Ian Kinane

Politics Of James Bond From Flemings Novels To The Big Screen:

The Politics of James Bond Jeremy Black, 2005-01-01 The adventures and antics of James Bond have provided the world with many of the most gripping story lines of the last half century Fleming's novels were bestsellers in their day and the Bond films have been even more popular becoming the most enduring and successful film franchise in history By some estimates half of the world's population has seen a James Bond movie A fascinating and accessible account of this global phenomenon The Politics of James Bond uses the plots and characterizations in the novels and the blockbuster films to place Bond in a historical cultural and political context Jeremy Black charts and explores how the settings and the dynamics of the Bond adventures have changed over time in response to shifts in the real world environment in which the fictional Bond operates Sex race class and violence are each important factors as Agent 007 evolves from Cold War warrior to foe of SPECTRE and eventually to world defender pitted against megalomaniacal foes The development of Bond his leading ladies and the major plots all shed light on world political attitudes and reflect elements of the real espionage history of the period This analysis of Bond's world and his lasting legacy offers an insightful look at both cultural history and popular entertainment **Ian**

Fleming & James Bond Edward P. Comentale, Stephen Watt, Skip Willman, 2005 Shaken not stirred cultural critics look at the many faces of 007 and his creator **Ian Fleming and the Politics of Ambivalence** Ian Kinane, 2021-04-08 Previously considered an avowed nationalist this book explores how Ian Fleming's writings and his representational politics contain an implicit resistance to imperial rhetoric Through an examination of Fleming's Jamaica set novels *Live and Let Die* *Dr No* and *The Man with the Golden Gun* as well as the later film adaptations of these novels Ian Kinane reveals Fleming's deep ambivalence to British decolonisation and to wider Anglo Caribbean relations Offered here is a crucial insight into the public imagination during the birth of modern British multiculturalism that encompasses broader links between Fleming's writings on race and the representation of early British Jamaican cultural relations By exploring the effects of racial representation in these popular works Kinane connects the novels to more contemporary concerns regarding migration and the ways in which the misrepresentation of cultures races and peoples has led to fraught and contentious global geo political relations as figured in the fictional icon James Bond *Facing the East in the West* Barbara Korte, Eva Ulrike Pirker, Sissy Helff, 2010

Over the last decade migration flows from Central and Eastern Europe have become an issue in political debates about human rights social integration multiculturalism and citizenship in Great Britain The increasing number of Eastern Europeans living in Britain has provoked ambivalent and diverse responses including representations in film and literature that range from travel writing humorous fiction mockumentaries musicals drama and children's literature to the thriller The present volume discusses a wide range of representations of Eastern and Central Europe and its people as reflected in British literature film and culture The book offers new readings of authors who have influenced the cultural imagination since the nineteenth century such as Bram Stoker George Bernard Shaw Joseph Conrad and Arthur Koestler It also discusses the work

of more contemporary writers and film directors including Sacha Baron Cohen David Cronenberg Vesna Goldsworthy Kapka Kassabova Marina Lewycka Ken Loach Mike Phillips Joanne K Rowling and Rose Tremain With its focus on post Wall Europe Facing the East in the West goes beyond discussions of migration to Britain from an established postcolonial perspective and contributes to the current exploration of new European identities

The Bondian Cold War Martin D. Brown, Ronald J. Granieri, Muriel Blaive, 2023-09-01 James Bond Ian Fleming's irrepressible and ubiquitous spy is often understood as a Cold Warrior but James Bond's Cold War diverged from the actual global conflict in subtle but significant ways That tension between the real and fictional provides perspectives into Cold War culture transcending ideological and geopolitical divides The Bondiverse is complex and multi textual including novels films video games and even a comic strip and has also inspired an array of homages copies and competitors Awareness of its rich possibilities only becomes apparent through a multi disciplinary lens The desire to consider current trends in Bondian studies inspired a conference entitled The Bondian Cold War convened at Tallinn University Estonia in June 2019 Conference participants drawn from three continents and multiple disciplines film studies history intelligence studies and literature as well as intelligence practitioners offered papers on the literary and cinematic aspects of the spy discussed fact versus fiction in the Bond canon went in search of a global Bond and pondered gender and sexuality across the Bondiverse This volume of essays inspired by that conference suitable for students researchers and anyone interested in Cold War culture makes vital contributions to understanding Bond as a global phenomenon across traditional divisions of East and West and beyond the end of the Cold War from which he emerged

For His Eyes Only Lisa Funnell, 2015-10-20 The release of Skyfall in 2012 marked the fiftieth anniversary of the James Bond film franchise It earned over one billion dollars in the worldwide box office and won two Academy Awards Amid popular and critical acclaim some have questioned the representation of women in the film From an aging M to the limited role of the Bond Girl and the characterization of Miss Moneypenny as a defunct field agent Skyfall develops the legacy of Bond at the expense of women Since Casino Royale 2006 and its sequels Quantum of Solace 2008 and Skyfall constitute a reboot of the franchise it is time to question whether there is a place for women in the new world of James Bond and what role they will play in the future of series This volume answers these questions by examining the role that women have historically played in the franchise which greatly contributed to the international success of the films This academic study constitutes the first book length anthology on femininity and feminism in the Bond series It covers all twenty three Eon productions as well as the spoof Casino Royale 1967 considering a range of factors that have shaped the depiction of women in the franchise including female characterization in Ian Fleming's novels the vision of producer Albert R Broccoli and other creative personnel the influence of feminism and broader trends in British and American film and television The volume provides a timely look at women in the Bond franchise and offers new scholarly perspectives on the subject

Historical Dictionary of British Spy Fiction Alan Burton, 2016-04-04 The Historical Dictionary of British Spy Fiction is a detailed overview of the rich history and

achievements of the British espionage story in literature cinema and television It provides detailed yet accessible information on numerous individual authors novels films filmmakers television dramas and significant themes within the broader field of the British spy story It contains a wealth of facts insights and perspectives and represents the best single source for the study and appreciation of British spy fiction British spy fiction is widely regarded as the most significant and accomplished in the world and this book is the first attempt to bring together an informed survey of the achievements in the British spy story in literature cinema and television The Historical Dictionary of British Spy Fiction contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 200 cross referenced entries on individual authors stories films filmmakers television shows and the various sub genres of the British spy story This book is an excellent access point for students researchers and anyone wanting to know more about British spy fiction The Signs of James Bond

Daniel Ferreras Savoye,2013-02-27 This book is an analysis of the most significant elements that compose the Bond formula such as names binary oppositions and narrative patterns It tackles Ian Fleming s novels as well as the 22 films of the Eon Productions series and follows the evolution of certain determining features paradigms from the text to the screen to determine their function within the narration This study reveals how the James Bond universe goes well beyond mere spy adventures to become a genre in itself as well as now a standard cultural reference The book also shows that the underlying ideology of the James Bond narration is not as conservative as it might appear for it promotes ideals of the Enlightenment period such as secularity pragmatism and the common good **Singleness in Britain, 1960-1990: Identity, Gender and Social Change**

Emily Priscott,2020-07-07 This book contributes to an emerging field of research looking at the significance of marital status to debates about identity and gender It examines representations and experiences of single men and women between 1960 and 1990 using a wide variety of sources including digitized British newspapers social research films and lifestyle literature Whilst much existing work focuses on the early to mid 20th centuries such as Katherine Holden s ground breaking work The Shadow of Marriage Singleness in England 1914 1960 this book alternatively examines the impact of the 1960s and the aftermath of changing attitudes to singleness While Holden and others such as Virginia Nicholson in Singled Out focus largely on social status and lived experience often through oral testimony the author is just as interested in finding new ways of looking at gender and sexuality This work starts from the premise that a distinct double standard existed in attitudes towards single men and women which continued even after the wave of legislation to improve women s status during the 1960s Examining these often vastly different expectations reveals a complex web of progress continuity and contradictions highlighting the uneven pace of social change and its frequent compromises and limitations Using theoretical approaches such as feminism and queer theory this work explores the impact of changing gender norms on issues including single fatherhood old maid stereotypes and experiences of homelessness It can be used as a study aid for 20th century British history and gender studies courses and might also interest both established academics and intellectually curious non

academic readers The author has made efforts where possible to clearly explain her theoretical approaches and interventions for those who might be unfamiliar with them **Historical Dictionary of British Cinema** Alan Burton, Steve

Chibnall, 2013-07-11 British cinema has been around from the very birth of motion pictures from black and white to color from talkies to sound and now 3D it has been making a major contribution to world cinema Many of its actors and directors have stayed at home but others ventured abroad like Charlie Chaplin and Alfred Hitchcock Today it is still going strong the only real competition to Hollywood turning out films which appeal not only to Brits just think of Bridget Jones while busily adding to franchises like James Bond and Harry Potter So this Historical Dictionary of British Cinema has a lot of ground to cover This it does with over 300 dictionary entries informing us about significant actors producers and directors outstanding films and serials organizations and studios different films genres from comedy to horror and memorable films among other things Two appendixes provide lists of award winners Meanwhile the chronology covers over a century of history These parts provide the details countless details while the introduction offers the big story And the extensive bibliography points toward other sources of information British Spy Fiction and the End of Empire Sam Goodman, 2015-06-05 Drawing focus on a

crucial period of contemporary British history this book explores Cold War anxieties over Imperial decline and British identity through analysis of space in popular twentieth century spy fiction enabling the cultural impact of decolonisation to be read in a new and revealing light Visiting the literary representation of space identity and power in the work of Ian Fleming Graham Greene and John le Carr it is an excellent resource for any scholars with an interest in spy fiction British fiction and popular literature **Historical Dictionary of American Cinema** M. Keith Booker, 2021-06-01 One of the most powerful forces in

world culture American cinema has a long and complex history that stretches through more than a century This history not only includes a legacy of hundreds of important films but also the evolution of the film industry itself which is in many ways a microcosm of the history of American society Historical Dictionary of American Cinema Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 600 cross referenced entries covering people films companies techniques themes and subgenres that have made American cinema such a vital part of world culture

Popular Fads and Craze through American History Nancy Hendricks, 2018-08-17 This informative two volume set provides readers with an understanding of the fads and crazes that have taken America by storm from colonial times to the present Entries cover a range of topics including food entertainment fashion music and language Why could hula hoops and TV westerns only have been found in every household in the 1950s What murdered Russian princess can be seen in one of the first documented selfies taken in 1914 This book answers those questions and more in its documentation of all of the most captivating trends that have defined American popular culture since before the country began Entries are well researched and alphabetized by decade At the start of every section is an insightful historical overview of the decade and the set uniquely illustrates what today's readers have in common with the past It also contains a Glossary of Slang for each

decade as well as a bibliography plus suggestions for further reading for each entry Students and readers interested in history will enjoy discovering trends through the years in such areas as fashion movies music and sports **Minor**

Mythologies as Popular Literature Richard Pine,2018-10-01 This is the first single author study of the genres and roots of popular literature in its relation to film and television exploring the effects of academic snobbery on the teaching of popular literature Designed for classroom use by students of literature and film and their teachers it offers case studies in quest literature detective fiction the status of the outlaw and outsider and the interdependence of self other and the uncanny It challenges perceived notions of and prejudices against popular literature and affirms its connection with the deepest human experiences

Kennedy Mark White,2013-08-29 During his lifetime John F Kennedy created a dazzling image that has been sustained since his assassination in 1963 This book examines how Kennedy succeeded in using his military service in World War II his literary efforts his sex appeal his family and other attributes and achievements to develop such a potent image It also explores the roles played by Joseph and Jackie Kennedy in bolstering his appeal Probably no other figure in history has created such a positive impression on people throughout the world today than Kennedy This book seeks to explain how this happened and to consider the extent to which the image conformed to the reality of the man *LGBT Inclusion in American*

Life Susan Burgess,2023-02-21 Using popular culture political time critical race theory and queer theory this book explores how LGBT people were transformed in the post WWII era from dangerous perverts who threatened family and state to military heroes and respectable married couples and parents **Espionage in British Fiction and Film since 1900**

Oliver Buckton,2015-10-08 Espionage in British Fiction and Film Since 1900 traces the history and development of the British spy novel from its emergence in the early twentieth century through its growth as a popular genre during the Cold War to its resurgence in the early twenty first century Using an innovative structure the chapters focus on specific categories of fictional spying such as the accidental spy or the professional and identify each type with a vital period in the evolution of the spy novel and film A central section of the book considers how with the creation of James Bond by Ian Fleming in the 1950s the professional spy was launched on a new career of global popularity enhanced by the Bond film franchise In the realm of fiction a glance at the fiction bestseller list will reveal the continuing appeal of novelists such as John le Carr Frederick Forsyth Charles Cumming Stella Rimington Daniel Silva Alec Berenson Christopher Reich to name but a few and illustrates the continued fascination with the spy novel into the twenty first century decades after the end of the Cold War There is also a burgeoning critical interest in spy fiction with a number of new studies appearing in recent years A genre that many believed would falter and disappear after the fall of the Berlin Wall and the collapse of the Soviet empire has shown if anything increased signs of vitality While exploring the origins of the British spy tracing it through cultural and historical events Espionage in British Fiction and Film Since 1900 also keeps in focus the essential role of the changing enemy the chief adversary of and threat to Britain and its allies in the evolution of spy fiction and cinema The book concludes by

analyzing examples of the enduring vitality of the British spy novel and film in the decades since the end of the Cold War

James Bond Will Return Claire Hines, Terence McSweeney, Stuart Joy, 2024-01-09 For over six decades James Bond has been a fixture of global culture universally recognizable by the films combination of action set pieces sex political intrigue and outrageous gadgetry But as the British Empire entered the final stages of collapse as the Cold War wound down and the War on Terror began and as the visions of masculinity and femininity the series presented began to strike many viewers as outdated the Bond formula has adapted to the changing times Spanning the franchise's entire history from Sean Connery's iconic swagger to Daniel Craig's rougher more visceral interpretation of the superspy *James Bond Will Return* offers both academic readers and fans a comprehensive view of the series's transformations against the backdrop of real world geopolitical intrigue and sweeping social changes Leading scholars consider each of the twenty five films in the series showing how and why Bond has changed and what elements of the formula have stood the test of time Each chapter examines a single film from a distinct position giving readers a full picture of the variety and breadth of the longest running series in cinema history Close formal readings production histories tracings of the political social and historical influences analyses of the series use of then new filmmaking technologies reflections on the star personas that have been built around the character these and many more approaches combine to produce a wide ranging view of the James Bond film franchise Essential reading for Bond scholars and aficionados alike *James Bond Will Return* brings out the many surprising complexities of an iconic character

The James Bond Phenomenon Christoph Lindner, 2003 Shanghai long known as mainland China's most cosmopolitan city is today a global cultural capital This book offers the first in depth examination of contemporary Shanghai based art and design from state sponsored exhibitions to fashionable cultural complexes to cutting edge films and installations Informed by years of in situ research the book looks beyond contemporary art's global hype to reveal the socio political tensions accompanying Shanghai's transitions from semi colonial capitalism to Maoist socialism to Communist Party sponsored capitalism Case studies reveal how Shanghai's global aesthetic constructs glamorising artifices that mask the conflicts between vying notions of foreign influenced modernity and anti colonialist nationalism as well as the city's repressed socialist past and its consumerist present

Politics: An Introduction Barrie Axford, Victoria Browne, Richard Huggins, Rico Isaacs, 2018-05-30 The second edition of this user friendly text for students taking introductory courses in politics builds on the success of the first edition It provides completely updated and stimulating coverage of topics essential to the understanding of contemporary politics Ideal for students taking combined degrees at introductory level in politics and the social sciences it emphasises the individual and social dimension of politics and covers theories and concepts in an accessible way New features in the second edition include new examples drawn from Western democracies and other political systems expanded sections on nationalism religion alternative politics globalisation and ethnic conflict updated examples from the most contemporary political events biographies of key political thinkers and figures
