**The Political Economy of China's Belt and Road Initiative in East Africa** Simon Züfle, 2023-03-25 This book examines the implementation of the Belt and Road Initiative BRI in East Africa. The BRI is considered China's central geopolitical and geo-economic project in the era of President Xi Jinping. Through this work, the author aims to contribute to filling some research gaps such as the lack of depth in studies of individual BRI projects and the underconsideration of processing narratives in participating countries. The guiding question is the extent to which the BRI is a political or hegemonic project of the CCP directed state-civil society complex in East Africa. To answer these questions, databases of international organizations and policy documents are analyzed. In addition, the author conducts a qualitative content analysis of newspaper articles from local media houses in the countries of Ethiopia, Kenya, and Tanzania to examine three infrastructure projects. The work illustrates that the BRI contributes to increasing connectivity in East Africa. At the same time, the compression of economic relations and the implementation of infrastructure projects in East Africa lead to numerous consequences and contour a hegemonic project.

**China's Belt And Road Initiative: Going Global And Transformation In The Global Arena** Hui Nee Au Yong, Xuchuan Yuan, Linda Low, 2022-01-06 China's President Xi Jinping launched the Belt and Road Initiative BRI in 2013. The BRI is promoted as a way for win-win cooperation that promotes common development and prosperity. Since the introduction of BRI, China organized the inaugural One Belt One Road Summit and the Second Belt and Road Forum to spur the implementation of the Initiative. President Xi emphasized that the Belt and Road projects should uphold the principles of shared benefits and joint contributions to realise the vision of a high quality open green and clean BRI. Host countries can possibly gain from China's greenfield manufacturing investments to expand the BRI markets. Contributed by academics and business professionals from Asia, Europe, and Africa, the chapters discuss the contemporary people, business, civil society, and government developments related to the BRI and explore Health, Environment, and Security (HES) challenges that confront the Initiative. This volume shows how a host country can leverage on China's investment without losing the nation's interest.

**Stanford Studies in History, Economics, and Political Science**, 1955  
Chinese Politics and Foreign Policy under Xi Jinping Arthur S. Ding, Jagannath P. Panda, 2020-11-23 This book focuses on China's future under Xi Jinping's authoritarian leadership by examining various facets of the political, economic, social, and foreign policy trajectories of contemporary China. It assesses Xi Jinping's power dynamic as the core leader of the Communist Party of China (CPC) and analyses the impact of Xi's signature domestic policies which demonstrate his political authority within the domestic sphere. Moreover, the book presents Xi's pro-active, assertive, and action-oriented outlook as a foundation for China's diplomacy in the new era. Bringing together an international set of experts in the field who explore critical facets of China under Xi Jinping that deeply influence the regional as well as the global order, the book investigates the impact of Chinese initiatives such as the grand Belt and Road Initiative (BRI), the Asian Infrastructure Investment Bank (AIIB), and the

BRICS New Development Bank NDB Importantly the book illustrates US China relations and outlines how this relationship will intensify in the post COVID 19 era which is poised to be one of the biggest challenges and turning points of the Asian Century Offering a timely insight into China s future and the trajectory of Xi Jinping s consolidation of power this book will be of interest to academics in the fields of China Studies Asian and International Politics and International Relations From Yoga to Kabbalah Véronique Altglas,2014 This book aims to provide an understanding of religious exoticism and of the ways in which certain foreign religious practices and beliefs are disseminated and appropriated through contemporary practices of bricolage **Taking 'Religion' Seriously: Essays on the Discursive Study of Religion** Teemu Taira,2022-03-16 This book demonstrates through methodological reflections and carefully chosen case studies a new way to conduct study of religion It focuses on how social actors negotiate what counts as religion and how discourses on religion are part of the way in which contemporary societies organise themselves The present volume draws on examples from judicial processes media discourses and scholarly debates related to Wiccans Druids and Jedi knights among others By analysing discourses on religion and building on rather than rejecting genealogical critiques of religion Teemu Taira argues that the study of religion can be constructive and socially relevant **Routledge Handbook of Politics in Asia** Shiping Hua,2018-03-15 The Routledge Handbook of Politics in Asia is designed to serve as a comprehensive reference guide to politics in Asia Covering East South Southeast and Central Asia this handbook brings together the work of leading international academics to cover the political histories institutions economies and cultures of the region Taking a comparative approach it is divided into four parts including A thorough introduction to the politics of the four regions of Asia from the perspectives of democratization foreign policy political economy and political culture An examination of the Big Three of Asia China India and Japan focusing on issues including post Mao reform China s new world outlook Indian democracy and Japanese foreign policy A discussion of important contemporary issues such as human rights the politics of the internet security nationalism and geopolitics An analysis of the relationship between politics and certain theoretical ideas such as Confucianism Hinduism socialist constitutionalism and gender norms As an invaluable and all inclusive resource this handbook will be useful for students scholars researchers and practitioners of Asian politics and comparative politics *Adult Catalog: Subjects* Los Angeles County Public Library,1970 **Economic and Political Weekly** ,1983 **The Egyptian Economic and Political Review** ,1960 **Ricardian Politics** Murray Milgate,Shannon C. Stimson,2014-07-14 Few deny that the work of economists has often embodied or stimulated significant contributions to political thought Smith Keynes Hayek and Friedman are good examples However the work of the great classical economist David Ricardo is not usually placed in such company Despite Ricardo s affiliations with philosophical radicals like Bentham and James Mill the most that previous scholars have been prepared to allow is that if Ricardo spoke to political questions at all he addressed only economic policy This book argues forcefully for a revision of that received opinion Murray Milgate and Shannon Stimson show that Ricardo articulated a

distinctive political vision and that he did so in a novel and sophisticated way by linking arguments for democratic reform with the conclusions of political economy Ricardian Politics examines compelling but neglected evidence of how Ricardo deployed economic theory to construct a new view of politics Milgate and Stimson analyze the case he made for a more inclusive political society and for a more representative and democratic government discuss how his argument was structured by his economics and explicitly draw out comparisons with Bentham and James Mill Ricardo wrote at a critical moment which saw the consolidation of capitalist industry and the emergence of modern democratic political ideology By attending to the historical context this book recovers a more accurate picture of his thought while contributing to the current renewal of research on the relationship between economic and political thought in early nineteenth century Britain Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Catalog* Florida International University,1984 Echo of Islam ,1991 First Amendment Freedoms Michael C.
