Politics And Power Problems Of Sexual Politics:

Political Science and the Problem of Social Order Henrik Enroth, 2022-03-24 Shows how the problem of social order has shaped concept formation theory and normative argument in political science Radicalizing Lawrence Robert Burden, 2000 In this study of D H Lawrence and critical theory Robert Burden pays particular attention to the critical formations that underpin the reception history of the main novels including the much maligned leadership novels because strong readings have always contested the meaning and significance of Lawrence and because there has been a persistent reluctance to approach his writing through post structuralist theory This study demonstrates in some detail that once Lawrence s texts are the objects of the newer critical paradigms their principles of coherence are understood differently and that older notions of textual unity are displaced by aesthetic structures of degrees of generic and linguistic destabilization This enables a radicalizing of Lawrence s fiction by drawing out its deconstructive effects on his myth making and essentialist notions of the self The sexual identities represented in the fiction are read as experiments or thought adventures as Lawrence himself characterized his work The different approaches to Lawrence s writing in this study lead to a radical reassessment of his relationship to Modernism especially in the light of the more elastic concept of Modernism in recent discussion and one which traditional Lawrence scholars have ignored What emerges is a more self deconstructive Lawrence with some surprising results **The Spectre of Promiscuity** Christian Klesse, 2016-03-03 Wide ranging research suggests that partners in gay male and bisexual relationships do not necessarily expect monogamy or see it as an important issue Although the frequency of gay male and bisexual non monogamous partnerships tends to be widely acknowledged in social science literature these relationships have rarely been explored in more detail By providing rich empirical data thoughtful analysis and theoretical debate this book makes a significant contribution to the sociological literature on sexual and intimate relationships More specifically it explores the diversity of gay male and bisexual relationship practices in the context of heteronormative citizenship and intra social movement conflict and highlights the complexity of power relations that circumscribe queer people s relationships and sexual lives Written in an accessible and engaging manner *The Spectre of Promiscuity* provides important insights for further studies on sexual culture discourse citizenship politics and ethics

Shakespeare's Problem Plays Simon Barker, 2005-04-25 This New Casebook offers a wide ranging selection of contemporary critical readings of Shakespeare s three problem plays *All s Well that Ends Well* *Measure for Measure* and *Troilus and Cressida* Together they reflect the diversity of late twentieth century theory and the controversy that continues to be generated by the plays and discuss a variety of key issues These include the meaning of the term problem play the historical context and political and cultural significance of the plays as well as issues of staging and theatre history The volume also provides a helpful introduction which guides the reader through the critical approaches terms and debates as well as explanatory notes for each essay and a useful section on further reading **Ontological Humility** Nancy J.

Holland,2013-03-01 Explores ontological humility in the history of philosophy from Descartes to contemporary gender and race theory **Gender and Social Capital** Brenda O'Neill,Elisabeth Gidengil,2013-09-05 The volume brings together a stellar group of contributors who examine the social capital thesis by means of four different approaches theoretical historical comparative and empirical In the end this book will serve to answer two fundamental questions which have hitherto been neglected What can a gendered analysis tell us about social capital And what can social capital tell us about women and politics **Encyclopedia of Race, Ethnicity, and Society** Richard T. Schaefer,2008-03-20 This encyclopedia offers a comprehensive look at the roles race and ethnicity play in society and in our daily lives Over 100 racial and ethnic groups are described with additional thematic essays offering insight into broad topics that cut across group boundaries and which impact on society **Gender, Diversity and Trade Unions** Fiona Colgan,Sue Ledwith,2003-09-02 The pressures of globalization and diversity are increasingly requiring organizations to rethink their priorities and methods In this collection leading researchers examine the debates and developments on gender diversity and democracy in trade unions in eleven countries Offering an authoritative basis for comparative analysis this book is essential reading for researchers teachers trade unionists and students of industrial relations and equal opportunities along with all those concerned with ensuring that modern organizations reflect and represent the needs and concerns of a diverse workforce **Discourse on Rights in India** Bijayalaxmi Nanda,Nupur Ray,2018-09-03 This book is a compelling examination of the theoretical discourse on rights and its relationship with ideas institutions and practices in the Indian context By engaging with the crucial categories of class caste gender region and religion it draws attention to the contradictions and contestations in the arena of rights and entitlements The essays by eminent experts provide deep and nuanced insights on the intersecting issues and concerns of individual and group identities as well as their connection with the State along with its multifarious institutions and practices The volume not only engages with the dilemmas emerging out of the rights discourse but also sets out to recognize the significance of a shared commitment to a rights based framework towards the promotion of justice and democracy in society The book will be useful to academics social scientists researchers and policymakers It will be of special interest to teachers and students in the fields of politics development studies philosophy ethics sociology gender women s studies and social movements

Beyond God the Father Mary Daly,2015-12-08 Certainly one of the most promising theological statements of our time The Christian Century Not for the timid this brilliant book calls for nothing short of the overthrow of patriarchy itself The Village Voice **Gender, Surveillance, and Literature in the Romantic Period** Lucy E. Thompson,2021-12-30 Romantic era literature offers a key message surveillance in all its forms was experienced distinctly and differently by women than men Gender Surveillance and Literature in the Romantic Period examines how familiar and neglected texts internalise and interrogate the ways in which targeted asymmetric and often isolating surveillance made women increasingly and uncomfortably visible in a way that still resonates today The book combines the insights of modern surveillance studies with

Romantic scholarship It provides readers with a new context in which to understand Romantic period texts and looks critically at emerging paradigms of surveillance directed at marginal groups as well as resistance to such monitoring Works by writers such as Jane Austen Charlotte Smith and Joanna Baillie as well as Lord Byron and Thomas De Quincey give a new perspective on the age that produced the Panopticon This book is designed to appeal to a wide readership and is aimed at students and scholars of surveillance literature Romanticism and gender politics as well as those interested in important strands of women s experience not only for the additional layers they reveal about the Romantic era but also for their relevance to current debates around asymmetries of power within gendered surveillance

Heteronormativity, Passionate Aesthetics and Symbolic Subversion in Asia Saskia E Wieringa, 2015-09-01 This book examines life trajectories among three categories of women living beyond the bounds of heteronormativity in Jakarta and Delhi two major cities with substantively different religious and social values women who have lost their husbands either through divorce or death sex workers and young urban lesbians Delhi has a large Hindu majority and a sizeable Muslim minority amongst other religious and cultural pluralities The Indian state is constitutionally committed to secularism and equal respect to all regions despite right wing Hindu fundamentalism Jakarta is the capital of a sprawling archipelago with a large variety of ethnic cultures Indonesia having the largest Muslim population of the world as well as sizeable ethnic and religious minorities comprising Christians Hindus Buddhists and others The Indonesian state is constitutionally secular but religion plays a large role in public life and is embedded in regulations that strongly impact people s private lives Recently there have been strong political currents to impose stricter Islamic codes The public arena of sexual politics in which the media play an important role is explored in both cities Hot sex is a major media selling point particularly in Indonesia Heteronormativity entails a system of symbolic violence in the sense that it punishes those that it excludes and polices those that it includes the ways its powers are subverted are likewise symbolic Passionate aesthetics refers to the dynamics motivations codes of behavior and presentation subjectivities and identities that together make up the complex workings of erotic attraction sexual relations and partnerships patterns By charting the lives of women who live beyond the boundaries of the heteronormative commonalities are revealed boundaries and regulatory mechanisms in the context of symbolic violence are delineated and the issue of the struggle for sexual rights for marginalised groups and their open rebellion brought to the fore At the heart of the book lies elaboration of the ways Asian families are constructed their social economic sexual and religious agency and how these engage with state led values

Understanding Gender Based Violence Nadia Aghtaie, Geetanjali Gangoli, 2014-08-21 This book aims to bring together the pioneering research on gender based violence that has been conducted by the Centre for Gender and Violence Research at the School for Policy Studies University of Bristol Topics discussed include violence in young people s relationships prostitution policy disabled women s experiences of domestic violence men as victims of domestic violence feminist movements and methodological concerns This book will have a wide appeal as each individual chapter builds on and

contributes to existing global and national concerns about gender based violence The book starts with an exploration of key theoretical conceptual and methodological issues in researching gender based violence then moves on to look at specific national UK based empirical studies The final section brings together a wide range of research from diverse contexts ranging from China Iran India and refugee camps in Rwanda The book will be an invaluable resource for researchers students and practitioners who have an interest in this area as well as for policymakers around the world It will also be of interest to the general reader who wants to learn more about what is now a highly topical issue

Sex and the Weimar Republic Laurie Marhoefer, 2015-10-06 Liberated licentious or merely liberal the sexual freedoms of Germany's Weimar Republic have become legendary The home of the world's first gay rights movement the republic embodied a progressive secular vision of sexual liberation Immortalized however misleadingly in Christopher Isherwood's Berlin Stories and the musical Cabaret Weimar's freedoms have become a touchstone for the politics of sexual emancipation Yet as Laurie Marhoefer shows in Sex and Weimar Republic those sexual freedoms were only obtained at the expense of a minority who were deemed sexually disordered In Weimar Germany the citizen's right to sexual freedom came with a duty to keep sexuality private non commercial and respectable Sex and the Weimar Republic examines the rise of sexual tolerance through the debates which surrounded immoral sexuality obscenity male homosexuality lesbianism transgender identity heterosexual promiscuity and prostitution It follows the sexual politics of a swath of Weimar society ranging from sexologist Magnus Hirschfeld to Nazi stormtrooper Ernst R hm Tracing the connections between toleration and regulation Marhoefer's observations remain relevant to the politics of sexuality today

De-Centering Sexualities David Shuttleton, Diane Watt, Richard Phillips, 2000 This book of critical rural geography breaks new ground by drawing attention to sex and sexualities outside the metropolis It explores sexualities and sexual experiences in a variety of rural and marginal spaces with international contributions from a wide range of disciplines These include literary and cultural studies lesbian and gay studies geography history and law Among the topics uncovered are a lesbian in rural England sexual life in rural Wales sexuality in rural South Africa scandal in the American South sex race and politics nature and homosexuality

The Oxford Handbook of Feminist Theory Lisa Disch, Mary Hawkesworth, 2018-02-01 The Oxford Handbook of Feminist Theory provides a rich overview of the analytical frameworks and theoretical concepts that feminist theorists have developed to analyze the known world Featuring leading feminist theorists from diverse regions of the globe this collection delves into forty nine subject areas demonstrating the complexity of feminist challenges to established knowledge while also engaging areas of contestation within feminist theory Demonstrating the interdisciplinary nature of feminist theory the chapters offer innovative analyses of topics central to social and political science cultural studies and humanities discourses associated with medicine and science and issues in contemporary critical theory that have been transformed through feminist theorization The handbook identifies limitations of key epistemic assumptions that inform traditional scholarship and shows how theorizing from women's and men's lives has

profound effects on the conceptualization of central categories whether the field of analysis is aesthetics biology cultural studies development economics film studies health history literature politics religion science studies sexualities violence or war **Exploring Contemporary Issues in Sexuality Education with Young People** Kathleen Quinlivan,2018-10-12

This book explores contemporary issues in sexuality and relationship education for young people Drawing upon rich empirical and ethnographic research undertaken with students and teachers in secondary schools the author asks how school based sexuality education can better equip young people to engage with contemporary social political and cultural sexuality and relationships issues Creatively working across both theoretical and practical contexts this accessible work suggests approaches to sexuality and relationships education that can build upon the ways in which young people are developing a sense of identity the ultimate aim being to help them to meet their emotional spiritual and relational potential Challenging established approaches to sexuality education this thought provoking book shines a new light on alternative perspectives that can help make sexuality and relationships education more relevant and meaningful for young people in a rapidly changing world This volumewill be of interest and value to students and scholars of sexuality and relationship education as well as practitioners LIFE ,1970-07-24 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century
