Prayer Is Warfare:

A New Level of Strategic Warfare Prayer Morris Cerullo, 2015-10-06 A New Level of Strategic Warfare Prayer gives detailed guidance and wisdom on how to bind and destroy principalities by going to the root cause It also discusses how prayer and fasting open the gateway to power You will discover A prayer strategy that is accurate every time How to become an invincible spiritual warrior How to use your words with authority And much more Warfare Prayer C. Peter Wagner, 2009-10-28 Warfare Prayer provides a toolbox and an operator s manual for those who take seriously the Apostle Paul s statement that we wrestle not against flesh and blood but against principalities and powers The demonic world around us is a reality but all too few believers understand that realm of darkness to say nothing of having the skills to use effectively the weapons of warfare that God has given us Based on a combination of sound biblical theology and real life experiences this book is a user friendly guide for those committed enough to join the army of God **Kingdom Warfare** Jack W. Hayford, 1993 These studies focus attention on a variety of the mightiest themes in the Bible and the life applications that flow from them The author seeks to impart a basic understanding of the themes being discussed and shows how to apply their messages and counsel to your daily life Spiritual Warfare Prayer Book Gene B. Moody, 2016-11 a book of effective spiritual warfare prayers **Winning the War Through Prayer** C. Fred Dickason Th. D., 2016-10-25 No more general routine and unfocused praying This book lays the foundation for engaging in spiritual warfare by effective pointed biblically based prayer Part I presents in the first chapter a solid theological foundation treating worldview the reality of the spirit world and our resources The next chapters show the place of prayer in warfare and delineate some strategies tactics and cautions Part II suggests some pattern warfare prayers for personal church and world needs Believers have used some of these very effectively to see the Lord intervene and remove oppression and obstacles Winning the War through Prayer is like a bucket of cold water thrown onto a largely lukewarm Church For those who have already experienced the power of demonic forces and the triumph of Christ this book will give them more practical knowledge of how to confront the enemy For those who have ignored the biblical teaching about our invisible war such readers will be jolted in to reality Their eyes will be open to a new level of spiritual discernment and a new way of praying that is directed against the forces that seek to destroy us Dr Erwin Lutzer In my evaluation this book is the best presentation of biblical warfare praying that has been written God has use Fred to write an articulate doctrinally sound biblical call to warfare praying that exceeds anything yet written an academic and biblical study a very useable and much needed document Dr Mark I Bubeck **Prayers for Victory in Spiritual Warfare (Milano Softone)** Tony Evans, 2018-09-04 Who is the one who overcomes the world but he who believes that Jesus is the Son of God 1 John 5 5 If you believe in Jesus and have accepted the life He offers through the cross then the world and its ways shouldn t be able to drag you down But do you still find yourself uncertain how to pray and experience victory Pastor Tony Evans stands ready to help you put on the full armor of God Ephesians 6 11 In this collection

PROPHETIC PRAYER WARRIOR AND SPIRITUAL WARFARE "Building a Strong Prophetic Prayer Life" Robin Dinnanauth, 2017-08-15 If you've been a Christian for a while you probably know that prayer is one of the staples of the Christian life. Although we know that how much time and consideration we've given to really understanding this thing called prayer. Building a strong prophetic Prayer life and understanding Spiritual Warfare through prophetic prayer is very important. One of the most effective strategies of Satan is to keep believers ignorant of his devices. Paul said it is important to know Satan's strategies. Lest Satan should get an advantage of us for we are not ignorant of his devices. II Corinthians 2:11 We should learn all we can about Satan's strategies of attack and how to counter attack it. We must also understand the Scriptural basis of victory over Satan and the forces of evil. We are called to intelligent combat

Prayer and Spiritual Warfare: Spiritual Victory for the 21st Century Amilliah Kenya, 2014-11-07 Spiritual warfare is a reality that faces Christians every day. Their daily walk with the Lord and fight with Satan affects every aspect of their life: their personal victory, the state of their families, their interaction with the world around them, and their ultimate service and performance on earth. Every Christian finds himself harassed and under the relentless hand of the enemy. Spiritual casualties surround us on every side. Luke, warmth, defeat, and compromise seem to be the order of the day. Deep within the heart of every true Christian stands a hunger to please his Master. This book focuses on that deep cry, the spiritual seed within. It equips the child of God and steadies him to a life of spiritual fulfillment in Christ as he fights and wins spiritual battles. Nobody is born a natural spiritual fighter. Like any army which recruits soldiers and trains them before releasing them to the battle field, the Christian soldier likewise has to be trained. His training is crucial, knowing that the enemy he is fighting does not give him a chance to train before launching his attacks. Prayer and Spiritual Warfare equips and encourages the believer to effectively stand against the deceptive schemes of Satan by applying scriptural truths. It teaches the nature of the spiritual battle, what it takes to win battles, and weapons that are used to fight in this warfare. It trains God's soldiers to receive and obey orders from the war General, God. It discloses the deceptive schemes of the enemy and equips believers to deal with opposition and stand their ground in battle. It exalts Christ and points to His role in spiritual warfare. It weaves practical, modern-day 21st-century struggles that face Christians and the church as a whole with scriptural truths of God's Word to combat spiritual apathy. Yes, Christians can fight the enemy with courage and be the light of the world today.
