Politics And Ideology In The Age Of The Civil War

Charles A. Kupchan

Politics And Ideology In The Age Of The Civil War:

Politics and Ideology in the Age of the Civil War Eric Foner, 1980 *Politics and Ideology in the Age of the Civil War* Eric Foner, 1981-05-28 Insisting that politics and ideology must remain at the forefront of any examination of nineteenth century America Foner reasserts the centrality of the Civil War to the people of that period The first section of this book deals with the causes of the sectional conflict the second with the antislavery movement and a final group of essays treats land and labor after the war Taken together Foner s essays work towards reintegrating the social political and intellectual history of the nineteenth century **The Politics of Faith During the Civil War** Timothy L. Wesley, 2013-05-13 In *The Politics of Faith during the Civil War* Timothy L Wesley examines the engagement of both northern and southern preachers in politics during the American Civil War revealing an era of denominational governmental and public scrutiny of religious leaders Controversial ministers risked ostracism within the local community censure from church leaders and arrests by provost marshals or local police In contested areas of the Upper Confederacy and Border Union ministers occasionally faced deadly violence for what they said or would not say from their pulpits Even silence on political issues did not guarantee a preacher s security as both sides arrested clergymen who defied the dictates of civil and military authorities by refusing to declare their loyalty in sermons or to pray for the designated nation army or president The generation that fought the Civil War lived in arguably the most sacralized culture in the history of the United States The participation of church members in the public arena meant that ministers wielded great authority Wesley outlines the scope of that influence and considers conversely the feared outcomes of its abuse By treating ministers as both individual men of conscience and leaders of religious communities Wesley reveals that the reticence of otherwise loyal ministers to bring politics into the pulpit often grew not out of partisan concerns but out of doctrinal historical and local factors *The Politics of Faith during the Civil War* sheds new light on the political motivations of homefront clergymen during wartime revealing how and why the Civil War stands as the nation s first concerted campaign to check the ministry s freedom of religious expression *The Debate On the American Civil War Era* Hugh Tulloch, 1999 This study is the first to critically survey the changing and highly controversial historical literature surrounding the American Civil War era from contemporary interpretations up to the present The racial question was one of the central causes of the war there was recognition of the need for America to conform wholly to the Declaration of Independence that all men are created equal The book both analyzes historians attitudes and assumptions and suggests that each writer s perspective was partly determined by the dictates of time and place *A Companion to the Antebellum Presidents, 1837 - 1861* Joel H. Silbey, 2014-02-24 *A Companion to the Antebellum Presidents* presents a series of original essays exploring our historical understanding of the role and legacy of the eight U S presidents who served in the significant period between 1837 and the start of the Civil War in 1861 Explores and evaluates the evolving scholarly reception of Presidents Van Buren Harrison Tyler Polk Taylor Fillmore Pierce and Buchanan including their roles behaviors triumphs and

failures Represents the first single volume reference to gather together the historiographic literature on the Antebellum Presidents Brings together original contributions from a team of eminent historians and experts on the American presidency Reveals insights into presidential leadership in the quarter century leading up to the American Civil War Offers fresh perspectives into the largely forgotten men who served during one of the most decisive quarter centuries of United States history

Slavery and Politics in the Early American Republic Matthew Mason, 2006 Giving close consideration to previously neglected debates Matthew Mason challenges the common contention that slavery held little political significance in America until the Missouri Crisis of 1819 Mason demonstrates that slavery and politics were enmeshed

Love and Theft : Blackface Minstrelsy and the American Working Class Department of English University of Virginia Eric Lott Associate Professor, 1993-10-28 For over two centuries America has celebrated the very black culture it attempts to control and repress and nowhere is this phenomenon more apparent than in the strange practice of blackface performance Born of extreme racial and class conflicts the blackface minstrel show sometimes usefully intensified them Based on the appropriation of black dialect music and dance minstrelsy at once applauded and lampooned black culture ironically contributing to a blackening of America Drawing on recent research in cultural studies and social history Eric Lott examines the role of the blackface minstrel show in the political struggles of the years leading up to the Civil War Reading minstrel music lyrics jokes burlesque skits and illustrations in tandem with working class racial ideologies and the sex gender system Love and Theft argues that blackface minstrelsy both embodied and disrupted the racial tendencies of its largely white male working class audiences Underwritten by envy as well as repulsion sympathetic identification as well as fear a dialectic of love and theft the minstrel show continually transgressed the color line even as it enabled the formation of a self consciously white working class Lott exposes minstrelsy as a signifier for multiple breaches the rift between high and low cultures the commodification of the dispossessed by the empowered the attraction mixed with guilt of whites caught in the act of cultural thievery

Race and the Making of American Liberalism Carol A. Horton, 2005-09-08 Race and the Making of American Liberalism traces the roots of the contemporary crisis of progressive liberalism deep into the nation's racial past Horton argues that the contemporary conservative claim that the American liberal tradition has been rooted in a color blind conception of individual rights is inaccurate and misleading In contrast American liberalism has alternatively served both to support and oppose racial hierarchy as well as socioeconomic inequality more broadly Racial politics in the United States have repeatedly made it exceedingly difficult to establish powerful constituencies that understand socioeconomic equity as vital to American democracy and aspire to limit gross disparities of wealth power and status Revitalizing such equalitarian conceptions of American liberalism Horton suggests will require developing new forms of racial and class identity that support rather than sabotage this fundamental political commitment

Religion and the American Civil War Randall M. Miller, Harry S. Stout, Charles Reagan Wilson, 1998 The authors show that religion understood in its broadest context as a

culture and community of faith was found wherever the war was found in the armies and the hospitals on the plantations and in the households among all conditions of men and women white and black Cover **Agrarianism and Reconstruction**

Politics Michael L. Lanza, 1999-03-01 At the close of the Civil War the Federal government undertook a sweeping reform of land tenure in the South with the passage of the Southern Homestead Act of 1866 Designed primarily to allow freedmen to settle public land and take part in the great agrarian program of establishing a nation of independent yeoman farmers the act soon became the victim of political abuses bureaucratic ineptitude and burgeoning racism In Agrarianism and Reconstruction Politics Michael L Lanza studies the conception evolution and demise of this critical aspect of Reconstruction history Lanza deals with the formulation of the act in Congress the implementation of new land regulations in the southern states and the distribution of land to the hopeful body of southern freedmen As Lanza points out however the homesteaders faced obstacles and disappointments at almost every turn White southerners vehemently opposed black landownership and did everything possible to stand in the freedmen s way Furthermore much of the land allocated to the homesteaders proved unfarmable An unwieldy sometimes dishonest bureaucracy and a lessening of support from the Republican party were additional barriers that prevented the Southern Homestead Act from living up to its promise Lanza relies on letters written by many homesteaders to paint a vivid picture of their hopes frustrations achievements and failures Historians have long debated the centrality of land distribution policies to Reconstruction history But until now one has fully considered the single most important measure adopted during Reconstruction to provide land to the landless Drawing on records of the General Land Office contemporaneous newspaper accounts and other sources Michael Lanza s study of the Southern Homestead Act provides a significant new interpretation of land policy during this era How Enemies Become Friends Charles A.

Kupchan, 2012-03-25 How nations move from war to peace Is the world destined to suffer endless cycles of conflict and war Can rival nations become partners and establish a lasting and stable peace How Enemies Become Friends provides a bold and innovative account of how nations escape geopolitical competition and replace hostility with friendship Through compelling analysis and rich historical examples that span the globe and range from the thirteenth century through the present foreign policy expert Charles Kupchan explores how adversaries can transform enmity into amity and he exposes prevalent myths about the causes of peace Kupchan contends that diplomatic engagement with rivals far from being appeasement is critical to rapprochement between adversaries Diplomacy not economic interdependence is the currency of peace concessions and strategic accommodation promote the mutual trust needed to build an international society The nature of regimes matters much less than commonly thought countries including the United States should deal with other states based on their foreign policy behavior rather than on whether they are democracies Kupchan demonstrates that similar social orders and similar ethnicities races or religions help nations achieve stable peace He considers many historical successes and failures including the onset of friendship between the United States and Great Britain in the early twentieth

century the Concert of Europe which preserved peace after 1815 but collapsed following revolutions in 1848 and the remarkably close partnership of the Soviet Union and China in the 1950s which descended into open rivalry by the 1960s In a world where conflict among nations seems inescapable *How Enemies Become Friends* offers critical insights for building lasting peace

Pragmatism, Politics, and Perversity Joseph L. Esposito, 2012-06-14 The political project of pragmatism has focused primarily on its defense of democracy as the best political system to maintain and improve human well being over lifetimes and generations *Pragmatism Politics and Perversity* Democracy and the American Party Battle describes this project of Peirce Dewey Hook and Rorty and combines it with Charles Beard s study of the party battle as the most determinative influence upon American democracy The book updates and confirms Beard s hypothesis that the history of the party battle is a chronicle of perverse schemes and self inflicted wounds the most salient to date being the American Civil War because it reflects a ceaselessly disruptive contest over the creation of two largely incompatible political states nation state and market state The book supports its thesis with detailed historical accounts of the formation of the Constitution and early federal judiciary the sedition trials and political schemes of the 1790s the frustration of market state Whigs to attract white working class voters by exploiting their religious identities the reckless machinations of Whig Republicans in precipitating a national crisis over a contrived threat of oligarchy and white slavery and the ideological oscillations of the Supreme Court from market state to nation state jurisprudence and back again To reduce perversity in political rhetoric and free up pragmatic democratic practices the book proposes a robust neo Madisonian view of free speech where political actors and their surrogates are not only free to speak and write but are also obligated to explain retract and revise what they have said and written

North Over South Susan-Mary Grant, 2000 This text argues that the Civil War truly formed the American nation and that the antebellum period was the crucial phase of American national construction Grant focuses on a Northern nationalism based on an opposition to things Southern and links national construction with European nationalism

The Masterless Wilfred M. McClay, 2000-11-09 In this provocative book Wilfred McClay considers the long standing tension between individualism and social cohesion in conceptions of American culture Exploring ideas of unity and diversity as they have evolved since the Civil War he illuminates the historical background to our ongoing search for social connectedness and sources of authority in a society increasingly dominated by the premises of individualism McClay borrows D H Lawrence s term masterless men extending its meaning to women as well and argues that it is expressive of both the promise and the peril inherent in the modern American social order Drawing upon a wide range of disciplines including literature sociology political science philosophy psychology and feminist theory McClay identifies a competition between visions of dispersion on the one hand and coalescence on the other as modes of social organization In addition he employs intellectual biography to illuminate the intersection of these ideas with the personal experiences of the thinkers articulating them and shows how these shifting visions are manifestations of a more general ambivalence about the process of national integration and

centralization that has characterized modern American economic political and cultural life *Lincoln and the Politics of Slavery* Daniel W. Crofts, 2016-02-13 In this landmark book Daniel Crofts examines a little known episode in the most celebrated aspect of Abraham Lincoln's life his role as the Great Emancipator Lincoln always hated slavery but he also believed it to be legal where it already existed and he never imagined fighting a war to end it In 1861 as part of a last ditch effort to preserve the Union and prevent war the new president even offered to accept a constitutional amendment that barred Congress from interfering with slavery in the slave states Lincoln made this key overture in his first inaugural address Crofts unearths the hidden history and political maneuvering behind the stillborn attempt to enact this amendment the polar opposite of the actual Thirteenth Amendment of 1865 that ended slavery This compelling book sheds light on an overlooked element of Lincoln's statecraft and presents a relentlessly honest portrayal of America's most admired president Crofts rejects the view advanced by some Lincoln scholars that the wartime momentum toward emancipation originated well before the first shots were fired Lincoln did indeed become the Great Emancipator but he had no such intention when he first took office Only amid the crucible of combat did the war to save the Union become a war for freedom **Justice Stephen Field** Paul Kens, 1997 Outspoken and controversial Stephen Field served on the Supreme Court from his appointment by Lincoln in 1863 through the closing years of the century No justice had ever served longer on the Court and few were as determined to use the Court to lead the nation into a new and exciting era Paul Kens shows how Field ascended to such prominence what influenced his legal thought and court opinions and why both are still very relevant today One of the famous gold rush forty niners Field was a founder of Marysville California a state legislator and state supreme court justice His decisions from the state bench and later from the federal circuit court often placed him in the middle of tense conflicts over the distribution of the land and mineral wealth of the new state Kens illuminates how Field's experiences in early California influenced his jurisprudence and produced a theory of liberty that reflected both the ideals of his Jacksonian youth and the teachings of laissez faire economics During the time that Field served on the U S Supreme Court the nation went through the Civil War and Reconstruction and moved from an agrarian to an industrial economy in which big business dominated Fear of concentrated wealth caused many reformers of the time to look to government as an ally in the preservation of their liberty In the volatile debates over government regulation of business Field became a leading advocate of substantive due process and liberty of contract legal doctrines that enabled the Court to veto state economic legislation and heavily influenced constitutional law well into the twentieth century In the effort to curb what he viewed as the excessive power of government Field tended to side with business and frequently came into conflict with reformers of his era Gracefully written and filled with sharp insights Kens study sheds new light on Field's role in helping the Court define the nature of liberty and determine the extent of constitutional protection of property By focusing on the political economic and social struggles of his time it explains Field's jurisprudence in terms of conflicting views of liberty and individualism It firmly establishes Field as a

persuasive spokesman for one side of that conflict and as a prototype for the modern activist judge while providing an important new view of capitalist expansion and social change in Gilded Age America **Revivalism and Cultural Change**

George M. Thomas, 2019-04-08 The history of Christianity in America has been marked by recurring periods of religious revivals or awakenings In this book George M Thomas addresses the economic and political context of evangelical revivalism and its historical linkages with economic expansion and Republicanism in the nineteenth century Thomas argues that large scale change results in social movements that articulate new organizations and definitions of individual society authority and cosmos Drawing on religious newspapers party policies and agendas and quantitative analyses of voting patterns and census data he claims that revivalism in this period framed the rules and identities of the expanding market economy and the national policy Subtle and complex Fascinating Randolph Roth Pennsylvania History Revivalism and Cultural Change should be read with interest by those interested in religious movements as well as the connections among religion economics and politics Charles L Harper Contemporary Sociology Readers old and new stand to gain much from Thomas s sophisticated study of the macrosociology of religion in the United States during the nineteenth century He has given the sociology of religion its best quantitative study of revivalism since the close of the 1970s Journal for the Scientific Study of Religion A

Companion to 19th-Century America William Barney, 2008-04-15 A Companion to 19th Century America is an authoritative overview of current historiographical developments and major themes in the history of nineteenth century America Twenty seven scholars all specialists in their own thematic areas examine the key debates and historiography A thematic and chronological organization brings together the major time periods politics the Civil War economy and social and cultural history of the nineteenth century Written with the general reader in mind each essay surveys the historical research the emerging concerns and assesses the future direction of scholarship Complete coverage of all the major themes and current debates in nineteenth century US history assessing the state of the scholarship and future concerns 24 original essays by leading experts in nineteenth century American history complete with up to date bibliographies Chronological and thematic organization covers both traditional and contemporary fields of research politics periods economy class formation ethnicity gender roles regions culture and ideas Victorian America and the Civil War Anne C. Rose, 1994-09-30 Anne Rose examines the relationship between American Victorian culture and the Civil War arguing that Romanticism was at the heart of Victorian culture **The Presidency of Abraham Lincoln** Phillip Shaw Paludan, 1994 In this study Paludan offers us Lincoln in the round a complex even contradictory personality who found greatness without seeking it and who felt deeply troubled about what he perceived as his failings as a President and person

Politics And Ideology In The Age Of The Civil War Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Politics And Ideology In The Age Of The Civil War free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Politics And Ideology In The Age Of The Civil War free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Politics And Ideology In The

Age Of The Civil War free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Politics And Ideology In The Age Of The Civil War. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Politics And Ideology In The Age Of The Civil War any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Politics And Ideology In The Age Of The Civil War Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Politics And Ideology In The Age Of The Civil War is one of the best book in our library for free trial. We provide copy of Politics And Ideology In The Age Of The Civil War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Politics And Ideology In The Age Of The Civil War. Where to download Politics And Ideology In The Age Of The Civil War online for free? Are you looking for Politics And Ideology In The Age Of The Civil War PDF? This is definitely going to save you time and cash in something you should think about.
