Politicians Say The Dumbest Things:

Politicians Say the Dumbest Things Carol A. Roessler, 1999 A collection of humorous bloopers compiled by veteran Wisconsin state legislator Carol Roessler The introduction to the book points out that even politicians who intend to say what they mean don't always mean what they say Part of the fun of the book is laughing at the hilarious quotes the other part is discovering who said them As we head into the new millennium and a Presidential election year this book has special meaning Declared Presidential candidates from both parties are quoted as well as others who remain nameless to protect the guilty *449 Stupid Things Democrats Have Said* Ted Rueter, 2009-01-01 Am I different Yeah Deep down you know you want to wear wider bottoms you're just not secure enough Do I do my hair with a weed whacker I admit it Rep James Traficant D Ohio 1985-2002 Supposedly some of our brightest speakers politicians say some pretty stupid things Members of America's major political parties put out a roaring stream of downright dumb comments pronouncements and observations For proof look no further than Ted Rueter's *449 Stupid Things Democrats Have Said* In *449 Stupid Things Democrats Have Said* Al Gore said I would have kissed Tipper longer at the convention Hillary Rodham Clinton during a 2000 campaign interview with Hot 97 a Manhattan hip hop radio station stated Motown Motown That's my era Those are my people Rueter snags them all and provides two wonderful collections of quotations that will truly go down in history **The Dumbest**

Maura Cullen, 2008-09-01 The go to guide on diversity A must read book for anyone who wants to understand what it takes to respect and work with today's global workforce Brendon Burchard 1 New York Times bestselling author of *High Performance Habits* A powerful diversity training tool from one of the most respected diversity trainers Even well intended people can cause harm Have you ever heard yourself or someone else say Some of my best friends are Black White Asian etc I don't think of you as Gay Disabled Jewish etc I don't see color I'm colorblind These statements and dozens like them can build a divide between us and the people we interact with Though well intended they often widen the diversity gap sometimes causing irreparable harm personally and professionally If you've ever wanted to be more effective in your communication with others or have been afraid of saying the wrong thing then this concise guide is essential to becoming more inclusive and diversity smart Good intentions are not enough in this well written down to earth no blame insightful book If you ever found

yourself unsure of what to say then this book will provide you valuable tools to be more effective every day Judith H Katz Ed D author of White Awareness Handbook for Anti racism Training 449 Stupid Things Republicans Have Said Ted Rueter,2004-03 Am I different Yeah Deep down you know you want to wear wider bottoms you re just not secure enough Do I do my hair with a weed whacker I admit it Rep James Traficant D Ohio 1985 2002 Supposedly some of our brightest speakers politicians say some pretty stupid things Members of America s major political parties put out a roaring stream of downright dumb comments pronouncements and observations For proof look no further than Ted Rueter s 449 Stupid Things Republicans Have Said and 449 Stupid Things Democrats Have Said 449 Stupid Things Republicans Have Said includes subjects ranging from cloning and federal spending to foreign affairs and kissing Asked what he and former British Prime Minister Tony Blair have in common President George W Bush remarked Well we both use Colgate toothpaste According to then Treasury Secretary Paul O Neill If you set aside Three Mile Island and Chernobyl the safety record of nuclear energy is really very good Rueter catches the best of the best whether the gaffes came from Bob Dole Trent Lott Arnold Schwarzenegger or Strom Thurmond The Dems fair little better in 449 Stupid Things Democrats Have Said Al Gore said I would have kissed Tipper longer at the convention Hillary Rodham Clinton during a 2000 campaign interview with Hot 97 a Manhattan hip hop radio station stated Motown Motown That s my era Those are my people Rueter snags them all and provides two wonderful collections of quotations that will truly go down in history Democrats Do the Dumbest Things Bill Crawford,2000-05-05 This collection celebrating the hilarious heritage of the Democratic Party includes misguided actions bizarre statements and embarrassing moments of notable Democrats including Al Gore Teddy Kennedy George Stephanopoulos Pat Schroeder Jesse Jackson and of course Bill Clinton **Common Nonsense** Kabembo Chinku,2012-09-28 Its almost a universal phenomenon Nobody knows when how and why it started but society somehow allows their political leaders to get away with nearly anything up to and including murder at least in many countries in Asia Eastern Europe Africa and Central and South America Here in these United States of America no one is suggesting at least not me that our political leaders are guilty of committing murders To the extent that anybody can accuse them of such its their enacting of lax gun laws at the behest of the NRA Thanks to these laws anyone applying for a permit to buy an automatic assault weapon is no more subjected to rigorous background check than they are buying candy By this and this alone U S politicians are partly to blame in the deaths of innocent people Anyway this book is not about murders or guns In a way though its about death the death of reason and sense in politics Its about some insidious behavior that politicians get away with Society itself is to blame for tacitly permitting politicians to engage in such a behavior So here in the United States as is the case everywhere politicians get away with too much Corruption lying or showing a disdain for facts being lazy stealing and cheating on their spouses We also allow them to make promises that they cant possibly keep or never keeping promises that they can easily keep We have put the bar for tolerable behaviors or conduct expected of our leaders very low

We have reached a stage where the moral code of our politicians is on par with if not worse than that of criminals Well this author decided to draw a line a red line if you want to be dramatic on dumbassness or rather on the dumb things that the people we look up to in society especially our political leaders say They can get away with lying being corrupt etc but they will not be let off so easily for saying things that are decidedly dumb Just as Iran will hear from Israel and the U S if its nuclear or as George W Bush would say nuclear ambitions crosses Israeli Prime Minister Benjamin Netanyahus somewhat arbitrary red line politicians here will hear from me if and when they cross my own arbitrarily laid dumbassness red line Like most citizens Ill tolerate barely such maladapted behaviors of our politicians as corruption cheating infidelity lying not keeping campaign promises etc but not dumbassness This is what this book is about This authors blood boils when he hears these stupid politicians like Indianas U S Senate candidate Richard Mourdock say such things as A woman being raped and conceiving as a result is in Gods grand scheme of things That is God wanted it that way and therefore that the victim shouldnt be allowed to terminate such a pregnancy Unlike most books this is not one long continuous story One need not necessarily start reading from page one or chapter one successively to the last One can jump around or even begin with the last chapter Every chapter is a stand alone chapter There is no continuity to worry about if you decide to read the book in a sort of haphazard manner Youre going to encounter unbelievable dumbassness of our politicians on every page Politicians and other leaders of society may get away with having the morals and ethics of alley cats but Ill be damned if Ill let them get away with the immaturity of pre adolescents and the dumbassness of a jackass This is my raison detre or if you want to be religious about it its my calling Let me add that had my sense of self preservation not been so heightened Id have moved to Russia to take on Emperor Vladimir Putin But I dont like having Polonium 210 as part of my diet Thank you and enjoy Kabembo Chinku

Dumb Politics Tanner T. Roberts, 2018-10-07 In Dumb Politics Tanner T Roberts delivers a bold uncompromising critique of what he sees as the dangerous consequences of progressive political rhetoric in America With sharp analysis and biting humor Roberts systematically dismantles what he considers the hypocritical standards illogical arguments and damaging policies of the modern left From examining the casual use of serious accusations like fascist and racist to questioning immigration policies economic theories and educational practices Roberts challenges readers to look beyond emotional appeals and consider the unintended consequences of well intentioned progressive ideals Through chapters on name calling immigration economics education and culture he builds a comprehensive case that American politics has been corrupted by a blissful ignorance that rejects individual responsibility in favor of collective victimhood Roberts argues that this political mindset has taken hold across generations creating a culture where free speech is stifled alternative viewpoints are demonized and critical thinking is replaced by emotional reasoning He makes the case that conservative values are increasingly treated as counter cultural in a media and entertainment landscape dominated by progressive ideology Whether you agree with his assessment or not Dumb Politics offers a provocative perspective on today s
