Clarkson,2025-09-12 A poltergeist is defined as a disturbance or energy with bizarre physical effects of paranormal origin that suggest mischievous or destructive intent such as breaking or moving objects and loud knocks or noises The Poltergeist Phenomenon is an exciting original look at an old subject by an award winning investigative reporter The author has reviewed 75 cases and interviewed hundreds of witnesses paranormal experts law enforcement officers psychologists and skeptics to come up with eye opening results The typical poltergeist case involves a young person from a repressed home who is going through puberty He or she may have epilepsy which produces recurrent spontaneous psychokinesis a state in which gravity is temporarily suspended A respected former Princeton University scientist believes he has proven in laboratory experiments that psychokinesis exists and that poltergeist cases are probably true This rare energy may be part of a person s fight or flight system which is hardwired into everyone and can erupt in certain conditions *Poltergeist* Rob

McLaughlin,2023-07-01 Created by Steven Spielberg yet officially directed by Tobe Hooper Poltergeist 1982 can be best described as family horror movie both in its target audience and in its narrative context the story of an All American suburban family the Freelings whose home suddenly becomes the site of a spectacular haunting apparently summoned by their young daughter The film is somewhat of an anachronism and this Devil s Advocate explores this in both the scope of production and narrative The book discusses the duality of the text highlighting debates surrounding both Spielberg s somewhat saccharine portrayal of middle class Americana and his more subversive cinematic endeavours The duality of the text also will also be discussed in the context of the film s production with both Spielberg and Hooper on set for much of the time the result was a movie with the production values effects and marketing of a high budget mainstream cinema blockbuster apparently directed by a subversive grindhouse cinema auteur Yet Poltergeist is neither nor both of those things instead being a unique hybrid of genres and styles taking the best and worst from both aspects of family blockbuster and cult horror film and as such can be seen as a text that is something unique a classic modern take on the traditional haunted house story **Britain's Paranormal Forests** Peter A. McCue,2019-10-07 Peter A McCue examines intriguing reports of people experiencing uncanny events in Britain s woods and forests from mysterious lights and strange animal encounters to ghostly experiences Much of the reported witness testimony was obtained first hand by McCue or other researchers While he draws sceptical conclusions about some of the alleged incidents he takes others seriously and considers possible explanations Fully illustrated and written in McCue s inimitable style Britain s Paranormal Forests will make you think again about your next
