Ponderings Of The Heart:

Ponderings of My Heart: Mary, the Mother of Yeshua Rev. James R. Fuchs,2023-10-24 Throughout the Bible Yahweh calls ordinary people to do extraordinary things Mary is no exception In the Nativity story a humble young Jewish girl is called to do that which socially could get her shunned or stoned to death The real miracle is not a virgin birth but that Mary said yes This was truly an ohhh moment Even when she questions or doubts she boldly demonstrates her trust in God As we follow Mary on this journey to Epiphany may we be inspired to say yes to our calling Originally written as an Advent to Epiphany devotional Mary s ponderings are applicable to our daily journey Each day begins with an interpretation of Mary s thoughts and emotions followed by modern application and concluding with a prayer Discover your ohhh moments as you walk with Mary The Mystical Space of Carmel Kees Waaijman,1999 Mount Carmel viewed as a holy place by Jews

Christians and Muslims is where the prophet Elijah is venerated For many centuries hermits have followed his example and monks regard him as their Father During the crusades around 1200 A D a small group of hermits settled around the spring of Elijah to lead a contemplative life there in silence and solitude To the first Carmelites this geographic location was a mystical space in which to live in the presence of God alone Albert patriarch of Jerusalem gave them a life rule 1206 1214 which at the time of their expulsion by the Saracens in 1247 was adapted to new circumstances by pope Innocent IV In consequence the mystical space of Carmel with its contemplative life is experienced wherever they are given a place and God calls them The commentary presents the Carmel as a spiritual model which is ideally suited as accompaniment on the spiritual journey of all who know themselves called to a life in God s presence in the desert of their life **Ideography and Chinese**

Language Theory Timothy Michael O'Neill,2016-07-11 This book is a much needed scholarly intervention and postcolonial corrective that examines why and when and how misunderstandings of Chinese writing came about and showcases the long history of Chinese theories of language Ideography as such assumes extra linguistic trans historical universal ideas which are an outgrowth of Platonism and thus unique to European history Classical Chinese discourse assumes that language and writing is an arbitrary artifact invented by sages for specific reasons at specific times in history Language by this definition is an ever changing technology amenable to historical manipulation language is not the House of Being but rather a historically embedded social construct that encodes quotidian human intentions and nothing more These are incommensurate epistemes each with its own cultural milieu and historical context By comparing these two traditions this study historicizes and decolonializes popular notions about Chinese characters exposing the Eurocentrism inherent in all theories of ideography Ideography and Chinese Language Theory will be of significant interest to historians sinologists theorists and scholars in other branches of the humanities **Perturbed Musings of a Grieving Heart** Dr. Sana Samreen,2022-12-10 Did you too

I Call You Friends Leonard J. DeLorenzo,Timothy P. O'Malley,2019-05-23 In North America over the last three decades no one has thought as long and hard about the nature of the Catholic university has been so passionate in its avowal so visionary in its conception and so persistent in reminding all who would listen that the university is a specifically Catholic achievement and the Catholic university an enduring legacy as John Cavadini As the long time chair of the Department of Theology at the University of Notre Dame and the even longer serving McGrath Cavadini Director of the McGrath Institute for Church Life John C Cavadini has provided a vision for leadership in Catholic higher education and especially the Catholic university s call to serve the Church with unparalleled creativity industriousness and hope The breadth and wisdom of Cavadini s distinctive leadership is a model for guiding the Catholic university along its unique mission both within higher education and for the life

of the Church This vision is captured in Cavadini s person and by extension in the initiatives projects and institutional activities that he has designed and executed The vision is difficult to see all at once because of its comprehensiveness but once glimpsed it shines as a standard by which leadership in Catholic higher education may be measured This leadership has never been more necessary for the life of the Catholic university and its service to the Church
