

Prayer For Children

Lord, watch over our children as they sleep, surround them with your angels, and fill their dreams with your love.

Heavenly Father, grant our children the wisdom to make choices that align with your will and bring glory to your name.

Lord, bless our children with good health, both in body and in spirit. May they grow strong and resilient under your loving care.

Prayer And Our Children Passing On The Tradition:

Prayer and Our Children Mary Terese Donze,1987 *The One Year Yellow Ribbon Devotional* Brenda Pace,Carol McGlothlin,2016-01-15 The One Year Yellow Ribbon Devotional will encourage those of us staying behind to pray for those who are taking a stand for our freedoms During a time of war and election of a new president The One Year Yellow Ribbon Devotional meets a large need in our society So many people are affected by the absence of those who leave home and serve in distant lands Those who are left behind often struggle to find contentment and hope This devotional will not only meet the needs of those individuals but will also encourage all Americans to take a stand by praying for our country and the men and women serving overseas Celebrating The 12 Days of Christmas Chris Marchand,2019-10-10 The song The 12 Days of Christmas is a mainstay of the holiday season but the practice of celebrating Christmas as a twelve day festival fell out of fashion long ago in most cultures In *Celebrating the 12 Days of Christmas* author Chris Marchand explores the history behind the season and individual feast days from December 25 to January 6 and then offers suggestions for how you can celebrate it with your family church or community Along with this he provides answers to many of the nagging questions surrounding the holiday such as the history behind the twelve days song why December 25 was chosen as the date and what to do about its supposedly pagan origins The challenge before us is to first help people see Christmas as a holiday that begins rather than ends on December 25 and then to together figure out how to reinvent Christmas in the present by learning how it was celebrated in the past *Death Liturgy and Ritual* Paul P.J. Sheppy,2017-07-05 *Death Liturgy and Ritual* is a two volume study of Christian funerary theology and practice presenting an invaluable account of funeral rites and the central issues involved for compilers and users Paul Sheppy writes from direct experience of conducting funerals and of drafting liturgical resources for others In Volume II *A Commentary on Liturgical Texts* reviews a wide range of current Christian funeral rites and examines how they reflect both the Church's concern for the death and resurrection of Christ and the contemporary secular demand for funerals which celebrate the life of the deceased The companion volume Volume I *A Pastoral and Liturgical Theology* proposes that the Church ought to construct its theological agenda in dialogue with other fields of study Sheppy argues for a Christian statement about death that finds its basis in the Paschal Mystery since human death must be explained by reference to Jesus death descent to the dead and resurrection Using the three phases of van Gennep's theory of rites of passage the author shows how the Easter triduum may be seen as normative for Christian liturgies of death

Christian Theology in the Protestant Tradition Kelly Kapic, Hans Madueme, 2018-01-25 Reading Christian Theology in the Protestant Tradition offers a distinctive approach to the value of classic works through the lens of Protestantism While it is anachronistic to speak of Christian theology prior to the Reformation as Protestant it is wholly appropriate to recognize how certain common Protestant concerns can be discerned in the earliest traditions of Christianity The resonances between the ages became both informative and inspiring for Protestants who looked back to pre reformation sources for confirmation challenge and insight Thus this book begins with the first Christian theologians covering nearly 2000 years of theological writing from the Didache Justin Martyr and Origen to James Cone Jos M guez Bonino and Sallie McFague Five major periods of church history are represented in 12 key works each carefully explained and interpreted by an expert in the field
