Politics Of Migration And Immigration In Europe

Pietro Castelli Gattinara

Politics Of Migration And Immigration In Europe:

The Politics of Migration and Immigration in Europe Andrew Geddes, Peter Scholten, 2016-08-09 Migration and immigration are high on any nation's agenda but have particular resonance in Europe in light of recent events. The new edition of this book has been fully updated in this respect and explores immigration policy in individual EU nations. The treatment of migrants including immigrant policies. The development and effects of the Schengen agreement. The movement towards common EU policies. It looks specifically at the contexts of Britain, France, Germany, The Netherlands, Sweden, Italy, Spain, Greece and Turkey as well as examining the changing nature of migration dynamics in central and Eastern Europe. This book is a significant and timely analysis suitable for students of migration at any level.

International Migration in Europe Corrado Bonifazi, 2008 Literaturangaben *The Routledge Handbook of the Politics of Migration in Europe* Agnieszka Weinar, Saskia Bonjour, Lyubov Zhyznomirska, 2018-07-06 The Routledge Handbook of the Politics of Migration in Europe provides a rigorous and critical examination of what is exceptional about the European politics of migration and the study of it. Crucially, this book goes beyond the study of the politics of migration in the handful of Western European countries to showcase a European approach to the study of migration politics inclusive of tendencies in all geographical parts of Europe including Eastern Europe, the Western Balkans, Turkey and of influences of the European Union (EU) on countries in Europe and beyond. Each expert chapter reviews the state of the art field of studies on a given topic or question in Europe as a continent while highlighting any dimensions in scholarly debates that are uniquely European. Thematically organised, it permits analytically fruitful comparisons across various geographical entities within Europe and broadens the focus on European immigration politics and policies beyond the traditional limitations of Western European immigrant receiving societies. The Routledge Handbook of the Politics of Migration in Europe will be essential reading and an authoritative reference for scholars, students, researchers and practitioners involved in and actively concerned about research on migration and European and EU Politics.

The Discourses and Politics of Migration in Europe U. Korkut, G. Bucken-Knapp, A. McGarry, J. Hinnfors, H. Drake, 2013-07-31 This book engages with politics and political discourse that relate to and qualify immigration in Europe. It brings together empirical analysis of immigration both topically and contextually and interprets such empirical evidence with the use of policy and discursive analyses as methodological tools. Thematically, this volume focuses on how discourse and politics operate in issue areas as varied as immigrant integration and multilevel governance, Roma immigration and their respective securitization, the uses of language in determination of asylum applications, gendered immigrants in informal economy, perceptions of integration by the migrants, economic interests and economic nationalism, stimulating immigration, choices, ideology and entry policies and asylum processes and the institutional evolution of immigration systems. These issues are analyzed with empirical evidence investigating the discursive formulation of immigration systems in political contexts such as the Netherlands, France, United Kingdom, Turkey, Switzerland, Scandinavian

states and Finland

The Politics of Migration in Italy Pietro Castelli Gattinara, 2016-04-14 Migration represents one of the key issues in both Italian and European politics and it has triggered EU wide debates and negotiations alongside alarmist and often sensationalist news reporting on the activities of government party and social movement actors The Politics of Migration in Italy explores what happens when previously undiscussed issues become central to political agendas and are publicly debated in the mass media Examining how political actors engage with the issue of migration in electoral campaigning this book highlights how complex policy issues are addressed selectively by political entrepreneurs and how the responses of political actors are influenced by strategic incentives and ongoing events This book studies the dynamics of the politicization of the immigration issue across three local contexts in Italy Prato Milan and Rome which differ systematically with respect to crucial economic cultural and security dimensions of immigration Offering an innovative exploration of party competition and migration in Italy as well as providing the conceptual and analytical tools to understand how these dynamics play out beyond the Italian case this book is essential reading for students scholars and policymakers working in the areas of migration studies agenda setting and European politics more generally

The Politics of Immigration James Hampshire, 2014-01-28 Immigration is one of the most contested issues on the political agenda of liberal states across Europe and North America While these states can be open and inclusive to newcomers they are also often restrictive and exclusionary The Politics of Immigration examines the sources of these apparently contradictory stances locating answers in the nature of the liberal state itself The book shows how four defining facets of the liberal state representative democracy constitutionalism capitalism and nationhood generate conflicting imperatives for immigration policymaking which in turn gives rise to paradoxical even contradictory policies The first few chapters of the book outline this framework setting out the various actors institutions and ideas associated with each facet Subsequent chapters consider its implications for different elements of the immigration policy field including policies towards economic and humanitarian immigration as well as citizenship and integration Throughout the argument is illustrated with data and examples from the major immigrant receiving countries of Europe and North America This book will be essential reading for students and researchers in migration studies politics and international relations and all those interested in understanding why immigration remains one of the most controversial and intractable policy issues in the Western world

The Political Economy of Border Drawing Regine Paul, 2015-01-01 The conditions for non EU migrant workers to gain legal entry to Britain France and Germany are at the same time similar and quite different To explain this variation this book compares the fine grained legal categories for migrant workers in each country and examines the interaction of economic social and cultural rationales in determining migrant legality Rather than investigating the failure of borders to keep unauthorized migrants out the author highlights the different policies of each country as border drawing actions Policymakers draw lines between different migrant groups and between migrants and citizens through considerations of both their economic utility and skills but also their places of origin

and prospects for social integration Overall migrant worker legality is arranged against the backdrop of the specific vision each country has of itself in an economically competitive globalized world with rapidly changing welfare and citizenship models Getting by in Europe's Urban Labour Markets Inge van Nieuwenhuyze, 2009-01-01 A thesis that examines two major social changes experienced by European cities post industrial economic restructuring and new immigration flows It also discusses the link between both these social changes with a variety of theoretical approaches and in many descriptive contributions

Perspectives for Europe Markus Pausch, 2020-05-29 Die Beitr ge dieses Bandes gehen aus der internationalen Konferenz Ideas for the Future of Europe hervor und fokussieren Ideen und Herausforderungen im Kontext bestehender Krisen in Europa und speziell in der Europ ischen Union In den Blick geraten dabei sowohl geschichts als auch politikwissenschaftliche Perspektiven In diesem Band werden klassische Themenschwerpunkte aufgegriffen die f r das Zusammenleben der Menschen in Europa von entscheidender Bedeutung sind Hier sind etwa das Verh ltnis von der Europ ischen Union zu seinen Mitgliedstaaten die aktuelle Migrations und Asylpolitik sowie die Rolle des Islams als Teil von Europa hervorzuheben *Research Agendas in EU Studies* M. Egan, N. Nugent, W. Paterson, 2009-11-27 Leading scholars explore the complex questions arising from the ongoing transformation of Europe through the deepening and widening effects of European integration Based on authoritative analyses the book takes account of the many national transnational and international processes and contexts in which European integration has become embedded

Immigration Policy in Europe Virginie Guiraudon, Gallya Lahav, 2006-11-09 Previously published as a special issue of West European Politics this edited volume evaluates the extent to which a policy gap between inputs and outcomes exists with regard to immigration control In exploring an expanded migration policy field which includes the extreme right the media and actors this book goes beyond traditional analyses tha *The Politics of Migration and Diaspora in Eastern Europe* Ruxandra

Trandafoiu, 2022-03-30 This book provides a critical analysis of the politics of migration in Eastern Europe and an in depth understanding of the role played by media and public discourse in shaping migration and migration policy Ruxandra Trandafoiu looks at emigration diaspora return kin minority cross border mobility and immigration in Eastern Europe from cultural social and political angles tracing the evolution of migration policies across Eastern Europe through communication public debate and political strategy Trandafoiu investigates the extent to which these potential models or policy practices can be comparable to those in Western European countries or whether Eastern Europe can give rise to a migration system that rivals the North American one Each chapter bridges the link between policy and politics and makes a case for considering migration politics as fundamentally intertwined with media representation and public debate Drawing on comparative case studies of countries including Bulgaria Croatia Estonia Hungary Poland Romania Slovakia and Ukraine the book considers how migration is both managed and experienced from political social and cultural viewpoints and from the perspectives of a range of actors including migrants politicians policymakers and journalists This book will be key reading for advanced

students and researchers of migration media international relations and political communication The Age of Dualization
Patrick Emmenegger, 2012-01-17 Poverty increased inequality and social exclusion are back on the political agenda in Western Europe not only as a consequence of the Great Recession of 2008 but also because of a seemingly structural trend towards increased inequality in advanced industrial societies that has persisted since the 1970s How can we explain this increase in inequalities Policies in labor markets social policy and political representation are strongly linked in the creation widening and deepening of insider outsider divides a process known as dualization While it is certainly not the only driver of increasing inequality the encompassing nature of its development across multiple domains makes dualization one of the most important current trends affecting developed societies However the extent and forms of dualization vary greatly across countries The comparative perspective of this book provides insights into why Nordic countries witness lower levels of insider outsider divides whereas in continental liberal and southern welfare states they are more likely to constitute a core characteristic of the political economy Most importantly the comparisons presented in this book point to the crucial importance of politics and political choice in driving and shaping the social outcomes of deindustrialization While increased structural labor market divides can be found across all countries governments have a strong responsibility in shaping the distributive consequences of these labor market changes Insider outsider divides are not a straightforward consequence of deindustrialization but rather the result of political choice A landmark publication this volume is geared for faculty and graduate students of economics political science social policy and sociology as well as policymakers concerned with increasing inequality in a period of deep economic and social crisis *Developments in European Politics 3* Veronica Anghel, Erik Jones, 2022-09-08 *Developments in European Politics* considers what Europe is where it came from and what European citizens can make of it It brings together specially commissioned chapters by leading authorities to give an up to date and systematic analysis of European political developments in institutions processes and policy at national regional and international levels It provides wide ranging and clear analysis of the factors influencing European politics from populism and extremism in national politics to the broader forces of globalization immigration climate change and international terrorism Bringing together a brand new contributor team this new edition offers More coverage of Europe's role in the world Increased focus on the attitudes of European citizens as the motor of European politics End of chapter reading suggestions and key questions enabling readers to engage with the important issues at stake An overarching framework that hones in on four contemporary themes the rise of authoritarian politics the mismanagement of globalization the perception of collective insecurity and the disintegration of Europe This is an ideal text for students undertaking courses on European Politics as well as anyone interested in understanding the political challenges facing Europe today **Immigration Policy in Europe** Virginie Guiraudon, Gallya Lahav, 2006-11-09 Previously published as a special issue of *West European Politics* this edited volume evaluates the extent to which a policy gap between inputs and outcomes exists with regard to immigration

control In exploring an expanded migration policy field which includes the extreme right the media and actors this book goes beyond traditional analyses that focus on classical moments of policy making and instead seeks to understand the normative and cognitive context in which they operate Taking into account the recent work of migration scholars into variants of the disjuncture theme the comparative studies also highlight the variations across time countries regions and sectors The international list of contributors discuss refugee protection asylum and illegal migration in chapters that fall under three subject areas formulating policy implementing policy international policy making Immigration Policy in Europe will be of great interest to students and scholars of European studies and British politics *The Political Economy of Managed Migration* Georg Menz, 2010-12-16 European governments have re discovered labour migration but are eager to be perceived as controlling unsolicited forms of migration especially through asylum and family reunion The emerging paradigm of managed migration combines the construction of more permissive channels for desirable and actively recruited labour migrants with ever more restrictive approaches towards asylum seekers Non state actors especially employer organizations trade unions and humanitarian non governmental organisations attempt to shape regulatory measures but their success varies depending on organizational characteristics Labour market interest associations lobbying strategies regarding quantities and skill profile of labour migrants will be influenced by the respective system of political economy they are embedded in Trade unions are generally supportive of well managed labour recruitment strategies But migration policy making also proceeds at the European Union EU level While national actors seek to upload their national model as a blueprint for future EU policy to avoid costly adaptation top down Europeanization is re casting national regulation in important ways notwithstanding highly divergent national regulatory philosophies Based on field work in and analysis of primary documents from six European countries France Italy United Kingdom Ireland Germany and Poland this book makes an important contribution to the study of a rapidly Europeanized policy domain Combining insights from the literature on comparative political economy Europeanization and migration studies the book makes important contributions to all three while demonstrating how migration policy can be fruitfully studied by employing tools from mainstream political science rather than treating it as a distinct subfield The Politicisation of Migration Wouter van der Brug, Gianni D'Amato, Didier Ruedin, Joost Berkhout, 2015-03-27 Why are migration policies sometimes heavily contested and high on the political agenda And why do they at other moments and in other countries hardly lead to much public debate The entrance and settlement of migrants in Western Europe has prompted various political reactions In some countries anti immigration parties have gained substantial public support while in others migration policies have been hardly controversial The Politicisation of Migration examines the differences between seven Western European countries by developing a conceptual framework to empirically explain patterns of politicisation and de politicisation The analyses show that over the past decade immigration has been increasingly defined in socio cultural terms and that it has been receiving less political attention since the economic crisis

started in 2007 This book also looks at the role of mainstream parties and political actors in the process of politicisation and demonstrates how the role of challengers is more limited than often assumed Contributing to literatures on migration party politics and agenda setting the book will be of interest to students and scholars in the fields of politics and migration studies

The Oxford Handbook of the Politics of International Migration Marc R. Rosenblum, Daniel J. Tichenor, 2012-06-28 Twenty nine specialists offer their perspectives on migration from a wide variety of fields political science sociology economics and anthropology Rules, Paper, Status Anna Tuckett, 2018-06-26 Whether motivated by humanitarianism or concern over porous borders dominant commentary on migration in Europe has consistently focused on clandestine border crossings Much less however is known about the everyday workings of immigration law inside borders Drawing on in depth ethnographic fieldwork in Italy one of Europe's biggest receiving countries Rules Paper Status moves away from polarized depictions to reveal how migration processes actually play out on the ground Anna Tuckett highlights the complex processes of inclusion and exclusion produced through encounters with immigration law The statuses of legal or illegal which media and political accounts use as synonyms for good and bad worthy and unworthy are not created by practices of border crossing but rather through legal and bureaucratic processes within borders devised by governing states Taking migrants interactions with immigration regimes as its starting point this book sheds light on the productive nature of legal and bureaucratic encounters and the unintended consequences they produce Rules Paper Status argues that successfully navigating Italian immigration bureaucracy which is situated in an immigration regime that is both exclusionary and flexible requires and induces culturally specific modes of behavior Exclusionary laws however can transform this social and cultural learning into the very thing that endangers migrants right to live in the country **The Europeanization of National Policies and Politics of Immigration** T. Faist, A. Ette, 2007-02-28 The Europeanization of National Policies and Politics of Immigration is the first cutting edge volume presenting a comparative empirical investigation on the impact of the EU on migration policy at national level Revealing striking differences this collection examines traditional member states new member states as well as non member states

Politics Of Migration And Immigration In Europe Introduction

In today's digital age, the availability of Politics Of Migration And Immigration In Europe books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Politics Of Migration And Immigration In Europe books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Politics Of Migration And Immigration In Europe books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Politics Of Migration And Immigration In Europe versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Politics Of Migration And Immigration In Europe books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Politics Of Migration And Immigration In Europe books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Politics Of Migration And Immigration In Europe books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them

accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Politics Of Migration And Immigration In Europe books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Politics Of Migration And Immigration In Europe books and manuals for download and embark on your journey of knowledge?

FAQs About Politics Of Migration And Immigration In Europe Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Politics Of Migration And Immigration In Europe is one of the best book in our library for free trial. We provide copy of Politics Of Migration And Immigration In Europe in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Politics Of Migration And Immigration In Europe. Where to download Politics Of Migration And Immigration In Europe online for free? Are you looking for Politics Of Migration And Immigration In Europe PDF? This is definitely going to save you

time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Politics Of Migration And Immigration In Europe. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Politics Of Migration And Immigration In Europe are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented.
