

PONGS

[Play Online](#) (desktop only)

Description

Bip! Bip! Bip! Boop! Everyone loves PONG! So everyone loves thirty six PONGS even more! Work those learning muscles with EDUTAINMENT PONG! Get serious with SERIOUS PONG! Shoot a laser gun in LASER PONG! Play PONG in PONG PONG! And many more!

Originally released on 11 April 2012, PONGS was written in ActionScript 3 using FlashBuilder 4.5 and the excellent [Flixel](#) library.

This version has been ported to the also excellent [Phaser 3](#) library for JavaScript.

You may not be surprised to hear that PONGS is based on Atari's PONG. Sound effects were made in [sfkr](#). The font in PONGS is [Commodore 64 Pixelized](#) by [Devin Cook](#). The references in PONGS are mostly pretty obvious, but if you haven't heard of [Shih Snake](#) by [Draknek](#) or [S.U.T.T.Q.N.](#) by [Die Gute Fabrik](#), then now you have!

Press

PONGS was featured on [Kit Screen](#), [Free Indie Games](#), [The Verge](#), [Rock, Paper, Shotgun](#), and [Edge Online](#). It has also been discussed in German on [NEGATIV](#) and [Superheld](#). [Lorenzo Pilo](#) made an awesome controller for PONGS and you can [watch a video of it](#)! PONGS has been exhibited many times.

Pongs Visit:

Manipur Myanmar Connections Shukhdeba Sharma Hanjabam, Aheibam Koireng Singh, Kakchingtabam Ruhinikumar Sharma, 2021-01-01 Linkages of the North East India's culture and civilisation with Southeast Asia had since been there since the very early times. As early as 1470 AD Manipur had political connectivity with Myanmar following the signing of the treaty between the King Khekomba of Pong of Upper Myanmar and King Kyamba 1467-1523 of Manipur. As far as historical records are concerned, it was during the reign of King Kyamba that the King of Pong gifted the idol of Vishnu, a cover picture and some ritual item to Kyamba. Even then, comprehensive and thorough academic intervention to exhaustively study in depth the shared cultural-historical experiences of the peoples of North East India with those of South East Asia remain negligible and wanting. With India's Look East Policy initiated in 1991 and more so the Act East Policy launched in 2014, gaining prominence, there have been growing attention among the policy makers, academicians and experts etc. to engage in relooking the connectivity of the region of Northeast India with the East. However, their attention is overwhelmingly on economy concerns and trade prospects. This book is a modest attempt towards filling up that void with special reference to Myanmar and Manipur, though not limited to it. Ping-Pong H. C. Kim, 2001 Many people remember their college days as the most exciting time in their life. Perhaps they had an inspiring professor who helped them think about something in creative ways. It's possible that they made friends who became their best friends for life. Some might have found the love of their life, a soulmate. Of course, life is not only filled with happiness and joy. There could be heartaches and troubling experiences as well. Some people come out of college and absolutely hate it. No one can deny, however, that college is filled with experiences that will be remembered for a long time. This play examines college life through the eyes of college students. The protagonists, Steven and Alvin, search for love and meaning in life. In their quest, they experience joy and sadness. In twists and turns that characterize the whole play, the reader certainly will be entertained. But the play will provide opportunities for empathy and reflection as well. Identify with the characters and serve the ping-pong balls of life with them as you read this exciting play. And many happy returns. **The Ping Pong Conspiracy** Bill Waddell, 2005-08 We consider the first time author of the ms. a reporter rather than an author. His supposedly fictitious tale of the CIA's con of 22 Billion from the state lottery systems is almost too realistic to not be partly true. **The Origin of Ping-Pong Diplomacy** M. Itoh, 2011-09-26 Why and how did Japan Table Tennis Association President Goto Koji invite China to participate in the World Table Tennis Championships in Nagoya, Japan, in 1971? The Nagoya World's Against strong opposition at home and abroad, Goto Koji created a stage for Premier Zhou Enlai to launch Ping Pong Diplomacy, which changed world history forever. Improbable Diplomats Pete Millwood, 2022-12-22 In 1971, Americans made two historic visits to China that would transform relations between the two countries. One was by US official Henry Kissinger; the other, earlier visit, was by the US table tennis team. Historians have mulled over the transcripts of Kissinger's negotiations with Chinese leaders. However, they have overlooked

how alongside these diplomatic talks a rich program of travel and exchange had begun with ping pong diplomacy Improbable Diplomats reveals how a diverse cast of Chinese and Americans athletes and physicists performing artists and seismologists played a critical but to date overlooked role in remaking US China relations Based on new sources from more than a dozen archives in China and the United States Pete Millwood argues that the significance of cultural and scientific exchanges went beyond reacquainting the Chinese and American people after two decades of minimal contact exchanges also powerfully influenced Sino American diplomatic relations and helped transform post Mao China *Beyond the Final Score* Victor D. Cha,2009 The Beijing Olympics will be remembered as the largest most expensive and most widely watched event of the modern Olympic era But did China present itself as a responsible host and an emergent international power much like Japan during the 1964 Tokyo Games and South Korea during the 1988 Seoul Games Or was Beijing in 2008 more like Berlin in 1936 when Germany took advantage of the global spotlight to promote its political ideology at home and abroad *Beyond the Final Score* takes an original look at the 2008 Beijing games within the context of the politics of sport in Asia Asian athletics are bound up with notions of national identity and nationalism refracting political intent and the processes of globalization For China the Beijing Games introduced a liberalizing ethos that its authoritative regime could ignore only at its peril Victor D Cha former director of Asian affairs for the White House evaluates Beijing s contention with this pressure considering the intense scrutiny China already faced on issues of counterproliferation global warming and free trade **Ping-Pong Diplomacy** Nicholas Griffin,2014-01-07 Examines how an aristocratic British spy circumvented more than 20 years of antagonistic foreign policy between China and the United States to further a fateful Communist agenda during the World Table Tennis Championships revealing how players were tortured and murdered throughout the Cultural Revolution

Adventures of the Ping-Pong Diplomats Fred Danner,2012-01-17 This story reads like an adventure novel The only difference is that the events in a novel are made up these adventures really happened the people are real and the political effects of their actions have produced 40 years of peaceful coexistence between the Peoples Republic of China and the United States This is the only historically complete narrative which covers the actual ping pong diplomacy events provides the background foreign policy information to explain why these events happened such experiences occur only once in a lifetime America and the world are a lot better off because of their efforts Its time to read the real story of ping pong diplomacy

Under the Pong Pong Tree Hal Levey,2015-11-11 The Japanese invasion of Singapore sets the backdrop for this World War II saga of loyalty love and the promise of liberation *Under the Pong Pong Tree* by Hal Levey delves into the brutality of foreign occupation from a woman s perspective allowing a candid portrayal of a war victim to emerge from the pages of this gritty chronicle The prose is sensitive knowledgeable and empathetic covering intriguing topics across an extensive time line Clarion Review 5 stars This utterly compelling historical novel revolves around several characters whose lives have been irrevocably changed and for the most part damaged by the WWII Japanese invasion of Singapore The plot

moves quickly with continuing storylines of many characters and the writing and editing is flawless Under the Pong Pong Tree will be enjoyed by a wide readership particularly those who appreciate a fast paced realistic tale of war survival and ultimately redemption Blue Ink Starred Review Love and the brutality of war are woven together in a beautiful heart wrenching tapestry in Under the Pong Pong Tree **Modern Sports around the World** David Asa Schwartz,2021-06-14

This superbly written volume will appeal to sports and physical education students researchers in foreign policy gender studies history politics sociology and technology and general high school and college readers who enjoy the odd sports history factoid Library Journal Sports have become an international spectacle that influences nations foreign policy world economies and regional morale Hundreds of billions of dollars are at stake as governments and multinational corporations rush to make sure they have a place at the table And yet sports come from humble beginnings We are fascinated by who can run the fastest lift the most weight jump the highest swim the farthest and act with the most precision The history of sports is the history of the world Each chapter features one sport and details that sport s origins global migration economic forces media influences political environment pop culture inspirations scandalous moments and key individuals Sports history is a tapestry of sociological variables this text weaves them together to create a unique history book that explains not only where humanity has been but where it might be going The Metaphysics of Ping-Pong Guido Mina di Sospiro,2015-09-01 When a mortifying defeat to his teenage son rekindles his lifelong passion for table tennis keen philosopher Guido Mina di Sospiro sets out to learn the game properly Guido s love for spinning a feather weight ball takes him from his local Ping Pong club populated by idiosyncratic players with extraordinary stories to tell to training drills with a world class coach This seemingly harmless game also leads him into sticky situations in the CIA headquarters and the ganglands of Washington D C Woven throughout his Ping Pong epiphany are philosophical ruminations on Plato and Aristotle metaphysicians and empiricists Jung s dark shadow Sun Tzu s war tactics the I Ching and much more As Guido s journey takes him from Big Sur to a nail biting showdown in China against a string of elite players he finds that Ping Pong can teach us a surprising amount about life

Crossing the Divide John H. Holdridge,1997-03-27 Ambassador John H Holdridge provides a fascinating insider s account of the complex and often arduous process of normalizing diplomatic relations between the United States and the People s Republic of China after three decades of mutual hostility More than a memoir Crossing the Divide illuminates the broad sweep of U S China relations after World War II With eloquence and profound insight Holdridge describes the enormity of the divide between the two countries summarizes the broad range of impediments to establishing and maintaining diplomatic relations and demonstrates the significance of continuing efforts by both countries to overcome these obstacles A book in the ADST DACOR Diplomats and Diplomacy Series *Beyond Boycotts* Philippe Vonnard,Nicola Sbetti,Grégory Quin,2017-12-18 Sport during Cold War has recently begun to be studied in more depth Some scholars have edited a book about the US and Soviet sport diplomacy and show ow the government of these two countries have used sport during this period notably as a

tool of soft power during the Olympic games Our goal is to continue in this direction and to focus more on the sport field as a place of exchanges during the Cold War Regarding this point our aim is to show that there were events beyond boycotts many and that unknown connections existed inside sport Moreover many actors were involved in these exchanges Thus it is important not only to focus on the action of States but also on private actors international sporting bodies and journalists considering that they acted around sport an apolitic field as it was tool to maintain links between the two blocs Our project offers a good opportunity for young scholars to present original research based on new materials notably the use of institutional or personal archives Moreover it is also a step forward with a view to conduct research within a global history paradigm one that is still underused in sport academic fields Cumulated Index Medicus ,1972 **Pong!** Chris McCormack,2012 McCormack s rhymes are as engaging as those of Julia Donaldson s *The Gruffalo* and the bright stunning illustrations by Naomi Lunn will capture the imagination of children of all ages PONG is a must read A children s classic in the making The Press Association s Children s Book of the Week Pong is the biggest fastest thing in the Universe He loves to race and always wins At least that was the case until he slips on Neptune s frozen lake and comes face to face with Jake Can Jake outsmart Pong to win some magic moon dust PONG is an ideal way to introduce a topic on space and the planets

The 100 Most Important Sporting Events in American History Lew Freedman,2015-11-12 This engaging and informative work highlights the 100 biggest moments in the history of American sports illustrating powerful connections between sporting events and significant social issues of the time In this homage to sports history author Lew Freedman compiles athletic feats that caught fans off guard inspired awe and left viewers on the edge of their seats all while making an impression on the world at large Freedman ranks 100 of the greatest moments in sports reflecting on the dramatic impact of the events as well as their greater influence on American society of the time The work showcases the social historical and cultural background of memorable games teams and athletes highlighting the enduring value and importance of each selection An introduction discusses the history of sports and explains the criteria for choosing the 100 sporting events in the book Fascinating little known facts punctuate entries such as how the athletic accomplishments of Jackie Robinson and Joe Louis helped ease racial tensions in the United States why the passage of Title IX changed gender relations in the United States forever and which technologies have altered the way Americans view sport Content also traces the tremendous advancements of safety gear in sports from the batting helmet and catchers shin guards in baseball to the hardshell helmet and face guard in football to the face mask for goalies in hockey Mao's China and the Cold War Jian Chen,2010-03-15 This comprehensive study of China s Cold War experience reveals the crucial role Beijing played in shaping the orientation of the global Cold War and the confrontation between the United States and the Soviet Union The success of China s Communist revolution in 1949 set the stage Chen says The Korean War the Taiwan Strait crises and the Vietnam War all of which involved China as a central actor represented the only major hot conflicts during the Cold War period making East

Asia the main battlefield of the Cold War while creating conditions to prevent the two superpowers from engaging in a direct military showdown Beijing's split with Moscow and rapprochement with Washington fundamentally transformed the international balance of power argues Chen eventually leading to the end of the Cold War with the collapse of the Soviet Empire and the decline of international communism Based on sources that include recently declassified Chinese documents the book offers pathbreaking insights into the course and outcome of the Cold War
