Hill,2010-03-01 Distributed by the University of Nebraska Press for Caxton Press It operated less than two years It lost an enormous amount of money But the Pony Express delivered the mail across a continent at a critical time and captured the imagination of people all over the world like few events in the history of the American West **Pony Express** Carol Guthrie,Bart Smith,2009-12-22 Orphans preferred was the call that went out to the daring of heart when the Pony Express was organized nearly 150 years ago in April 1860 Called The Greatest Enterprise of Modern Times the endeavor which lasted only nineteenth months recruited young men willing to risk life and limb in a relay race that crossed the frontier on a route from St Joseph Missouri to San Francisco California speeding the delivery of mail to an astonishing ten days The Pony Express combines the legends and lore of this remarkable mail service with contemporary photography and archival images and documents from the past and celebrates the sesquicentennial of the start and end of those daring rides which ended with the completion of the transcontinental railroad It is a befitting tribute to an American icon whose legacy is marked to this day by Pony Express museums all along the route from Missouri to California [Buffalo Bill's America](#) Louis S. Warren,2006-12-05 William F Buffalo Bill Cody was the most

famous American of his age He claimed to have worked for the Pony Express when only a boy and to have scouted for General George Custer But what was his real story And how did a frontiersman become a worldwide celebrity In this prize winning biography acclaimed author Louis S Warren explains not only how Cody exaggerated his real experience as an army scout and buffalo hunter but also how that experience inspired him to create the gigantic traveling spectacle known as Buffalo Bill s Wild West Show A dazzling mix of Indians cowboys and vaqueros they performed on two continents for three decades offering a surprisingly modern view of the United States and a remarkably democratic version of its history This definitive biography reveals the genius of America s greatest showman and the startling history of the American West that drove him and his performers to the world stage *Historical Atlas of the American West* Warren A. C. Greene,2006 Remember boys nothing on God's earth must stop the United States mail said John Butterfield to his drivers Short as the life of the Southern Overland Mail turned out to be 1858 to 1861 the saga of the Butterfield Trail remains a high point in the westward movement A C Greene offers a history and guide to retrace that historic and romantic Trail which stretches 2800 miles from the Mississippi River to the Pacific coast History of the Sierra Nevada Francis P.
