter either speaks to an important aspect of the political violence or provides an overall picture of the nature and scope of political violence in the respective country Political violence is understood in the larger sense of political that is above and beyond institutions and also as an integral part of social relationships where social norms and the role of individual agency play seminal roles The contributions in this book incorporate both institutional and non institutional dimensions of political violence Exploring how everyday life in South Asian states and societies is transformed by the engagement with violence through direct and indirect methods this book adopts an interdisciplinary framework diverse methods are employed from ethnographic readings to more macro level analyses The phenomenon is explored from historical sociological and political perspectives This book will be useful as a supplementary text in courses on South Asian Studies in general and South Asian Politics in particular *Sri Lanka's Development Since Independence* W. D. Lakshman,Clement Allan Tisdell,2000 Social political economic and constitutional developments are considered as well as the evolution of science and arts in the development process This is in accordance with the Sri Lankan tradition of seeing the world as a connected whole BOOK JACKET **Examining Political Violence** David Lowe,Austin Turk,Dilip K. Das,2013-12-13 A collection of works some previously published as articles in the journal Police Practice and Research this book provides both conceptual analysis and case studies exploring historical and sociopolitical contexts of conflicts in order to help readers better understand these themes The book defines the concepts of terrorism and radicalization discusses countering terrorism through intelligence gathering and examines different policing models The conclusions drawn from these findings may assist in combating terrorism and political violence around the world This book is a co publication with the International Police Executive Symposium IPES **Counter-Terrorism and State Political Violence** Scott Poynting,David Whyte,2012-05-16 This edited volume aims to deepen our understanding of state power through a series of case studies of political violence arising from state counter terrorism strategies The book examines how state counter terrorism strategies are invariably underpinned by terror in the form of state political violence It seeks to answer three key questions To what extent can counter terror strategies be read as a form of state terror How fundamental is state terror to

the maintenance of a neo liberal social order What are the features of counter terrorism that render it so easily reducible to state terror In order to explore these issues and to reach an understanding of what it means to say that the war on terror is terror the contributing authors draw upon case studies from a range of geographical contexts including the UK and Northern Ireland the US and Colombia and Sri Lanka and Tamil Eelam Analysing these case studies from a psychological warfare and hegemonic perspective the book also includes two chapters from Noam Chomsky and John Pilger which provide a global and historical context This book will be of great interest to students of critical terrorism studies political violence war and conflict studies sociology international security and IR The Democratic Experience and Political Violence David C.

Rapoport,Leonard Weinberg,2013-04-03 An incisive analysis of the connections between democracy and violence by acknowledged experts in the field The connection between the two activities has often been largely ignored because of a widespread reluctance among democrats to consider the possibility that democratic forms perhaps encourage violence This challenging volume opens up the debate *World Terrorism: An Encyclopedia of Political Violence from Ancient Times to the Post-9/11 Era* James Ciment,2015-03-10 First Published in 2015 This collection holds three volumes Terrorism is a term that defies easy definition and its meaning has also changed over the course of history Because this encyclopedia aims at comprehensiveness across time geography and the conceptual landscape it applies the broadest definition of terrorism the use of violence or the threat of violence to effect political change through fear in which the victims of the violence The encyclopedia is divided into six parts Conflict and Peace in South Asia Manas Chatterji,B. M. Jain,2008-10-13 South Asia

is a distinct geographical entity comprised of seven countries India Pakistan Bangladesh Nepal Bhutan Sri Lanka and Maldives situated in the Indian Ocean This book looks at these countries in a historical context from inter regional and international perspectives Women and Political Violence Miranda Alison,2009-01-21 This book directly challenges the stereotype that women are inherently peaceable by examining female combatants involvement in ethno national conflicts Drawing upon empirical case studies of Sri Lanka and Northern Ireland this study explores the ways in which women have traditionally been depicted Whereas women have predominantly been seen as victims of conflict this book acknowledges the reality of women as active combatants Indeed female soldiers irregulars are features of most modern conflicts and particularly in ethno nationalist violence until now largely ignored by mainstream scholarship Original interview material from the author s extensive fieldwork addresses why and how some women choose to become violently engaged in nationalist conflicts It also highlights the personal political costs and benefits incurred by such women This book provides a valuable insight into female combatants and is a significant contribution to the literature This book will be of great interest to students of political violence ethnic conflict gender studies and international relations in general **Foreign Assistance Legislation for Fiscal Years 1990-91: Review of proposed economic and security assistance requests for Asia and the Pacific** United States. Congress. House. Committee on Foreign Affairs,1989 **Communalism and Globalization in South Asia**

is a distinct geographical entity comprised of seven countries India Pakistan Bangladesh Nepal Bhutan Sri Lanka and Maldives situated in the Indian Ocean This book looks at these countries in a historical context from inter regional and international perspectives Women and Political Violence Miranda Alison,2009-01-21 This book directly challenges the stereotype that women are inherently peaceable by examining female combatants involvement in ethno national conflicts Drawing upon empirical case studies of Sri Lanka and Northern Ireland this study explores the ways in which women have traditionally been depicted Whereas women have predominantly been seen as victims of conflict this book acknowledges the reality of women as active combatants Indeed female soldiers irregulars are features of most modern conflicts and particularly in ethno nationalist violence until now largely ignored by mainstream scholarship Original interview material from the author s extensive fieldwork addresses why and how some women choose to become violently engaged in nationalist conflicts It also highlights the personal political costs and benefits incurred by such women This book provides a valuable insight into female combatants and is a significant contribution to the literature This book will be of great interest to students of political violence ethnic conflict gender studies and international relations in general **Foreign Assistance Legislation for Fiscal Years 1990-91: Review of proposed economic and security assistance requests for Asia and the Pacific** United States. Congress. House. Committee on Foreign Affairs,1989 **Communalism and Globalization in South Asia**

and Its Diaspora Deana Heath, Chandana Mathur, 2010-12-22 Taking as its premise the belief that communalism is not a resurgence of tradition but is instead an inherently modern phenomenon as well as a product of the fundamental agencies and ideas of modernity and that globalization is neither a unique nor unprecedented process this book addresses the question of whether globalization has amplified or muted processes of communalism It does so through exploring the concurrent histories of communalism and globalization in four South Asian contexts India Pakistan Bangladesh and Sri Lanka as well as in various diasporic locations from the nineteenth century to the present Including contributions by some of the most notable scholars working on communalism in South Asia and its diaspora as well as by some challenging new voices the book encompasses both different disciplinary and theoretical perspectives It looks at a range of methodologies in an effort to stimulate new debates on the relationship between communalism and globalization and is a useful contribution to studies on South Asia and Asian History *Trade Unions in Asia* John Benson, Ying Zhu, 2008-05-30 Offering a comprehensive account of the role played by trade unions in Asia this book focuses on the strategies they have adopted to represent workers and discusses the issues surrounding wages and working conditions health and safety women s employment opportunities and human resource development Routledge Handbook of Non-Violent Extremism Elisa Orofino, William Allchorn, 2023-03-09 This Handbook provides the first in depth analysis of non violent extremism across different ideologies and geographic centres a topic overshadowed until now by the political and academic focus on violent and jihadi extremism in the Global North Whilst acknowledging the potentiality of non violent extremism as a precursor to terrorism this Handbook argues that non violent extremism ought to be considered a stand alone area of study Focusing on Islamist Buddhist Hindu far right far left environmentalist and feminist manifestations the Handbook discusses the ideological foundation of their war on ideas against the prevailing socio political and cultural systems in which they operate and provides an empirical examination of their main claims and perspectives This is supplemented by a truly global overview of non violent extremist groups not only in Europe and the United States but also in Africa Asia Oceania and the Middle East The Handbook thus answers a call to decolonise knowledge that is especially prescient given both the complicity of non violent extremists with authoritarian states and the dynamic of oppression towards more progressive groups in the Global South The Handbook will appeal to those studying extremism radicalisation and terrorism It intersects several relevant disciplines including social movement studies political science criminology Islamic studies and anthropology **Anthropological Abstracts** Ulrich Oberdiek, 2004

The Democratization Project Ashok Swain, Ramses Amer, Joakim Öjendal, 2011 This volume drawing on the work of a variety of scholars contributes to identifying and understanding the challenges and opportunities presented by the current wave of democratization to the peace and development of the world both at the domestic level in selected countries trends in regions of the world and in the global system of the post Cold War Era *Handbook of Ethnic Conflict* Dan Landis, Rosita D. Albert, 2012-02-14 Although group conflict is hardly new the last decade has seen a proliferation of conflicts engaging

intrastate ethnic groups It is estimated that two thirds of violent conflicts being fought each year in every part of the globe including North America are ethnic conflicts Unlike traditional warfare civilians comprise more than 80 percent of the casualties and the economic and psychological impact on survivors is often so devastating that some experts believe that ethnic conflict is the most destabilizing force in the post Cold War world Although these conflicts also have political economic and other causes the purpose of this volume is to develop a psychological understanding of ethnic warfare More specifically Handbook of Ethnopolitical Conflict explores the function of ethnic religious and national identities in intergroup conflict In addition it features recommendations for policy makers with the intention to reduce or ameliorate the occurrences and consequences of these conflicts worldwide

War, Denial and Nation-Building in Sri Lanka Rachel Seoighe, 2017-12-05 This book begins from a critical account of the final months of the Sri Lankan civil war tracing themes of nationalism discourse and conflict memory through this period of immense violence and into its aftermath Using these themes to explore state crime atrocity and its denial and representation Seoighe offers an analysis of how stories of conflict are authored and constructed This book examines the political discourse of the former Rajapaksa government highlighting how fluency in international discourses of counter terrorism humanitarianism and the reconciliation expected of states transitioning from conflict can be used to conceal and deny state violence Drawing on extensive interviews with activists academics politicians state representatives and international agency staff and three months of observation in Sri Lanka in 2012 Seoighe demonstrates how the Rajapaksa government re narrativised violence through orchestrated techniques of denial and mass ritual discourse It drew on and perpetuated a heightened majoritarian Sinhala Buddhist nationalism which consolidated power under Sinhalese political elites generated minority grievances and in turn sustained the repression and dispossession of the Tamil community of the Northeast A detailed and evocative study this book will be of special interest to scholars of conflict studies political violence and critical criminology

Global Terrorism James Lutz, Brenda Lutz, 2013-06-26 Global Terrorism 3rd edition continues to provide students with the most comprehensive introduction to terrorism as a global phenomenon It introduces students to history politics ideologies and strategies of both contemporary and older terrorist groups Written in a clear and accessible style each chapter explains a different aspect of terrorism and illustrates this with a wide variety of detailed case studies from across the world Although the focus is on the contemporary the book also includes discussion of older terrorist groups Building on the strengths of the previous editions this edition has been revised and updated throughout and includes new material on Strategies of terrorism The future of Al Qaeda after the death of Bin Laden Changes in the Middle East New case studies on Hizbollah Afghanistan Pakistan Aum Shinrikyo Japan Militia movement in the US The unique combination of a genuinely historical focus and truly global coverage makes this an ideal introductory textbook for anyone studying terrorism

Political Violence In Sri Lank Introduction

In today's digital age, the availability of Political Violence In Sri Lank books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Political Violence In Sri Lank books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Political Violence In Sri Lank books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Political Violence In Sri Lank versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Political Violence In Sri Lank books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Political Violence In Sri Lank books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Political Violence In Sri Lank books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to

borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Political Violence In Sri Lank books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Political Violence In Sri Lank books and manuals for download and embark on your journey of knowledge?

FAQs About Political Violence In Sri Lank Books

1. Where can I buy Political Violence In Sri Lank books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Political Violence In Sri Lank book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
