

# Politics Of The Northwest Passage

**Brian Bow**

## **Politics Of The Northwest Passage:**

*Politics of the Northwest Passage* Dalhousie Ocean Studies Programme, 1987 Series of articles which summarize issues involved in Canada's claim to sovereignty over the Northwest Passage arranged in four parts the setting international arctic politics Canadian arctic politics conclusions **Memoir, Historical and Political, on the Northwest Coast of North America, and the Adjacent Territories** Robert Greenhow, 1840 The Memoir relates principally to the southern and middle portions of the northwest coast of this continent and the adjoining territories which have for many years formed the subjects of discussions between the Governments of the United States Great Britain and Russia and it is designed to show the origin nature and extent of the several claims in order to afford the means of correctly estimating the justice of each Page iv

**Handbook of the Politics of the Arctic** Leif Christian Jensen, Geir Hønneland, 2015-09-25 The Arctic has again become one of the leading issues on the international foreign policy agenda in a manner unseen since the Cold War Drawing on the perspectives of geo politics and international law this Handbook offers fresh insights and perspectives on the most pressing issues grouped under the headings of political ascendancy climate and environmental issues resources and energy and the response and policies of affected countries **International Law and Politics of the Arctic Ocean** Suzanne Lalonde, Ted L. McDorman, 2015-03-20 International Law and Politics of the Arctic Ocean Essays in Honor of Donat Pharand is a collection of essays in honor of Professor emeritus Donat Pharand by leading Arctic experts from around the globe The volume offers a clear concise and detailed analysis of many of the issues an expanded use of the Arctic Ocean raises and of critical importance for the legal and political processes unfolding in the Arctic region [The Politics of Linkage](#) Brian Bow, 2010-07-01 Do Canada and the United States share a special relationship or is this a mere myth that has masked stark calculations of national interest Recent tensions over the Iraq War and ballistic missile defence have resurrected this perennial Canadian debate and triggered alarm about whether the US would make coercive linkages between issues to force Canada to change its policies The Politics of Linkage cuts through political rhetoric and academic clichés by offering detailed accounts of postwar disputes over nuclear weapons Arctic waters oil and gas and the Iraq War Although early Cold War disputes were governed by a diplomatic culture that was genuinely special the limits of Canadian autonomy are now defined by the ever shifting alignment of interest groups in Washington and by international agreements and organizations

**Changes in the Arctic Environment and the Law of the Sea** Myron Nordquist, John Norton Moore, Tomas H. Heidar, 2010-05-03 While the Arctic Ocean has long been covered with ice recent changes in climate have caused the ice to melt spurring both conservation challenges to the region's environment and biodiversity as well as new opportunities for navigation and natural resource development Changes in the Arctic Environment and the Law of the Sea offers policy and legal guidance in response to these new challenges Synthesizing the presentations of leading experts at Changes in the Arctic Environment and the Law of the Sea meeting held in May 2009 in Seward Alaska the topics explored in this volume

include the political context and scientific background marine transport environment and biodiversity in addition to offshore petroleum and the status of Spitsbergen A list of selected Internet resources provides links for additional websites as well as PowerPoint files from presentations given at the meeting Changes in the Arctic Environment and the Law of the Sea is based on the 33rd Annual Conference of the Center for Oceans Law and Policy a primary sponsor along with the Law of the Sea Institute of Iceland as well as with the U S Arctic Commission the University of Alaska Fairbanks and the Law of the Sea Institute Law School Boalt Hall University of California Berkeley

**The Canadian Environment in Political Context, Second Edition** Andrea Olive, 2019-08-20 The Canadian Environment in Political Context uses a non technical approach to introduce environmental politics to undergraduate readers The second edition features expanded chapters on wildlife water pollution land and energy Beginning with a brief synopsis of environmental quality across Canada the text moves on to examine political institutions and policymaking the history of environmentalism in Canada and other crucial issues including Indigenous peoples and the environment as well as Canada s North Enhanced with case studies key words and a comprehensive glossary Olive s book addresses the major environmental concerns and challenges that Canada faces in the twenty first century

**Politics and Development in the North American Arctic** Roman S. Czarny, Magdalena Tomala, Iwona Wrońska, 2021-09-01 The monograph analyzes international relations in the Arctic from two perspectives cooperation and competition The following question was asked does rivalry outweigh cooperation in the Arctic or is it the other way round do the entities manage to gain the benefits of cooperation

*International Disputes and Cultural Ideas in the Canadian Arctic* Danita Catherine Burke, 2017-08-22 This book explores the Canadian relationship with its portion of the Arctic region which revolves around the dramatic split between the appearance of absent minded governance bordering on indifference toward the region and the raging nationalism during moments of actual and perceived challenge toward the sovereignty of the imagined Canadian Arctic region Canada s nationalistic relationship with the Arctic region is often discussed as a reactionary phenomenon to the Americanization of Canada and the product of government propaganda As this book illustrates however the complexity and evolution of the Canadian relationship with the Arctic region and its implication for Canada s approach toward international relations requires a more in depth exploration Please be aware that an error has been noted for Table 1.1 on page 71 In this table the sub category Inuit is mislabelled It should read Native Indians and Inuit as the data presented represents this Canadian census sub category which calculated all indigenous peoples and Inuit peoples together

**The Politics of Arctic Sovereignty** Jessica Shadian, 2014-01-10 Interest in Arctic politics is on the rise While recent accounts of the topic place much emphasis on climate change or a new geopolitics of the region the history of the Inuit Circumpolar Council ICC and Arctic politics reaches back much further in time Drawing out the complex relationship between domestic Arctic international and transnational Inuit politics this book is the first in depth account of the political history of the ICC It recognises the politics of Inuit and the Arctic as longstanding and intricate elements of

international relations Beginning with European exploration of the region and concluding with recent debates over ownership of the Arctic the book unfolds the history of a polity that has overcome colonization and attempted assimilation to emerge as a political actor which has influenced both Arctic and global governance This book will be of strong interest to students and scholars of Arctic politics indigenous affairs IR theory and environmental politics **International Politics of the Arctic** Peter Hough, 2013-06-07 This book offers a wide ranging account of the emerging issues of international politics in the Arctic and the emerging Geopolitical debates that surround the region In this thorough but accessible book covering environmental issues the author examines the Geopolitics of emerging land and resource disputes and the rise of both nationalist and pan Arctic movements in the region Whereas existing literature on the politics of the Arctic tends to focus either on the environment or on Geopolitical interests this book considers both of these themes in addition to the politics of the region's indigenous peoples and provides an overview on the emerging issues of international politics in the Arctic The book makes full use of pedagogic features such as maps diagrams timelines biographies and boxes highlighting key concepts and issues in order to make this an accessible book for both students and scholars alike This book will be of interest to students and scholars of International Relations Arctic Politics Environmental Politics and European Politics **Arctic Politics** Oran R. Young, 2000-10-03 Long recognized by naturalists and adventurers as a dramatically unique region the Arctic has recently emerged as an area of increasing political strategic and economic importance The Arctic is both one of the world's largest and smallest regions encompassing 15% of the earth's land mass yet inhabited by fewer than 1% of the world's population Its physical vastness is coupled with a wealth of natural resources in oil alone the Far North contributes that majority of Russia's production and 25% of US output At the same time the Circumpolar North is home to diverse indigenous peoples and cultures thus setting the stage for conflicts of international scope In this collection of essays Oran Young provides a foundation for studying the politics of the Arctic as a distinctive international region Expanding the traditional approach to area studies he examines the Far North not only for its unique features but also as an arena within which to develop new approaches to various issues of worldwide interest Young challenges persistent stereotypes that marginalize the region moving beyond the romanticism of many observers to arrive at an understanding of the complex social and ecological systems of the Far North In doing so Young thoughtfully establishes the Arctic as an area of international importance both in its own right and in relation to other geopolitical regions **The Territorial Dimension Of Politics** Ivo D. Duchacek, Helena Duchacek, 2019-07-09 This comparative study examines the dialectical tensions between global and regional interdependence and the fragmentation of humankind into territorial entities Political authority may remain territory bound but borders increasingly are penetrated by pollutants individuals noncentral governments in search of foreign trade and investment and transnational corporations as well as the traditional exchanges of trade media and culture The result of these transborder flows accelerated by new technologies is a new variety of international relations among perforated

sovereignties Dr Duchacek analyzes the territorial organization of political authority in both democratic and authoritarian frameworks as well as in unitary and federal systems Case studies focus on new forms of transborder interactions between neighboring countries especially in North America and in Western Europe The book is of major interest to scholars in the fields of political science and political economy Quotations from a variety of political theorists and practitioners illustrative diagrams and maps make the book suitable for students of comparative politics international relations comparative federalism and public policy      *Antarctic Treaty System in World Politics* Arnfinn Jorgensen-Dahl,1991-06-18 With particular emphasis on Norway the papers in this volume discuss the significance of the Antarctic treaty system as it pertains to world politics      **The Canadian Environment in Political Context, Third Edition** Andrea Olive,Heather Millar,2025-05-31 The Canadian Environment in Political Context offers an accessible introduction to environmental politics for undergraduate readers The third edition features new chapters on environmentalism climate governance biodiversity and oceans while also integrating key topics such as political economy and environmental justice into the existing twelve chapter structure The book begins with an overview of environmental quality across Canada and then examines the political institutions and policymaking processes that shape the country s environmental landscape It traces the history of environmentalism in Canada and explores critical contemporary issues including Indigenous perspectives environmental justice and the unique challenges facing the North Enhanced with case studies key terms and a comprehensive glossary this new edition provides a thorough foundation for understanding the major environmental challenges of the twenty first century      Salt Water Neighbors Ted L. McDorman,2009 The United States and Canada are salt water neighbors on the Atlantic Pacific and Arctic Oceans Despite the general closeness of the political economic and social relationship the two States have approached their offshore areas from different perspectives Canada has long supported expansion of exclusive national control over its adjacent offshore whereas the United States has been concerned with the balance between national authority and international navigation rights Canada has tended to view maritime disputes with the United States as local matters whereas the United States has tended to see the disputes with Canada in global terms Against this background *Salt Water Neighbors* examines both the international ocean law disagreements that exist between the United States and Canada respecting maritime boundaries fisheries and navigation rights e g the Northwest Passage and the numerous cooperative bilateral arrangements that have prevented these disputes from being significant causes of friction between the neighbors There has not been a comprehensive book length study of United States Canada international ocean relations since the early 1970s Much has changed in the last 30 years Most importantly the law and the nature of the disputes between the two States have changed as a result of the adoption of 200 nautical mile zones in the late 1970s      *The Palgrave Handbook of Arctic Policy and Politics* Ken S. Coates,Carin Holroyd,2019-11-14 The Arctic has for some forty years been among the most innovative policy environments in the world The region has developed impressive systems for intra regional cooperation responded to

the challenges of the rapid environmental change empowered and engaged with Indigenous peoples and dealt with the multiple challenges of natural resource development The Palgrave Handbook on Arctic Policy and Politics has drawn on scholars from many countries and academic disciplines to focus on the central theme of Arctic policy innovation The portrait that emerges from these chapters is of a complex fluid policy environment shaped by internal national and global dynamics and by a wide range of political legal economic and social transitions The Arctic is a complex place from a political perspective and is on the verge of becoming even more so Effective proactive and forward looking policy innovation will be required if the Far North is to be able to address its challenges and capitalize on its opportunities **Political Geography**

Sara Smith,2020-04-27 Brings political geography to life explores key concepts critical debates and contemporary research in the field Political geography is the study of how power struggles both shape and are shaped by the places in which they occur the spatial nature of political power Political Geography A Critical Introduction helps students understand how power is related to space place and territory illustrating how everyday life and the world of global conflict and nation states are inextricably intertwined This timely engaging textbook weaves critical postcolonial and feminist narratives throughout its exploration of key concepts in the discipline Accessible to students new to the field this text offers critical approaches to political geography including questions of gender sexuality race and difference and explains central political concepts such as citizenship security and territory in a geographic context Case studies incorporate methodologies that illustrate how political geographers perform research enabling students to develop a well rounded critical approach rather than merely focusing on results Chapters cover topics including the role of nationalism in shaping allegiances the spatial aspects of social movements and urban politics the relationship between international relations and security the effects of non human actors in politics and more Global in scope this book Highlights a diverse range of globally oriented issues such as global inequality that demonstrate the need for critical political geography Demonstrates how critiques of political geography intersect with decolonial feminist and queer movements Covers the Eurocentric origins of many of the discipline s key concepts Integrates advances in political geography theory and firsthand accounts of innovative research from rising scholars in the field Explores both intimate stories from everyday life and abstract concepts central to contemporary political geography Political Geography A Critical Introduction is an ideal resource for students in political and feminist geography as well as graduate students and researchers seeking an overview of the discipline *Navigating Straits* David D. Caron,Nilufer

Oral,2014-02-20 The importance of straits particularly those used in international navigation has been long recognized in international law One of the important debates during the Third United Nations Law of the Sea Conference concerned the regime of passage through straits used in international navigation The result was the creation of a multi tiered legal framework of passage that included the entirely a new transit passage regime Although over thirty years have passed since the adoption of the 1982 United Nations Convention of the Law of the Sea the vital role played by straits in the global

communications network continues to be surrounded by conflicts between the interests of coastal states and shipping Challenges still exist to achieving the simultaneous global goals of secure passage of vessels and protection of the marine environment In Navigating Straits Challenges for International Law internationally recognized international law scholars provide in depth analysis of the legal challenges in straits concerning security piracy safety and environmental protection All readers interested in international and law of the sea will find this seminal volume of interest

**The Language of Canadian Politics** John McMenemy, 2006-04-19 With nearly 600 cross referenced entries The Language of Canadian Politics offers brief essays on the many facets of the Canadian political system including institutions events laws concepts and public policies Concisely written it is an important resource for people interested in contemporary politics as well as those interested in the historic context of contemporary political behaviour Readers not familiar with Canadian government and politics will find the book an invaluable introduction others will welcome this updated indispensable reference The fourth edition builds on the strengths of earlier editions Almost every entry has been revised to reflect contemporary Canadian political events and many new ones have been added The results and immediate aftermath of the 2006 federal election are included in various updated entries There are entries on the merged Progressive Conservative and Canadian Alliance parties as well as new entries on the Anti Terrorist Act the Public Safety Act and the Council of the Federation The Sponsorship Scandal and the Gomery reports are included in several entries There is new information on National Security Certificates and the O Connor inquiry into the extraordinary rendition of Maher Arar comprises part of the revised material on commissions of inquiry As a further resource Internet sites have been added to many of the entries
