Common Sense and Genesis Phillip M. Branson,2016-03-25 The purpose of this book is to offer a logical common sense translation of the book of Genesis It is not written as a dogmatic statement of absolute authority but rather it is meant as a translation that conforms to the literal writing of Genesis I am aware that it differs widely from conventional teachings When I first read the book of Genesis however I did not have the benefit of much formal religious training so I was not influenced by the opinions and interpretations of others From the outset I formed the theories that are stated here based on the words I read and further study has only served to strengthen those concepts This is what the book of Genesis says to me I offer it as a possible alternative to the interpretations that have been handed down unquestioned and unchallenged for several hundred years What this book is not is a work of apologetics I have begun with the assumption that the Bible says what it means and means what it says Webster's Common Sense Dictionary C. Prayer & Common Sense S.J. Thomas H. Green,1995 The Great Journey Bonnie M. Gulan,2002-04-19 Think In Mark 12 24 Jesus said Are you not therefore deceived not being acquainted with the Scriptures nor yet the Power of God Be knowing the Scriptures are the Word the complete expression of God s Thought and contain the Power of God s Thought The Bible on the other hand is but the letter men s letters men s interpretations of the Scriptures and contain not the Power of God s Word but contain only the force of men s reasoning men s intellect One could say that the Bible is but the survey for the Scripture Digs The Great Journey in Pursuit of Jesus Way Truth Life is my personal daily journal during the years of 1998 and 1999 Everything I write is hand written so great care was taken in transcribing my written journal into this format By great care I mean transcribing word for word along with their misspellings and errors so that it would allow you the reader to travel with me every day In this journal I share what I took notice of and took notes on during my journey Some things I perceived during this journey gave me new questions to question as well as answers to questions that I have repeatedly asked myself over many years Travel with me through my 1998 1999 journal as we embark on this Great Journey in pursuit of Jesus Way Truth and Life
