**The Post-war Roots of Japanese Political Malaise** Dagfinn

Gatu, 2015-06-12 Writings on post war Japanese politics have tended to take for granted the dominance of the Liberal Democratic Party LDP as inevitable without questioning how this came about This book analyses the nature of Japanese party politics over the first four decades following the Second World War assessing how the chief contenders the conservative LDP and the socialists JSP Japan Socialist Party competed in terms of their strengths and weaknesses relative to the other Throughout it addresses the questions How effectively were the parties strengths harnessed How did they alter over time To what extent was the winning formula challenged Did the loser have access to strengths with a major potential and if so why did these remain underdeveloped It extends widely to include discussion of the political system the social and economic environment in which parties operated internal party matters especially factions personal support groups special interest groups and the role of government bureaucracy It shows why the Liberal Democratic Party was dominant why the Japan Socialist Party remained out of power and how successive prime ministers conducted policymaking in ways which often resulted in the bureaucracy taking the lead Overall the book shows how precedents for the political system and for policymaking were set in this important period precedents which continue and which have contributed significantly to the present conservative stance on many key issues *Japanese Political Culture* Takeshi Ishida, This volume provides a perceptive background to modern Japanese culture Ishida attempts a balanced evaluation of modern Japan seeking to explain why the basic characteristics of Japanese society permit two almost opposite assessments He divides the development of modern Japan into two stages first the period starting from the Meiji Restoration 1868 up to the end of World War II second from the defeat of Japan in World War II up to the present Ishida investigates the essential features of the modern Japanese value system and the social structure which comprise both traditional and modern elements He examines how Japanese society has adapted Western influences to suit its own needs the real miracle of modern Japan As the Japanese economy grows and Japan becomes an economic superpower political self confidence is also emerging Ishida however remains critical of Japanese society because he feels that Japan lacked the internal resources to change the political system from within until its defeat by the Allies forced it to introduce various reforms ordered by the occupation authorities Despite the rapid changes taking place in Japanese society certain attitudes such as conformity and competition are common to both the prewar and postwar periods The final section is devoted to the field of peace research Ishida presents differences of meaning in the concepts of peace in ancient Hebrew Greek Roman Chinese and Indian cultures in order to characterize the Japanese concept of peace which akin to the Chinese emphasizes harmony rather than justice He goes on to discuss Japan's images of Gandhi which according to the author were projections of ultranationalist prejudice and missed the significance of his

nonviolent direct action Ishida emphasizes the importance of such nonviolent action as a means to carry out social change toward the realization of justice

**Religion and Politics in Contemporary Japan** Anne Mette Fisker-Nielsen, 2012 Presenting a study of politics at grassroots level among young Japanese this book examines the alliance between the religious movement Soka Gakkai the Value creation Society and Komeito the Clean Government Party which shared power with the Liberal Democratic Party from 1999 to 2009 Drawing on primary research carried out among Komeito supporters the book focuses on the lives of supporters and voters in order to better understand the processes of democracy It goes on to discuss what the political behaviour of young Komeito supporters tell us about the role of religious organizations such as Soka Gakkai in Japanese politics Unlike most other books on politics in Japan which tend to concentrate on political elites this book provides extremely valuable insights into political culture at the grassroots level

**The Political Economy of Japanese Society: The state of the market?** Junji Banno, 1997 Until recently many Japanese believed that they lived in the richest country in the world and in the early 1990s they welcomed the end of one party dominance However by the middle of the 1990s many Japanese are no longer confident in their economy nor optimistic in their politics This authoritative study analyses various aspects of Japanese society and economy in order to provide a balanced view between the optimism of the 1980s and the pessimism characteristic of more recent years The Political Economy of Japanese Society is a revision and translation of a multidisciplinary research project carried out by the Institute of Social Science at the University of Tokyo Beginning with the late nineteenth century it examines the historical developments of Japan s contemporary political economy paying particular attention to the changes that have occurred from below Social actors who have often been given peripheral treatment such as opposition parties the aged female and foreign workers are brought to the forefront of the analysis alongside those considered more mainstream such as the governing party large corporations and labour unions The Japanese political economy of the 1980s and 90s has had a strong impact on the global economy and this book also analyses selective influences on the outside world in particular on other Asian nations and the USA Volume 1 analyses the structures of the Japanese political economy which encouraged continuous economic growth in the period from 1955 to 1990 focusing on such phenomena as Japanese political management the Japanese employment system and one party dominance in politics Volume 2 examines some of the problems inherited from this period of dramatic economic growth

**Democracy in Post-War Japan** Rikki Kersten, 2013-06-17 Democracy in Post War Japan assesses the development of democracy through the writings of the brilliant political thinker Maruyama Masao The author explores the significance of Maruyama s notion of personal and social autonomy and its impact on the development of a distinctively Japanese democratic ideal This book based on contemporary documents and on interviews with Maruyama is the only full scale analysis of his work and thought to be published in English

**Law and Social Change in Postwar Japan** Frank K. Upham, 2009-06-01 Many people believe that conflict in the well disciplined Japanese society is so rare that the Japanese legal system is of minor importance Frank Upham

shows conclusively that this view is mistaken and demonstrates that the law is extensively used on the one hand by aggrieved groups to articulate their troubles and mobilize political support and on the other by the government to channel and manage conflict after it has arisen This is the first Western book to take law seriously as an integral part of the dynamics of Japanese business and society and to show how an informal legal system can work in a complex industrial democracy Upham does this by focusing on four recent controversies with broad social implications first how Japan dealt with the world's worst industrial pollution and eventually became a model for Western environmental reforms second how the police and courts have allowed one Japanese outcast group to use carefully orchestrated physical coercion to achieve wide ranging affirmative action programs third how Japanese working women used the courts to force employers to eliminate many forms of discrimination and eventually convinced the government to pass an equal employment opportunity act and finally how the Ministry of International Trade and Industry and various sectors of Japanese industry have used legal doctrine to cope with the dramatic changes in Japan's economy over the last twenty five years Readers interested in the interaction of law and society generally those interested in contemporary Japanese sociology politics and anthropology and American lawyers businessmen and government officials who want to understand how law works in Japan will all need this unusual new book

**Environmental Protest and Citizen Politics in Japan** Margaret McKean, 2023-11-15 Environmental Protest and Citizen Politics in Japan examines the development and significance of citizens movements in Japan particularly those centered around environmental activism from the early 1970s The author initially set out to study political behavior and participation believing that citizens movements were similar to other protest groups but the research led to surprising discoveries Contrary to initial expectations these movements proved to be a unique blend of protest and community organization defying conventional political structures and assumptions The book focuses on the political social and environmental changes that these movements initiated highlighting their role in fostering political participation and social transformation By conducting surveys in 1972 the author captures the emergence of these movements at their most vibrant when they were not yet institutionalized or following established trends Although the movements were largely successful in their immediate goals their broader influence on Japan's political landscape especially regarding electoral change and the nature of political conflict remains more modest The book reflects on the evolution of these movements their impact on political processes and the role of social movements in shaping democratic values while also analyzing the gaps between their goals and their practical achievements It ultimately presents a nuanced understanding of Japanese citizens movements and their political implications This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1981      *Revolution and Subjectivity in Postwar Japan* J. Victor

Koschmann, 1996-12 After World War II Japanese intellectuals believed that world history was moving inexorably toward bourgeois democracy and then socialism But who would be the agents the active subjects of that revolution in Japan Intensely debated at the time this question of active subjectivity influenced popular ideas about nationalism and social change that still affect Japanese political culture today In a major contribution to modern Japanese intellectual history J Victor Koschmann analyzes the debate over subjectivity He traces the arguments of intellectuals from various disciplines and political viewpoints and finds that despite their stress on individual autonomy they all came to define subjectivity in terms of deterministic historical structures thus ultimately deferring the possibility of radical change in Japan Establishing a basis for historical dialogue about democratic revolution this book will interest anyone concerned with issues of nationalism postcolonialism and the formation of identities Parties and Politics in Contemporary Japan Junnosuke Masumi, Parties and Politics in Contemporary Japan Robert A. Scalapino, Junnosuke Masumi, 1965 A Nation of a Hundred Million Idiots Jayson Makoto Chun, 2006-12-06 This book offers a history of Japanese television audiences and the popular media culture that television helped to spawn In a comparatively short period the television industry helped to reconstruct not only postwar Japanese popular culture but also the Japanese social and political landscape During the early years of television Japanese of all backgrounds from politicians to mothers debated the effects on society The public discourse surrounding the growth of television revealed its role in forming the identity of postwar Japan during the era of high speed growth 1955 1973 that saw Japan transformed into an economic power and one of the world's top exporters of television programming **The Political Economy of Reproduction in Japan** Takeda Hiroko, 2004-09-23 This book analyzes the political economy of reproduction and its role in the process of Japanese modernization Hiroko analyzes state attempts and policies to intervene into women's bodies and everyday lives to integrate them into the Japanese political economy Based on Foucault's concept of governmentality the author develops a model to assess reproduction in three forms economic biological and socio political from 1868 until the present day **Images Of Japanese Society** Hb Ross Mouer, Yoshio Sugimoto, 2013-10-28 The popular image of Japanese society is a stereotypical one that of a people characterised by a coherent set of thought and behaviour patterns applying to all Japanese and transcending time Ross Mouer and Yoshio Sugimoto found this image quite incongruous during their research for this book in Japan They ask whether this stereotype of the Japanese is not only generated by foreigners but by the Japanese themselves This is likely to be a controversial book as it does not contribute to the continuing mythologising of Japan and the Japanese The book examines contemporary images of Japanese society by surveying an extensive sample of popular and academic literature on Japan After tracing the development of holistic theories about the Japanese commonly referred to as the group model attention is focused on the evaluation of that image Empirical evidence contrary to this model is discussed and methodological lacunae are cited A sociology of Japanology is also presented In pursuit of other visions of Japanese society the authors argue that certain aspects of Japanese behaviour can be explained

by considering Japanese society as the exact inverse of the portrayal provided by the group model. The authors also present a multi-dimensional model of social stratification arguing that much of the variation in Japanese behaviour can be understood within the framework as having universal equivalence. *Molding Japanese Minds* Sheldon Garon, 1998-08-16 What actually unites the Japanese to achieve so many economic and social goals that have eluded other polities. In a series of five compelling case studies Princeton scholar Sheldon Garon helps us to understand this mobilizing spirit as he taps into the intimate relationships everyday Japanese have with their government. 15 photos. [The Japanese Economy and Economic Issues since 1945](#) Edward R. Beauchamp, 2021-10-14 First Published in 1999 The best scholarship on the development of contemporary Japan. This collection presents well over 100 scholarly articles on modern Japanese society written by leading scholars in the field. These selections have been drawn from the most distinguished scholarly journals as well as from journals that are less well known among specialists and the articles represent the best and most important scholarship on their particular topic. An understanding of the present through the lens of the past. The field of modern Japan studies has grown steadily as Westerners have recognized the importance of Japan as a leading world economic force and an emerging regional power. The post 1945 economic success of the Japanese has however been achieved in the context of that nation's history, social structure, educational enterprise and political environment. It is impossible to understand the postwar economic miracle without an appreciation of these elements. Japan's economic emergence has brought about and in some cases exacerbated already existing tensions and these tensions have in turn had a significant impact on Japanese economic life. The series is designed to give readers a basic understanding of modern Japan, its institutions and its people as we stand on the threshold of a new century often referred to as the Pacific Century. **Postwar Japan as History** Andrew Gordon, 1993-10-20 As they examine three related themes of postwar history the authors describe an ongoing historical process marked by unexpected changes such as Japan's extraordinary economic growth and unanticipated continuities such as the endurance of conservative rule. From publisher's description. [Surveilling and Securing the Olympics](#) Vida Bajc, 2016-04-29 This book analyses the relationship between the Olympic Games with its ethos of openness and collectivism and the security concerns and surveillance technologies that are becoming increasingly prevalent in the organisation of public events.

### **Politics In Postwar Japanese Society Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Politics In Postwar Japanese Society free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Politics In Postwar Japanese Society free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Politics In Postwar Japanese Society free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are

legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Politics In Postwar Japanese Society. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Politics In Postwar Japanese Society any PDF files. With these platforms, the world of PDF downloads is just a click away.

### FAQs About Politics In Postwar Japanese Society Books

**What is a Politics In Postwar Japanese Society PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Politics In Postwar Japanese Society PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Politics In Postwar Japanese Society PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Politics In Postwar Japanese Society PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Politics In Postwar Japanese Society PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by

selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
