

Prayer for the gift of life

Father, we are so thankful for the gift of life. We appreciate the fact that You sent Your Son to die in our place even before we acknowledge You as God.

We're thankful that by believing in Your Son, we will receive the gift of eternal life. Thank You for accepting us into Your family through the blood of Your Son Jesus.

Help us to use this gift of life that You've given us to bring glory to Your name. In Jesus' name, we pray, Amen.

Prayer A Gift Of Life:

Prayer Peter Hocken (priest),1975 **The Power of Prayer** Chucks Uzonwanne,2014-12-18 The importance attached to the inspiration which the power of prayer creates is the inundation with the ability to pray and the insight it grants you to conceive thoughts that are liberating and true This will make you believe for your faith to be active and will enhance your relationship and confidence in God The power of prayer will also cause you to bear the fruits of righteousness and make you operate in the gifts of the Spirit as you delve into the realms of the spirit through prayer and the study of the word of God These make the power of prayer an expose of light able to shine forth spiritual verities that will unveil scales of obscurity beclouding your journey to higher life This is because it is endued with the ability to enact ultimate intimacy with Almighty Jehovah and with perspective and fervour the power of prayer will stay your mind always so you can find perfect peace in Christ Jesus This revelation exposes that the quality of any relationship is determined by the quality of the communication Invariably the Power of Prayer will teach you on how to effectively pray so you can be empowered to change hopeless situations and always be in control of your life Wherefore get ready for the power of prayer will challenge you to hear heed and do the word for results And also convert and metamorphose you to be humble teachable and obedient to the voice of the Spirit of Almighty God Pauline Theology as a Way of Life Joshua W. Jipp,2023-07-25 Paul is known as a theologian and indeed his writings yield rich theological insights But Paul was foremost a missionary and a pastor who wrote to real people and churches In this fresh approach to Pauline theology respected scholar Joshua Jipp brings Paul s pastoral concerns to the fore specifically his concern for human flourishing in his congregations Jipp argues that Paul s writings are best understood as invitations to a particular way of life one that is oriented toward the supreme good of experiencing life in God through participation in Christ For Paul Christ epitomizes the good life and enables others to live it While analyzing Paul s thought through this lens of well being and flourishing Jipp introduces conversation partners as points of comparison and contrast He interacts with ancient philosophy and modern positive psychology both of which also address the good life This important and substantial contribution to Pauline studies covers issues such as transcendence suffering and death relationships pursuit of Christian virtue and moral agency It will be a valuable resource for all students of Paul Now in paperback **The Gift of Oneself** Joseph Schryvers,2008-11 The Gift of Oneself will be for many a fresh new approach to spirituality an appeal to generous souls to offer themselves to God as a gift that is at once fitting since He has given us all we are and have and complete for we thereby hold back nothing for ourselves And in return Almighty God in a special way concerns Himself with the sanctification of our souls and the care of our temporal needs Jesus will work wonders in a soul so given over to Him for He is the best of all spiritual directors and He knows exactly the place in the Mystical Body that a consecrated soul should occupy This gift of oneself to God is easy for all we have to do is love Him In return for the gift of oneself God responds by giving Himself What more could we want or need Those who read this book derive a great feeling of peace and security from

it The Gift of Oneself will be a surprise and a delight to those generous souls who are ready to embark upon a secure and rewarding spiritual life

Love: the Most Precious Gift of Life Pejman Aghasi, 2007-08 Love is the only hope It is only because

of love that man finds it possible to reach god If there were no love there would be no religion no prayer If there were no love there would be no creativity no music no dance no art no poetry If there were no love there would be no beauty no friendship no happiness no intimacy All that is valuable in life comes through love Love is the source of all that is nourishing and fulfilling Love is the only heavenly phenomenon on this earth Everything else is earthly therefore it is only through love that one can reach to god and heavenly states of being Without love life becomes dull repetitive and unfulfilling Love The Most Precious Gift of Life shows us that we must live with love because that is the only way to really live The deeper and realer your love is the deeper and more meaningful your life is We must think of love and life as being the same and synonymous If love has so many blessings why do many couples struggle and face so many difficulties in their relationships In the second part of Love The Most Precious Gift of Life the root social and psychological causes of these conflicts are uncovered and a solution for solving each problem is also presented And in doing so it helps us to keep our relationships healthy and intimate and enable us to embrace love and through love reach to our highest potential which is self realization and enlightenment

The Christian state of life Franz Hunolt, 1886 **Willingness to Die and the Gift of Life** Paul K.-K. Cho, 2022-09-08 One particularly challenging aspect of the Hebrew Bible is its treatment of various forms of voluntary death suicide suicide attack martyrdom and self sacrifice How can people of faith make sense of the ways biblical literature at times valorizes these sensitive and painful topics Willingness to Die and the Gift of Life surveys a diverse selection of Hebrew Bible narratives that feature characters who express a willingness to die including Moses Judah Samson Esther Job Daniel and the suffering servant of Isaiah 53 The challenging truth uncovered is that the Hebrew Bible while taking seriously the darker aspects of voluntary death nevertheless time and again valorizes the willingness to die particularly when it is for the sake of the group or in faithful commitment to God Many biblical authors go so far as to suggest that death willingly embraced can unlock immense power endowing the willing with the charism necessary to lead opening the possibility of salvation and even paving the way for resurrection into a new more glorious life Paul K K Cho s unflinching analysis raises and wrestles with provocative questions about religious extremism violent terrorism and suicidal ideation all of which carry significant implications for the biblically grounded life of faith today Cho carefully situates the surveyed texts in their original cultural context discussing relevant topics such the shame and honor culture of ancient Israel and the importance attached to the group over the individual Closing with an epilogue that reflects on the surprising issue of whether biblical authors

considered God to be capable of dying or being willing to die Cho s fascinating study showcases the multifaceted relationship between death and life in the Hebrew Bible

Political Theology of Life Saitya Brata Das,2023-02-14 Taking up the work of Meister Eckhart F W J von Schelling and S ren Kierkegaard Political Theology of Life formulates the task of an unconditional affirmation of life Such a political theology consists of constructing a kenotic eschatology which puts into question any political attempt to justify and legitimize any world historical hegemony on a theological foundation The work thereby argues that in today s neoliberal secular world of narcissistic mass consumption in the age of extreme capitalism such an affirmation of life released from the grasp of sovereign power is the highest ethico religious task of our time The work shows that each of these thinkers Meister Eckhart at the epochal closure of the medieval world and Schelling and Kierkegaard from the heart of the epochal condition of modernity has exposed open a dimension of infinitude and manifestation that can be truly inspiring for us that is to say in the abandonment of all worldly attributes lies a receptivity to the highest gift of beatitude an opening to the infinitude that sanctifies our worldly existence which is a radical gift arriving from an origin without origin and without foundation a gift that does not have to be anchored in the nomothetic operation of worldly hegemonies Illumination Book Award winner in poetry <https://illuminationawards.com/2023/medalists/>
