Catholicism, 1850-1950 Cara Delay,2019-03-26 This is the first book length study to investigate the place of lay Catholic women in modern Irish history It analyses the intersections of gender class and religion by exploring the roles that middle class working class and rural poor women played in the evolution of Irish Catholicism and thus the creation of modern Irish identities The book demonstrates that in an age of Church growth and renewal stretching from the aftermath of the Great Famine through the Free State years lay women were essential to all aspects of Catholic devotional life including both home based religion and public rituals It also reveals that women by rejecting negotiating and reworking Church dictates complicated Church and clerical authority Irish women and the creation of modern Catholicism re evaluates the relationship between the institutional Church the clergy and women positioning lay Catholic women as central actors in the making of modern Ireland **Child Sexual Abuse Reported by Adult Survivors** Sinéad Ring,Kate Gleeson,Kim

Continuity, Change and Crisis in Contemporary Ireland Brian Girvin, Gary Murphy, 2013-10-18 The focus of this book is to analyse from a number of perspectives the politics of change in Ireland north and south since 1969 The emergence of the troubles in Northern Ireland the final push to gain entry to the EEC changing social mores and severe economic difficulties all begin to appear on the horizon at this stage While considerable change and indeed moments of extreme crisis have taken place in areas such as Northern Ireland the economy moral politics and Ireland's attitude towards the European Union continuity has also been a significant hallmark of Irish politics since 1969 This volume offers important perspectives and opens up new debates in explaining the phenomena of continuity change and crisis in contemporary Ireland New evidence on the origins of the troubles in Northern Ireland the Arms Crisis Ireland's relationship with Europe the process of social partnership and the politics of morality all offer important fresh insights into how contemporary Ireland has functioned Featuring a number of

high profile scholars and uniquely dealing with both Northern Ireland and the Republic of Ireland this volume argues that the intriguing feature of recent Irish history is not the absence of change but the extent to which change has been mediated by the existing political cultures national traditions and long standing institutions of both north and south This book was based on a special issue of Irish Political Studies *Queer Youth Histories* Daniel Marshall, 2022-01-01 This pioneering collection provides for the first time an international and transdisciplinary reflection on youth history and queer sexualities and genders Since the 1970s there has been an explosion in research focusing on LGBTQ history and on the lives of LGBTQ young people but these two research areas have seldom been brought together explicitly Bridging LGBTQ historical scholarship and contemporary queer youth cultural studies this book marks out pathways for thinking more about youth in LGBTQ history and more about history in contemporary understandings of LGBTQ youth Examining histories from the nineteenth century through to the recent past contributors examine queer youth histories in continental Europe Britain the United States of America New Zealand Australia Canada Ireland India Malaysia and Hong Kong *Spiritual Wounds* Siobhra Aiken, 2022-03-01 This book challenges the widespread scholarly and popular belief that the Irish Civil War 1922 1923 was followed by a traumatic silence It achieves this by opening an alternative archive of published testimonies which were largely produced in the 1920s and 1930s testimonies were written by pro and anti treaty men and women in both English and Irish Nearly all have eluded sustained scholarly attention to date However the act of smuggling private painful experience into the public realm especially when it challenged official memory making or even forgetting demanded the cautious deployment of self protective narrative strategies As a result many testimonies from the Irish Civil War emerge in non conventional hybridised and fictionalised forms of life writing This book re introduces a number of these testimonies into public debate It considers contemporary understandings of mental illness and how a number of veterans both men and women self consciously engaged in projects of therapeutic writing as a means to heal the spiritual wounds of civil war It also outlines the prevalence of literary representations of revolutionary sexual violence challenging the assumptions that sexual violence during the Irish revolution was either rare or hidden *Masculinities in Mid-Twentieth-Century Irish Fiction and Culture, 1931-1965* Loic Wright, 2025-09-29 *Masculinities in Mid Twentieth Century Irish Fiction and Culture 1931 1965* is a critical analysis of the construction consolidation and regulation of post colonial Irish masculinity as evidenced by Irish fiction published during the mid twentieth century Investigating the years of the Irish Free State ire and the Republic of Ireland this book uses the years preceding the enactment of Bunreacht na h ireann the Irish Constitution in 1937 and the years following the First Programme for Economic Expansion in 1958 as its span for research The analysis in this book incorporates contextual work on the masculinities of election rhetoric Church and State visions of an idealised Irish masculinity and the role of popular culture and fiction in promoting or rejecting official versions of Irish manhood Therein this book crucially analyses both critically acclaimed Irish authors such as Kate O'Brien John McGahern and Elizabeth Bowen alongside lesser

known writers who fell victim to the mid century s rigorous culture of censorship such as M J Farrell Norah Hoult and John Broderick Wright s research in this book provides a holistic approach to scrutinising the construction of post colonial Irish masculinity including analysis on drinking culture civil service employment queer relationships and the value of violence in masculine currencies **Forthcoming Books** Rose Army,2002
