Politics and Feminist Standpoint Theories Sally Jane Kenney, Helen Kinsella, 1997 In 1983 Nancy Hartsock published her landmark work *Money Sex and Power Toward a Feminist Historical Materialism* which defined her powerful construction of the feminist standpoint Now 15 years later four scholars share with you their analyses in *Politics and Feminist Standpoint Theories* to build on Hartsock's pioneering venture and further examine the current debates surrounding feminist standpoint theories Through reading it you'll bypass scholarly misuse and mischaracterization of the feminist standpoint and join the scholars who since the early 1990s have been defending the standpoint's relevance and importance Addressing feminist issues involving epistemology identity and politics *Politics and Feminist Standpoint Theories* provides a comprehensive account of how feminist theorists have used and developed Hartsock's feminist standpoint Some of the theory you'll encounter includes the contributions of Dorothy Smith Patricia Hill Collins and Sandra Harding Specifically you'll explore such topics as new shifts in Nancy Hartsock's feminist standpoint epistemology standpoint theory's refutation of empiricist accounts of knowledge identity race class gender sex and nation as a political and interpretive category weaknesses in postmodern critiques of standpoint theory the standpoint's future Whether you're an advanced undergraduate or graduate student a researcher looking for a top of the line feminist theory reference or a women's studies faculty member wanting to augment your library *Politics and Feminist Standpoint Theories* expands upon and subjects to critical scrutiny the familiar categories of empiricist standpoint and postmodern as ways to group feminist theorists into epistemological categories

Philosophical Perspectives on Power and Domination, 2021-09-20

The essays in this volume explore in detail many of the ways power structures our daily personal political and intellectual lives and evaluate the workings of power using a variety of theoretical paradigms from Hobbesian liberalism to Foucauldian feminist postmodernism Taken as a whole the book aims towards an end to unjust and destructive uses of power and the flowering of an encouraging educated empowerment for all human beings in a pluralistic world Section I offers a progressive chain of arguments that moves from the acceptance of domination through the rejection of domination and finally to a new vision of power based on equality and mutual respect Section II explores the questions how is the philosophical self that is our very understanding of who we are implicated in the web of power and domination Section III responds to political realism as it explores morally ideal solutions to the global problems of poverty war and hunger Section IV discusses ways in which

our thought and practice in both public and private life are bound up in hierarchies of domination **Nietzsche, Feminism and Political Theory** Paul Patton, 2002-09-11 Are you visiting women Do not forget your whip Thus Spoke Zarathustra the democratic movement is a form assumed by man in decay Beyond Good and Evil Nietzsche's views on women and politics have long been the most embarrassing aspects of his thought Why then has the work of Nietzsche aroused so much interest in recent years from feminist theorists and political philosophers In answer this collection comprises twelve outstanding essays on Nietzsche's work to current debates in feminist and political theory It is the first to focus on the way in which Nietzsche has become an essential point of reference for postmodern ethical and political thought *The Feminist Standpoint Revisited, And Other Essays* Nancy C.M. Hartsock, 2019-07-16 In this book Nancy C M Hartsock offers her current thinking about the development of feminist political economy focusing on the relationships between feminist theory and activism feminism and Marxism and postmodernism and feminist politics *The Blackwell Guide to the Philosophy of the Social Sciences* Stephen P. help today's educators feel and understand the power that communities can harness through organizing and solidarity. This volume highlights some of Wayne Au's most impactful essays and articles across his 25 years as an educator, activist, and scholar. In this carefully curated collection, Au traces the development of his politics and analyses of schooling, education policy, curriculum, and racialization. Featuring concrete examples, chapters address antiracist education and the politics of knowledge, the racial politics of high stakes testing, and neoliberal education reforms and the racialization of Asian Americans as a model minority and its connection to anti-Blackness. Importantly, this book illustrates the power of writing for different audiences by placing scholarly essays alongside those written for teachers, parents, and community members, while also linking educational activism with educational research. In addition to providing a broad examination of the politics of curriculum and educational policy in America, the book features:

- Written by an internationally known scholar in the areas of curriculum, multicultural, and antiracist education.
- High stakes testing and neoliberal reforms.
- Racial justice and critical education.
- Provides a model for how to translate educational research and analysis between academic and public discourses, embodying the intersections of theory, practice, and justice.
- Combines searing political analysis of education with the hope offered through activism, solidarity, and educational justice.

Themes from the Philosophy of Sally Haslanger: Gender - Race - Ideology Anna Kahmen, Lea Kipper, Katja Stoppenbrink, Barbara von Groote-Gotzes, 2024-12-23. This book offers a critical discussion of Sally Haslanger's philosophical oeuvre. Published on the occasion of the annual Münster Lectures in Philosophy held by Prof. Haslanger in the winter of 2019, it covers both her prominent work on the themes of gender, race, and ideology, as well as her research on social practices and social structures. Conceptual, methodological, practical, as well as normative approaches are pursued to more closely understand Sally Haslanger's claims, arguments, and discursive goals. The direct correspondence between Sally Haslanger and her interlocutors makes this a very unique book, suitable for both advanced scholars as well as graduate students.

The Philosophy of Pornography Lindsay Coleman, Jacob M. Held, 2014-09-08. For many individuals, pornography is a troubling and problematic issue. Regardless of how the public views this topic, one thing is clear: Pornography is as prevalent and accessible as smartphones and laptop computers. Indeed, beyond traditional hardcore material, a pornographic sensibility permeates many aspects of culture, from tween and young teen fashions to television and commercially successful films. In fact, pornography is so widespread that more often than not, it is taken as a given in our modern social space. However, the thought of engaging in intellectual discussions about the topic strikes many, particularly scholars, as beneath them. And yet, something this impactful, this definitive of modern culture, needs to be laid open to scrutiny. In *The Philosophy of Pornography: Contemporary Perspectives*, Lindsay Coleman and Jacob M. Held offer a collection of essays covering a wide range of viewpoints, from issues of free speech and porn's role in discrimination to the impact of porn on sexuality. These essays investigate the philosophical implications of pornography as a part of how we now seek to conceive and express our sexuality in contemporary life. Contributors to this volume discuss pornography as a

component of gender and sexual socialization ecological understandings of sexually explicit media subordination sexualization and speech feminism and pornography pornography's depiction of love and friendship black women and pornography playfulness and creativity in porn Because its subject matter sex gender interpersonal relationships and even love is reflective of who we are and what kind of society we want to create pornography demands serious treatment So whether one chooses to accept pornography as a fact of modern culture or not this collection of timely essays represents a variety of voices in the ongoing debate As such *The Philosophy of Pornography* will be of interest to not only those who are engaged in porn studies but also to an audience educated in and conversant with recent trends in philosophy **50 Key**

Concepts in Gender Studies Jane Pilcher, Imelda Whelehan, 2004-04-10 The authors' introduction gives an account of gender studies what it is and how it originated Their selection of topics is authoritative and the 50 entries reflect the complex multi-faceted nature of the field in an accessible dictionary format **Materialist Feminism and the Politics of**

Discourse Rosemary Hennessy, 2012-10-11 *Materialist Feminism and the Politics of Discourse* confronts the impasses in materialist feminist work on rethinking woman as a discursively constructed subject The book looks at the problem of examining critically the social dimensions on which theories of discourse are premised how such theories understand materiality the relation between women's experience and feminist politics and that between history and discourse Rosemary Hennessy considers the work of Kristeva Foucault Laclau and Mouffe and argues for a materialist feminist re-articulation of discourse as ideology Concerns over identity and difference are incorporated into a rewriting of materialist feminism's analysis of women's oppression across capitalist and patriarchal structures In adapting postmodernist theories in this way Hennessy develops a project of social change where feminism while maintaining its specificity is necessarily aligned with other emancipatory movements **Women's Political Participation and Representation in Asia** Kazuki Iwanaga, 2008

The ability of a small elite of highly educated upper class Asian women to obtain the highest political positions in their country is unmatched elsewhere in the world and deserves study But there is a marked lack of relevant research as well as of comprehensive and user-friendly texts Aiming to fill the gap is this timely and important study of the various obstacles and opportunities for women's political participation and representation in Asia Theatre Studios Tom Cornford, 2020-12-30

Theatre Studios explores the history of the studio model in England first established by Konstantin Stanislavsky Jacques Copeau and others in the early twentieth century and later developed in the UK primarily by Michel Saint Denis George Devine Michael Chekhov and Joan Littlewood whose studios are the focus of this study Cornford offers in-depth accounts of the radical collective work of these leading theatre companies of the mid-twentieth century considering the models of ensemble theatre making that they developed and their remnants in the newly publicly funded UK theatre establishment of the 1960s In the process this book develops an approach to understanding the politics of artistic practices rooted in the work of John Dewey Antonio Gramsci and the standpoint feminists It concludes by considering the legacy of the studio movement

for twenty first century theatre partly by tracking its echoes in the work of Secret Theatre at the Lyric Hammersmith 2013 2015 Students and makers of theatre alike will find in this book a provocative and illuminating analysis of the politics of performance making and a history of the theatre as a site for developing counterhegemonic radically democratic anti individualist forms of cultural production Electoral Politics in Zimbabwe, Vol II Esther Mavengano, Sophia Chirongoma, 2023-08-08 Volume two of Electoral Politics in Zimbabwe The 2023 Election and Beyond argues that research into Zimbabwe s politics is multifaceted and topical particularly because for more than two decades now this Southern African state has been dogged by multiple problems including hyperinflation drought escalating poverty levels extremely high unemployment rates and political instabilities The volume s overall goal is to ignite intellectual discussions and practical action towards turning the political wheels that have been in place for decades The first segment examines the interface between gender and electoral politics in Zimbabwe The second part discusses the role of the media in Zimbabwe s electoral politics The third section reflects on the role of traditional leaders and religious discourses in Zimbabwe s electoral politics The book will be a key resource to colleges universities and organisations in Zimbabwe the Southern Africa region and even beyond **Masculinities in Politics** Elektra Paschali, 2014 This study offers a critical analysis of the construction of masculine subjectivities within political youth organizations in contemporary Greece The analysis reveals the interrelations between socio political structures the political culture and masculinities along with a focus on power dynamics that form gender and gender relations within political organizations The theoretical analysis brings together the topics of gender sexuality violence and power The empirical section of the book offers a detailed analysis of the specific situation of political youth organizations in contemporary Greece Series Gender Diskussion Vol 21 *Beyond Boundaries?* Rudra Sil, Eileen M. Doherty, 2000-06-08 This book represents a critical yet constructive reappraisal of the role and the limits of the boundaries that define and separate disciplines and subfields in the social sciences as well as the boundaries that divide distinct research traditions or paradigms in the analysis of international life It provides an integrative and eclectic examination of the virtues of a more flexible division of labor a division that facilitates more meaningful communication among scholars of different methodological persuasions investigating similar problems in international life Part One addresses concrete issues in international studies ranging from international bargaining and interdependence to conceptions of collective identity The essays therein serve as creative models for integrating concepts and analytic logics from different theoretical frameworks rooted in different disciplines Part Two shifts the focus to more wide ranging questions in the philosophy of the social sciences and the organization of social science research in order to shed new light on the value and validity of boundaries currently drawn between different schools sects disciplines and subfields Contributors include Tadashi Anno Jean Marc F Blanchard Anne L Clunan Eileen M Doherty Wade L Huntley Timothy W Luke Norrin M Ripsman and Rudra Sil **Telling Political Lives** Brenda DeVore Marshall, Molly A. Mayhead, 2008-01-01 Using a variety of critical methods the contributing

authors of *Telling Political Lives* demonstrate the ways in which the autobiographies of U S women leaders provide arguments that both reveal and shape perceptions of politics empowerment and ideology in the United States
